Dillon Rotary Club to Sell Bratwurst During Octoberfest

The Dillon Rotary Club is pleased to announce its presence as a food vendor at downtown Dillon's Octoberfest on Saturday, October 5, 2013. As it has in prior years, the club will serve fresh, Montana-made bratwurst (with onions and sauerkraut), hot dogs, potato chips, and a wide selection of canned sodas.

Proceeds from this bratwurst sale will benefit the Dillon Rotary Club. Last year, the Club provided scholarships to local students, along with sponsoring the ever-popular Ice Melt Contest.

Rotary International is moving to a new grant model which makes financial stability for smaller clubs increasingly important. The more financially sound the Dillon Rotary Club is, the fewer funds it will have to request from Rotary International. On a yearly basis, Rotary International assists in a variety of causes which promote public health and sanitation, education, and world peace. A few of these causes are:

- Polio Eradication: Thanks largely to Rota y's efforts in distributing Polio vaccine throughout developing countries, Polio is now found in only 3 countries.
- Promoting Literacy: Rotary works closely with schools, libraries, and educators to promote literacy. One of the most noteworthy literacy programs is in Pakistan, where literacy centers affiliated with Rotary have helped over 2,000 women learn to read over the past decade.
- Peace Centers: Worldwide, Rotary Peace Centers help educate community leaders in non-violent conflict resolution.

Lastly, in this day of $25.00 pizza "deals," the price of a bratwurst plate from the Dillon Rotary Club cannot be beat. A mere $5.00 will buy you a delicious bratwurst, a canned soda of your choice, and potato chips.

The Dillon Rotary Club looks forward to seeing you during Octoberfest!!

HUGE fundraising Book Sale for Dillon Public Library!

Help needed!

The Dillon Public Library will hold a used book sale in conjunction with the downtown Oktoberfest. The dates of the sale are Saturday, October 5th through Saturday, October 12th, 10 – 5 daily (closed Sunday, October 6th).

The Library has received an inordinate number of donations this past year, and this book sale will be huge. The Library needs help setting this sale up, running the sale and dismantling the sale when it is over. Community members who have previously signed up to be a "Friend of the Library" or are interested in being becoming a member of a Friend's group are invited to sign up for two hour shifts to help with this sale at the Public Library. Helpers with this sale will be given a free first year membership to our Friend's group and will be able to choose one free book from the sale before it begins.

The Book Sale will be held in the old IGA building. The space for the sale is being generously donated to the Library by Jackie Taylor and Dick Roberts. Proceeds from the sale will be spent on the Summer Reading program and books supporting the Library's early literacy programs.

Please consider helping out with this worthwhile project and becoming a member of the Library's new Friends of the Library group. The sign-up sheet is at the front desk of the Library or you can call the Library at 683-4544 to sign-up for a shift.

Letter to the Editor

You have to pass it to see what is in it!

While talking to Paul (my tax man) about the necessity of the new Exchange Navigator for Obamacare, we decided if you understate the following, please to move to the front of the class.

This is to clairify health insurance for your future. On January 1, 2014 PPACA becomes the Law of the Land. Each company WILL have a MLR of 80% by offering QHPs that include MEC with an EHB of 10 different categories of coverage, EHB's will vary by state. The plans to be offered will be Bronze = 60%; Silver = 70% ; Gold = 80%; Platinum = 90%, this is the actuarial value. Actuarial Value is the percentage of claims the plan pay for in-network EHBs.

in order to qualify for premium SUBSIDY people earning between 100% to 400% of the FPL "may" qualify based on their MAGI. The annual premium payment equals the price of the 2nd lowest cost Silver plan offered on the public Exchange in the state.

Lets not forget the "tax penalty". The greater of 1% or $95 individual, $285 family in 2014 then increasing 2.55 or $695 individual, $2,085 family in 2016. This on your MAG! (ask Paul).

Thanks for coming by and cheering me up!!!!!!

Dennis Jessen

China

Benjamin Franklin, one of our founding fathers said, "he who controls the purse strings controls" Guess who controls the purse strings of our nation now. That's a no brainier, it is China! I would have to say she is the cash richest country in the world at this time.

In regards to human rights, dissidents are not tolerated. Recently several schools collapsed, killing quite a large number of students. The parents protested, citing the shoddy construction of the buildings. The parents are now in jail.

Regarding our relationship with China, is the present administration so inept or do they not care about our great nation, China didn't force us to buy from them. You can't pick up anything that hasn't been made in China. They produce huge volumes of goods that are made with next to slave labor and are shoddy in workman ship. Why has the US been making the world safe for democracy in Viet Nam, Korea, Iraq, and Afghanistan to name a few, But gives China a pass? I'm concerned that China is building a huge trade surplus to use against us, "the US". Make no mistake; China is intent on being the number one world power.

The top governing body in China is the Politburo, they know communism doesn't work so they have allowed free enterprise to flourish but make no mistake about it, the Politburo is in charge and we all know they are communistic.

You can't tax your way into prosperity, you can't get out of a hole by digging it deeper.

Solution:

1. Lower taxes.
2. Eliminate the death tax.
3. Down size our bloated government.
4. Get back on the gold standard.
5. Don't listen to these countries that have all the answers. We need to march to our own drummer. It has always worked in the past and it will work again.

7 Wonders of the World
Submitted By: MJ

Some say that the seven wonders of the world are the Egyptian Pyramids, Great Wall of China, Tai Mahal, Grand Canyon, Empire State Building, St. Peters Basilica...
What about the seven wonders being; To love - To feel --To see - To hear - To touch - To taste - To laugh... There are many more than seven wonders in our world. It is just your opinion as to what they are.
