"Duck, Duck, Goose" Author

Hank Shaw is the hunter, angler, gardener, cook and an award-winning food writer. He will be signing copies of his new cookbook Wednesday, October 2nd from 4:00-6:00 at The Bookstore.

Shaw, on the forefront of the marsh-to-table revolution, provides all you need to know about obtaining, cleaning, and cooking these flavorful birds. Duck, Duck, Goose includes detailed guides on species and breeds, selecting a duck in the market, and plucking and hanging a wild bird. This cookbook is filled with delicious and doable recipes.

The most comprehensive guide to preparing and cooking both domestic and wild ducks and geese, Duck, Duck, Goose will be a treasured companion for anyone who wants to free themselves from the tyranny of chicken and enjoy perfectly cooked waterfowl.

HANK SHAW is also the author of the book Hunt, Gather, Cook and the blog Hunter Angler Gardener Cook, which won the James Beard Award for Best Blog in 2013 and the IACP Best Food Blog award in both 2010 and 2011. Shaw has been featured on the Travel Channel's Bizarre Foods and his work has appeared in Food & Wine, Organic Gardening, Field & Stream, and the Art of Eating, as well as hunting and conservation magazines such as Delta Waterfowl, California Waterfowl Magazine, and Pheasants Forever.

Goose Jerky and Duck appetizers will be served at this event at The Bookstore 26 North Idaho Street.

Montana Fish, Wildlife & Parks

NEWS

LAST FISHING RESTRICTIONS IN REGION 3 TO BE LIFTED THURSDAY

Montana Fish, Wildlife & Parks will reopen the two remaining closed stretches of the Big Hole River on Thursday, Oct. 3, at 12:01 a.m. The Upper Big Hole from the Headwaters to the North Fork of the Big Hole — closed since Aug. 9 — will reopen along with the Lower Big Hole from Notch Bottom FAS to the mouth — closed since Aug. 20. These are the last restrictions still in place in Region 3.

Closures were imposed on the Big Hole River when they reached low flow triggers established by the Big Hole River Drought Management Plan. The Drought Management Plan was the result of collaboration between landowners, recreationists and FWP as a means to protect the fishery during dry years.

FWP appreciates the patience and cooperation of water users and anglers throughout these closures.

Montana's Minimum Wage Will Increase \$0.10 January 1, 2014

Montanans earning minimum wage will see an increase from \$7.80 per hour to \$7.90 per hour on January 1, 2014.

The increase in the minimum wage is based upon any increase in the U.S. City Average Consumer Price Index for All Urban Consumers for All Items (CPI) from August of the preceding year to August of the year in which the calculation is made. This amount is to be rounded to the nearest five cents.

The current 2013 minimum wage rate is \$7.80. Based on an increase in the CPI of 1.5% from August, 2012 to August, 2013, the calculation used for determining the minimum wage rate for 2014 is as follows:

$$\$7.80 \times .015\% = \$1.2, \text{ rounded to } \$0.10$$

Montana is one of 18 states that have a higher minimum wage than the national minimum wage of \$7.25. Washington has the highest minimum wage at \$9.19.

Information relating to Montana's minimum wage may be downloaded from www.mtwagehourbopa.com or www.ourfactsyourfuture.org.

SOROPTIMIST HONORING YOUNG WOMEN FOR VOLUNTEER ACTION

It's what you do that counts! Are you a young woman between the ages of 14 and 17 who volunteers in your community or school? The Violet Richardson Award recognizes young women who make the community and world a better place through volunteer efforts that benefit women or girls especially.

Soroptimist is an organization of women whose members volunteer in their communities for its own reward but we know it feels good to be recognized, that is why we sponsor this award.

The program begins at the local club level. Club level winners then become eligible for one of 28 \$1,000 awards. One finalist will be chosen from among the 28 for an additional award, including a contribution of \$2,500 to the finalist's volunteer organization. If you think you would make a good award candidate please contact Carol Malesich of Dillon 683-2012, ccmalesich@yahoo.com for an application.

LaVon D. Brillhart

A New and Better Health Plan

The Republicans in Washington have shut down the Government over the Affordable health Care Plan. Now we need to go ahead with the Republican Health Care Program for a better America. The Republican Health Care Program is:

(1) Have a spaghetti dinner and hope you have enough friends to help pay your hospital and medical bills. Just make sure you have enough friends who like spaghetti.

(2) Sell your house, sell your car, file for bankruptcy to help pay for your medical expenses. Medical bills are now 60% of bankruptcies in the United States.

(3) The main part of the plan is their "top" plan. To eliminate any further costs and hard ships to you or your relatives, just "die". This will eliminate any further medical costs.

Another great plan, get sent to prison. The U.S. spends \$4.5 billion to provide health care for men and women in prison. Plus you get free housing and free meals. You worked hard all your life and you get nothing!

The U.S. spends \$1.2 million per minute on the military but health care is out of the question. So join the military.

The U.S. gives foreign aid to 150 different countries but health care for U.S. citizens is way too expensive.

The United States is the only civilized nation in the world that does not provide health care for their own people.

Don't call any of your Representatives in Washington and ask them about their health care plan. If you do it will make you sick.

STEELING THE MIND

B I B L E C O N F E R E N C E

Rapture ... *Prophecy* Tribulation ... 2nd Coming ...

How close are we?

For twenty years Steeling's been defending the accuracy of 2600 year-old Biblical prophecies and now we're watching daily as they stunningly unfold before our eyes! We're witnessing the most prophetic fulfillment since Jesus arrived as Messiah 2000 years ago! How exciting! But what does this mean for Believers between now and Rapture? Where are we on God's timeline? How can we best redeem the exciting time ahead?

The Bible has the answer! Whether Jesus' return is days or years away, join hundreds of other like-minded Believers to learn how to make wise decisions to better be used by the Lord with our families, friends and coworkers. So check out the speakers and topics that will steal your mind

Join us for Steeling **LIVE** Via Satellite!

9:00AM **A Mind-Bending Walk Through Revelation 12** Andy Woods (Lakewood, Colorado, TX)
Andy takes us on a walk through one of the most action-packed chapters in the entire Bible. Israel, the Messiah, Satan's crash to earth, Jesus in the Tribulation and Israel's worst day in the history of the earth are all covered.

10:00AM **The Judgment Seat of Christ** Paul Van Noy (Cincinnati, Ohio, OH)
If you think you're going to have to watch a video of your life and wince at all your life's sin, you're wrong! Paul will scripturally outline what JSC is and isn't! Outstanding! It will make you stand up and yell!

11:00AM **The True Goal of Islam & Shari'ah Law in the US** Shahram Hadian (Tomball, Texas, TX)
A Christian pastor and former Muslim, Shahram's heart is to awaken America and the church to the true agenda of Islam as a theopolitical ideology focused on establishing oppressive Islamic law (Shari'ah) in every nation. He demonstrates how Shari'ah has already infiltrated many of our governmental laws, policies and agencies and even our churches.

1:30PM **Who is Mystery Spiritual Babylon** Mike Gendron (Rocky Mountain, CO)
The Bible says that in the Tribulation, all the world will be under a one-world church—so how the heck will the Arabs and the Christians get under the same roof?

2:30PM **Daniel 2: Understanding God's Foundational Prophecy** J.B. Hinson (Nashville, TN)
Enjoy a great fun study of the statue in Daniel 2, one of the clearest of all Bible prophecies. Learn the identity of the toes and their implication for those of us alive today!

3:30PM **Why Jesus is Premillennial** David Hocking (Hagerman, ID)
One of the biggest hoaxes in the history of the Church Age is the blasphemy called A-millennial teaching. Dave uses scores of verses to expose the errors.

4:30PM **Juggling, Fibonacci, Intelligent Design & Salvation** Cooper Dauer (Tomball, Texas, TX)
Cooper is a rising name in Biblical apologetics. His presentation is targeted at youth, so as he juggles, solves the Rubik's Cube, discusses God's "Intelligent Design" and gives the salvation message, think about getting this presentation into the hands of your kids & grandkids!

7:00PM **Middle East Flames** Jack Kelley (Hagerman, ID)
This is a great study of where we are and where we're headed in the Middle East—which in turn tells us how close we are to the Rapture and the end of the Church Age!

8:00PM **The Church of Confusion** Frank Perotti (Tomball, Texas, TX)
Frank looks closely at the scriptural outline given to us by Paul in the Epistles. What are we doing well and where have we strayed off course? Are we fulfilling Bible prophecy by "tickling of ears" with our post-modern culture and marketing?
