Donald Philip Harrington

Long-time Pepsi bottler, Donald Philip Harrington, 88, passed away at his ranch home in Dillon, MT on September 30, 2013 of natural causes. He was born to Philip and Dorothy (Rooney) Harrington in Butte, MT on April 20, 1925.

Raised in Butte, Don graduated from Boys Central in 1942. While serving our country for 4 years in the Navy during WWII, he was able to travel around the world. He graduated with a Business degree from the University of Montana in 1950.

After gaining experience in odd jobs, he went to work for his father at the family Pepsi bottling business in Butte in 1953. His family started the first franchise for Pepsi-Cola in the state of Montana in 1937. Don managed Harrington Bottling Company until this summer, often commuting daily from the ranch in Dillon. He treasured and thought of his faithful Pepsi employees as his extended family.

Don's love of horses, ranching and rodeo began in his teens with visits to Hugh Murphy's ranch in Brown's Gulch. Helping start the U of MT Rodeo Team, he competed in bareback riding and calf roping. He started announcing rodeos when another announcer didn't show up and often announced while competing at the rodeo. He announced rodeos from California to Canada, including the Nat'l High School Rodeo Finals, the Nat'l College Rodeo Finals, and the NFR. Known as Mr. Pepsi, Don had many colorful friends from the rodeo world. They were friendships that last forever.

Don was inducted into the National Cowboy Hall of Fame in Oklahoma City in 2002 as the recipient of the Ben Johnson Award. This year Don was honored by the American Quarter Horse Assn. for registering Quarter Horse foal crops for 50 consecutive years.

Don and his family owned and operated a ranch in Sheridan, MT before expanding to the current location in Beaverhead County. He enjoyed his time at the ranch working with his cattle and horses. He loved working with the horses and seeing the new colt crops each spring. He took great joy in seeing the horses he raised succeed in the rodeo, horse show, and ranch worlds. He donated young horses each year to the MSU, UMW, and 4-H to help their equine programs.

Don's generosity and kindness was known country wide. He supported many colleges, schools, clubs and organizations with his expertise, time, donations, and Pepsi products. He donated the property for the Butte Saddle Club and also for

Dillon has a very important day coming up next week!

On October 8th, at 12:30 pm, Dillon will be named Train Town USA and will be the only town in Montana to have that distinction.

There will be an unveiling of the sign that will be presented and Lynn Giles or someone from the museum will talk about the history of the railroad in Dillon.

The City of Dillon has ordered cookies and lemonade from the college conference and events. If it is cold, there will be coffee and hot chocolate.

Do you know how important the

Union Pacific Railroad is to Dillon and vice versa?

In the spring of 1881 the terminus of the railroad was moved to this area, and the town of Dillon was named in honor of the president of the Union Pacific Railroad, Sidney Dillon.

During the winter of 1880-1881 all freight that was brought into Montana was distributed from Dillon and the emigrant business was the largest ever on the railroad.

The first official passenger train reached Dillon, Montana on December 15, 1880.

Come help celebrate Dillon being named

Shutting Gov't Down:

By: MJ

The media is trying to make us believe that elected republicans want only to make people suffer unnecessary pain; do without amenities/services... If you are a person that has no need to ridicule people then you're probably a person that studies the issues, keeps an open mind, gets involved, and works on finding solutions rather than pointing fingers. Why the name calling? Why can't we speak of the issues without garbage talk? Of course the reason is because we all have personal problems that we do not want to accept and deal with so we stomp our feet, raise our voices and blame other people.

ObamaCare is not a magic wand. What about the thousands of people that are being hired on a part time bases only; what about the people that are losing their jobs because businesses are cutting expenses to comply with ObamaCare??? Who is the loser when the hospitals will be required to pay penalties under ObamaCare provisions if the hospital has a high rate of 30-day re-admissions? What about the 31 million people that will still be left uninsured. (Congressional Budget Office report)

Reality is: politicians did not read nor understand this law before passing it into law. We hear about people being able to get insurance at an affordable rate yet thousands of federal employees, congressional members, union members and more have been given the right to opt out of ObamaCare. If it so reasonable and good why are they opting out and why don't we have the same privilege of opting out. We are all humans, we all put our pants on the same way and we all rid our bodies of waste the same way unless medically altered. We all should have to follow the law.

ObamaCare law is inclusive of all. You can find information that supports any and all of your beliefs.

STEELING THE MIND

BIBLE CONFERENCE

Rapture... *Prophecy* Tribulation... **2nd Coming...**

*Proverbs 27:17

How close are we?

For twenty years Steeling's been defending the accuracy of 2600 year-old Biblical prophecies and now we're watching daily as they stunningly unfold before our eyes! We're witnessing the most prophetic fulfillment since Jesus arrived as Messiah 2000 years ago! How exciting! But what does this mean for Believers between now and Rapture? Where are we on God's timeline? How can we best redeem the exciting time ahead?

The Bible has the answer! Whether Jesus' return is days or years away, join hundreds of other like-minded Believers to learn how to make wise decisions to better be used by the Lord with our families, friends and coworkers. So check out the speakers and topics that will steel your mind

SATURDAY • October 5 All times Mountain Time Zone

9:00AM **A Mind-Bending Walk Through Revelation 12** **Andy Woods** College of Biblical Studies, TX
Andy takes us on a walk through one of the most action-packed chapters in the entire Bible. Israel, the Messiah, Satan's crash to earth, Jesus in the Tribulation and Israel's worst day in the history of the earth are all covered.

10:00AM **The Judgment Seat of Christ** **Paul Van Noy** Candlelight Ministries, ID
If you think you're going to have to watch a video of your life and wince at all your life's sin, you're wrong! Paul will scripturally outline what JSC is and isn't! Outstanding! It will make you stand up and yell!

11:00AM **The True Goal of Islam & Shari'ah Law in the US** **Shahram Hadian** Truth in Love Project, WA
A Christian pastor and former Muslim, Shahram's heart is to awaken America and the church to the true agenda of Islam as a theo-political ideology focused on establishing oppressive Islamic law (Shari'ah) in every nation. He demonstrates how Shari'ah has already infiltrated many of our governmental laws, policies and agencies and even our churches.

1:30PM **Who is Mystery Spiritual Babylon** **Mike Gendron** Proclaiming the Gospel, TX
The Bible says that in the Tribulation, all the world will be under a one-world church—so how the heck will the Arabs and the Christians get under the same roof?

2:30PM **Daniel 2: Understanding God's Foundational Prophecy** **J.B. Hixson** No In Words, IL
Enjoy a great fun study of the statue in Daniel 2, one of the clearest of all Bible prophecies. Learn the identity of the toes and their implication for those of us alive today!

3:30PM **Why Jesus is Premillennial** **David Hocking** Hope for Today, CA
One of the biggest hoaxes in the history of the Church Age is the blasphemy called A-millennial teaching. Dave uses scores of verses to expose the errors.

4:30PM **Juggling, Fibonacci, Intelligent Design & Salvation** **Cooper Dauer** in2minds.org, CA
Cooper is a rising name in Biblical apologetics. His presentation is targeted at youth, so as he juggles, solves the Rubik's Cube, discusses God's "Intelligent Design" and gives the salvation message, think about getting this presentation into the hands of your kids & grandkids!

7:00PM **Middle East Flames** **Jack Kelley** gracebeyondfaith.com, Mexico
This is a great study of where we are and where we're headed in the Middle East—which in turn tells us how close we are to the Rapture and the end of the Church Age!

8:00PM **The Church of Confusion** **Frank Peretti** Best-Selling Author, ID
Frank looks closely at the scriptural outline given to us by Paul in the Epistles. What are we doing well and where have we strayed off course? Are we fulfilling Bible prophecy by "tickling of ears" with our post-modern culture and marketing?
