ALL-STATE BAND/CHORUS

A record number four-
teen student musicians
from Beaverhead County
High School were select-
ed to perform in the 2013
Montana All-State Band
and Chorus. These honor
groups are held in con-
junction with the Annual
Montana Music Educa-
tors Association Conven-
tion held in Bozeman.
The convention will take

place October 16-19, with a Gala Concert on Friday, October 18,
at 7:00 pm in the Brick Breeden Fieldhouse on the MSU campus.

Band students selected were Taryn Mercer, tenor saxo-
phone, and Randy Taylor, tuba. Kayla Bojkovsky, Rebekka
English, Reilly English, Juliet Hollifield, Kaitlin Kimzey,
Shelby Kluesner, Jace Kuntz, Kelton Lochridge, Allie Mor-
stein, Carmen de los Rios, Elly Sawyer and Emilee Starkel
were accepted to the Choir. Alternate was Curen Feliciani.

Students are selected through recorded auditions in the
spring. Notice of selection and music is sent in late August.
Musicians prepare music in advance and rehearse for two
days with nationally renowned guest conductors, before pre-
senting the Gala Concert.

Dr. Axel Theimer, a native of Austria, where he was a
member of the Vienna Boys Choir, will be the conductor for
this year's Choir. He is now in his 45th year on the music
faculty at St. John's University and the College of St. Bened-
ict. Dr. Theimer received much of his training in Austria and
completed graduate degrees at the University of Minnesota.
He is an active recitalist, conference presenter, and director of
several Minnesota musical ensembles.

Mark Scatterday is professor of Conducting and Chair of
the Conducting and Ensembles Department at the University
of Rochester's Eastman School of Music. Having received a
Doctor of Musical Arts in Conducting at the Eastman School
of Music in 1989, Dr. Scatterday has directed wind ensembles
and orchestras throughout North America and Asia. He main-
tains an active guest conducting schedule and will be con-
ducting the 2013 All-State Band.

Beaverhead County High School has the distinction of be-
ing among a small number of schools who have had students
present at every All-State Festival since records were kept.
Directors at BCHS are Laurie Hagenbarth, Vocal Music and
Christopher Kloker, Instrumental Music.

The Long List Of Needless Closures In Barack Obama's Shutdown Offensive. October 8, 2013 by Ben Bullard

It's finally happened: Someone has started a running list of all the unnecessary closures, barricades and service suspensions the Obama White House is perpetrating as part of the President's deceitful, backwards campaign to convince America that the House of Representatives is holding hostage the political process – and 300 million citizens with it.

As of Tuesday afternoon, Breitbart had tallied 41 instances of the Administration's punitive tactics since the Oct. 1 government "shutdown" kicked in. Some are more egregious, in their effects, than others – but all betray a commitment to waste more resources punishing people than would be required to simply let them be.

From Breitbart, here are a few lowlights:

3. Furloughed Military Chaplains Not Allowed to Work for Free – Furloughed military chaplains willing to celebrate Mass and baptisms for free have been told they will be punished for doing so.

10. Obama Tries to Close State-Run Parks in Wisconsin – "The park service ordered state officials to close the northern unit of the Kettle Moraine, Devil's Lake, and Interstate state parks and the state-owned portion of the Horicon Marsh, but state authorities rebuffed the request because the lion's share of the funding came from state, not federal coffers."

5. Arizona Offers to Fund Grand Canyon, Obama Says 'Drop Dead' – "Obama has ordered the Grand Canyon to stay closed, even after the state of Arizona and local businesses have offered to cover the costs necessary to keep it open. In other words, the shutdown isn't about the money — it's about

hurting the American people just because he can."

1. Although Privately Funded, Historic Ford's Theater Closed – "Ford's Theatre, which is a private non-profit 501(c)(3) organization, does not use any federal funding or federal employees for its performances. During previous government shutdowns, the theatre has continued performances."

39. Iwo Jima Memorial Closed, Barricades Erected – "Another open-air memorial in the Washington area is closed and barricaded off: the Iwo Jima Memorial, just across the bridge from D.C. in Rosslyn, Virginia. A source sends along this picture of the barricade set-up at the memorial, which is also called the U.S. Marine Corps War Memorial."

41. Shutdown Denies Death Benefits to Families of Fallen Soldiers – "The families of five U.S. service members who were killed over the weekend in Afghanistan have been notified that they won't be receiving the \$100,000 benefit normally wired to relatives within 36 hours of the death. The 'death gratuity' is intended to help cover funeral costs and help with immediate living expenses until survivor benefits typically begin."

Stunt at WW II Memorial Shows More Evidence Obama is a Thug

By Doug Patton

Imagine you are a veteran of World War II approaching your 90th birthday. This may be your last opportunity to visit the memorial that was erected to honor your service. You have come to your nation's Capital, only to find that your president has ordered that memorial barricaded to keep you out.

As a teenager, you jumped off a landing craft into the surf at Omaha Beach and watched as your buddies were cut to pieces in the sand. Or maybe you endured the horrors of Iwo Jima or Guadalcanal battling the Japanese in the Pacific.

You did your duty, endured the horrors of war, and miraculously survived it all to come home, asking only for the opportunity to start a family, perhaps build a business, and generally enjoy the liberties you had fought so hard to defend. You paid taxes all your life to support your government.

So why would the Obama administration choose to close your memorial? Because it was calculated that it might be useful to this man's propaganda campaign to convince the American people that the current government "shutdown" is the fault of the opposing political party. It's as simple as that. And yes, he really is that petty.

It is long past time for the American people to embrace the reality that Barack Obama is a Chicago street thug in a thousand dollar suit. He is ruthless, arrogant, imperious, and filled with disdain not only for those who oppose him but also for the ignorant voters who put him in office. Anyone who would deign to work for his administration has sworn allegiance to an ideology that is anathema to the Founders of this country and the Constitution they crafted.

Every day it becomes more difficult to catalogue the abuses of this president and his regime. He has lied about foreign and domestic policies; grossly wasted our tax dollars; punished legitimate business owners with punitive taxes and crushing regulations; misappropriated funds — anyone seen that \$20 billion he extorted from BP after the Gulf oil spill? — used the NSA to spy on us; used the IRS to threaten those who oppose his agenda; embarrassed us abroad; endangered our national security; enforced the laws he likes and ignored the ones he doesn't; and generally twisted our Constitution into a large pretzel.

It's as though he was conceived in a petri dish by mad scientists and raised by leftist intellectual radicals who suddenly unleashed him on this country from out of nowhere. He is not the stuff of which this nation was built. Quite the opposite. As a member of my family is fond of saying, "He's not one of us."

In a recent press conference, he showed his incredible ignorance of and hostility toward the private sector when he compared the rollout of his one-party power grab of the nation's health care system — with the clear goal of wrecking it — to the introduction one of Apple's latest products. As if I'm forced to buy an iPhone.

And now his regime tries to close the World War II Memorial in Washington, D.C., to the very people it was erected to honor. Only after being faced with a negative public relations nightmare did the National Parks Department relent and allow these brave men to visit their memorial, which never should have been closed to them, or anyone else, in the first place. How stupid do these people think we are that they can expend the resources and manpower to set up barricades around an open-air memorial during a supposed government shutdown?

If you are not incensed by the fact that your president tried to keep the courageous men who saved this nation from Nazi Germany and Imperial Japan seven decades ago from seeing their memorial, then you are either an enemy of this country or you are a brain-dead idiot.

Sylvester is a 3 year-old, neutered, Domestic Long Hair, cat. Sylvester is a lovable affectionate long haired Tuxedo boy. He can't get enough love and comes looking for more whenever visitors come to the shelter. He is so eager to find a forever home.

Pete is a 4 year-old, neutered, white & black Domestic Short Hair cat. Pete loves to lie in the sun and play with his favorite toy: a long fleece string attached to a stick. This way he has fun and gets the exercise he needs.

Jax is a 2 year-old, neutered, Domestic Short Hair. Jax is a beautiful unique tuxedo with a funny face. He is relaxed and gets along well with all the cats at the shelter.

Teddy is a 1 year-old, spayed, Domestic Short Hair. Teddy may appear to be just a plain black kitten...but surprise! She is a real rare Polydactyl with extra toes on her FRONT and BACK paws....a little treasure for the Hemingway cat fan!

Link is a 1 year-old, neutered, Domestic Short Hair. Link could be the missing link you need to complete your family. Nobody has a face like his and he loves to play and run around the house looking for adventure.

We have a nice selection of dogs at the shelter. Call to find out more information on any dog that is available for adoption.

To get more information about these great pets or any of the other wonderful animals at the BVHD Animal Shelter call 683-8119 or stop in to visit at 80 Lagoon Lane. The shelter is open Monday, Tuesday, and Thursday, Friday, & Saturday. We are closed on Wednesday and Sunday.

Please support your local Animal Shelter; every little bit helps.

Dillon Medical Clinic

would like to say a sincere

Thank you

To the over 13,000 patient visits seen since opening less than 5 yrs ago.

We appreciate you who have trusted us for your healthcare needs.

Amid America's growing pains, she is still the best country God ever created. In our clinic, there is a 1917 photo of a hard working horse in harness, doing its job.

"Pull it one more mile" is its caption.

I thank my Lord Jesus Christ for the opportunity to do the same in this land of free enterprise, shoulder to shoulder with my fellow Americans.

Together, WE CAN make it through the present healthcare hurdle!

We will be continuing our policy of delivering same day quality healthcare with **no appointment necessary** throughout the coming years.

We will strive to maintain affordable rates & timely visits.

We look forward to seeing more of our friends, neighbors and visitors.

I've lived in Dillon for 20 years, and Lord willing, I'm here to stay!

THANK YOU, THANK YOU, THANK YOU!

With heartfelt thanks,

Tery
