BARRETT HOSPITAL & HEALTHCARE PHYSICAL THERAPISTS TEAM UP WITH YMCA

Beginning October 22nd, physical therapists from Barrett Hospital & HealthCare will be teaming up with the Southwestern Montana Family YMCA to provide free posture, balance, and injury screenings. Physical therapists can help determine if exercises utilizing the YMCA equipment would be beneficial, or if folks will need to seek further evaluation. Sessions will take place on the 4th Tuesday of every month from 5-7 PM. There will be two time slots available every 30 minutes for a total of 8 slots each month.

Barrett Hospital & HealthCare has four physical therapists, all of whom are trained to provide these screenings. They are Christy Gunn, DPT, Jenelle White, DPT, Kathryn Hatch, MPT, and Marybeth Wilson, DPT.

For more information about the free screenings or to book your time with a physical therapist, please call Todd Rouse of the YMCA at (406) 683-9622 or the Rehab Services Department at (406) 683-3098.

OPERATION CHRISTMAS CHILD COLLECTION WEEK

It's that time of year again to start packing shoeboxes. Millions of children around the world need to know that someone cares for them. A single shoebox filled with gifts has a tremendous affect on children living in orphanages, severe poverty and war-torn areas of the world.

This year marks the twentieth anniversary of Operation Christmas Child. Since 1993, more than 100 million children have been touched by the power of a simple gift. Every shoebox is a tool that can be used by God to reach one more child with the Good News of Jesus Christ.

If you would like to be a part of this amazing ministry contact Barb Kramer at 925-0659. I can provide you with information on how to pack a box and prepare it for shipping. If you have boxes to go to the relay center please drop them off at West-Feeds, 945 N Montana St. any time Tuesday through Friday from 8:30 to 5:30. I will be taking boxes to Butte on Saturday, November 23rd or Sunday the 24th.

Why I Want to Be A Pilot

By Tommy Tyler, 5th grade, Jefferson School, Beaufort, S.C.

When I Grow up I want to be a pilot because it's a fun job and easy to do. That's why there are so many pilots flying around these days. Pilots don't need much school; they just have to learn to read numbers so they can read their instruments. I guess they should be able to read toad maps, too, so they can find their way if they get lost.

Pilots should be brave so they won't get scared it it's foggy and they can't see, or if a wing or motor falls off they should stay calm so they'll know what to do. Pilots have to have good eyes to see through clouds, and they can't be afraid of thunder or lightning because they are so much closer to them than we are.

The salary pilots make is another thing I like. They make more money than they know what to do with. This is because most people think that plane flying is dangerous, except pilots don't because they know how easy it is,

I hope I don't get air-sick, because I get car-sick and if I get air-sick I couldn't be a pilot, and then I would have to go to work.

Letter to the Editor

Where in the World is this Country Going?

Close down the World War II Memorial Why? These brave men fought so we could have freedom and this is the thanks they get.

We have two family members who gave there lives and are buried somewhere over there and some think that these World War II Vets deserve better. Close down their memorial! Who ever ordered this, does not know their history very well. This is about as low as it can get!

I take my hat off to all vets for what they did, to save our freedom, and my prayers go out to you. Thank you.

I'm yours respectfuly

SWEET THOUGHTS

Can you believe it's October already? You know what that means? Yes!! Candy!. I would have written before now but I had to wait until "payday." But I must tell you the news. Some is "sweet", some is "sour". Now please don't "snickers", it's ok to "chuckles" or throw "kisses". The bad news is "baby ruth" fell off the couch. She took a big "tootsie roll", but her "sugar daddy" picked her "chunky" little body up and put her back in the "raisnet". I am also sorry to report my "kit kat" ate a "dove. What a mess, worse than "gummy bears" all over the yard. It was like a "bazooka" from the "3 musketeers." Also the "nerds" that live down the block from the "smarties" had to go to court. "Mr. goodbar" counted on his "butterfingers" all the times he had to settle their arguments. He advised them to play "skittles" and look at the "milky way". He said this would bring them "almond joy". He advised them to stay out of the "mounds bar". He advised them to harvest the "candy corn" and gather the "cadbury eggs". I know this isn't the news you wanted to hear but I didn't want it to be a "jawbreaker." No matter what you hear, it is not true that "M&M's were named after Marty Malesich. This should be "good and plenty". "Kisses" for everyone. Please remember and don't forget, don't throw candy from a moving house on Halloween night. I hope all you "jolly ranchers" have a good Halloween. And don't forget to keep "skor".

View of a Young Doctor

Diagnosis, prognosis and cure in just three (3) short paragraphs !!!

If you doubt any part of what this doctor says, go visit a large hospital emergency room as an observer for an hour or so some Friday or Saturday night.

This short letter to the White House accurately puts the blame on a "Culture Crisis" instead of a "Health Care Crisis". It's worth a quick read:

Dear Mr. President:

During my shift in the Emergency Room last night, I had the pleasure of evaluating a patient whose smile revealed an expensive shiny gold tooth, whose body was adorned with a wide assortment of elaborate and costly tattoos, who wore a very expensive brand of tennis shoes and who chatted on a new cellular telephone equipped with a popular R&B ring tone.

While glancing over her patient chart, I happened to notice that her payer status was listed as "Medicaid"!

During my examination of her, the patient informed me that she smokes more than one costly pack of cigarettes every day and somehow still has money to buy pretzels and beer.

And, you and our Congress expect me to pay for this woman's health care? I contend that our nation's "health care crisis" is not the result of a shortage of quality hospitals, doctors or nurses.

Rather, it is the result of a "crisis of culture", a culture in which it is perfectly acceptable to spend money on luxuries and vices while refusing to take care of one's self or, heaven forbid, purchase health insurance. It is a culture based on the irresponsible credo that "I can do whatever I want to because someone else will always take care of me."

Once you fix this "culture crisis" that rewards irresponsibility and dependency, you'll be amazed at how quickly our nation's health care difficulties will disappear.
