BANNACK GHOST WALKS FILLING UP

FRIDAY & SATURDAY, OCTOBER 25th and 26th .....

When the October moon rises over Cemetery Hill above Hangman's Gulch beware of things that go bump in the night at Bannack! The ghosts of Bannack come alive for two special performances each night presented by the Bannack Association. Meet the ghosts of Henry Plummer, Dutch John Wagner, Cyrus Skinner, Chief Snag, Doctor Glick, Nellie Paget and many more rogues from Bannack's colorful past. Based on historical events that occurred at Bannack these spooky reenactments are sure to entertain you.

This annual fund raiser for the Bannack Association has two shows nightly, the first at 7:00 pm and the second at 9:00 pm. Each show is limited to 100 people so reservations are required. The 7pm show on Saturday night is already filled so get your tickets soon. Dress warm, bring a flashlight and prepare to meet the ghosts of Bannack. Admission is $10.00 for adults and $5.00 for children 12 years old and under. Tickets must be paid for in advance, no refunds. The shows are not recommended for children under 6 years old. Pets are not allowed. Be sure and make your reservations soon while there are still openings. Walk it if you dare!

Call the park at 834-3413 to make reservations for the Ghost Walks or for more information.

The park is open from 8 am until dusk every day. Bannack State Park is located 25 miles southwest of Dillon, just 4 miles off Highway 278.

The Art of Exer-Socializing

Some of us were born loving exercise. For the rest of us, it can feel like a chore, or even a punishment. If that sounds familiar, we've got an idea for you: Partner up. People who walk, run, swim, go to the gym or attend classes with a friend or fitness pal reap the benefits of the buddy system.

Make an appointment with a friend or workout acquaintance to get physical -- whether at the gym, in the neighborhood, or even for an afternoon of bowling, skating, or brisk mall walking (but not window shopping -- that hardly counts!) You'll also experience the magical combination of socializing and exercising.

LETTER TO THE EDITOR

How would you like to have your own public elk herd? Where only you and your friends can hunt? Even better, how would you like to have the Beaverhead County Commissioners declare "emergency" road closure for a second year in a row to everyone but you? These roads will still be open to Montana's most inexperienced hunters (two-day youth hunt, ages 12-15). The Fish, Wildlife and Parks issued 400 anterless tags by drawing in WMU 300 near Lima. The Commissioners claim this "emergency closure" is needed as hunters that cannot control themselves, might shoot each other or trespass onto private lands. Shooting from roads, hunting private lands without permission, shooting more than one animal, using the tag of another, and shooting each other are already illegal. No new restrictions are needed. These added road closures are like having a belt and suspenders for landowners and their friends.

Hunters and landowners should remember all you need to know is respect for others, taught you in kindergarten. Perhaps solutions like anticipation that hunting season is not an "emergency," it comes every year and that ranches are located in some of these areas? They might consider to curb liquor and gasoline sales, have managed damage hunts, improved Landowner-hunter relations, opening additional lands to hunting, public comments at commissioner meetings, more non-resident hunters and patrolling by underworked County and Fish, Wildlife and Parks personnel? Then one must consider the spread of brucellosis to livestock by concentration of elk on private lands. Many management tools are available if they are used. If you try hard to think about it.

Robert Bump, Dillon

Letter to the Editor

REPUBLICAN ECHOLALIA

Way back in 1961, Ronald Reagan, a class B movie and T.V. Actor, warned Americans of dire consequences if Medicare was enacted into law. Mr. Reagan said:

"One of these days you and I are going to spend our sunset years telling our children and our children's children what it once was like in America when men were free."

Sound familiar? Ironically, President Reagan's "sunset years" were spent in the foggy world of advanced dementia where he received excellent medical care to which retired government employees are rightfully entitled.

Today, neo-Reaganites are telling Americans we owe it to our children and our children's children to repeal the Affordable Care Act (ACA) so we can have freedom as we know it. Sound familiar?

Just what is this freedom these folks are babbling about? Is it freedom to be priced out of the health care market due to ever increasing insurance premiums or being denied coverage because of a pre-existing condition? Is it the freedom to lose your coverage due to job or business loss?

As a man in his "sunset years", I ask myself, should I be involved in suggesting health care policies or leave it to this new generation to fix things? With that said, I am optimistic by how young people have, for the most part, embraced universal miscegenation along with the natural evolution of human values. And it's refreshing to view that old Argentine in the Vatican showing signs of being young at heart.

In reality it's out with repressive conservatism and in with progressive humanism.

MIKE MOSOLF

Editors Note: Regardless of what side of the isle you are on - I am having trouble personally chocking down the (Affordable Care Act) numbers. I am a mother with two children on my insurance. As of Dec. 31, my premiums are $533.82 with a $6,000 per person deductible, $12,000 per family. My son has diabetes and we meet our deductible every year. My math shows that to be $1000 per month plus $533.82 - yes $1533.82 a month or $3,000 each and $6,000 per family if we want to pay 20% of the bills?? Affordable for WHO? Anyone out there have some answers??

Dillon Medical Clinic

would like to say a sincere

Thank you

To the over 13,000 patient visits seen since opening less than 5 yrs ago.

We appreciate you who have trusted us for your healthcare needs.

Amid America's growing pains, she is still the best country God ever created.
In our clinic, there is a 1917 photo of a hard working horse in harness, doing its job.
"Pull it one more mile" is its caption.
I thank my Lord Jesus Christ for the opportunity to do the same in this land of free enterprise, shoulder to shoulder with my fellow Americans.

Together, WE CAN make it through the present healthcare hurdle!

We will be continuing our policy of delivering same day quality healthcare with **no appointment necessary** throughout the coming years.
We will strive to maintain affordable rates & timely visits.
We look forward to seeing more of our friends, neighbors and visitors.
I've lived in Dillon for 20 years, and Lord willing, I'm here to stay!

THANK YOU, THANK YOU, THANK YOU!

With heartfelt thanks,

Tery
