Constance Maureen Shultz

Constance Maureen Shultz "Connie" passed away Saturday, Oct. 5, 2013, due to an excruciating battle with cancer.

Connie was born Feb. 25, 1943, in Great Falls to Ralph Nebel and Eunice Freie Arrigoni.

As a young girl she was raised on a farm in Dillon and was educated in the Dillon public schools.

While in high school she was a cheerleader and excellent with the baton. Mama was a Rainbow Girl while working her way to The Order of the Eastern Star. On top of that, she was a beautiful pianist.

She married Bill Martin - her high school sweetheart - and they moved to Missoula where they attended the University of Montana. Mama was a Delta Gamma and worked with the Native American Coalition. Bill was in the Air Force and they moved to Florida where she developed her love for collecting sea shells. They are beautiful, I must say.

After their divorce she went to work as an office manager at The Title Guarantee Company of Missoula. While she was working, she met the love of her life, Bert Shultz, while he and his partner, Michael Jurasek, were playing a joke on the owner.

Connie and Bert were married in Couer d'Alene, Idaho, in 1973. In 1976, I was born. As my father would say, I came along a little too late in life! Ha ha! They moved to Polson where my mama loved her gardens, brunch on the water and out fishing with Bert. Our best times together were listening to music and talking till the wee hours of the morning. She and Dad made a trip to Vegas where they could see Tony Orlando and Dawn. Mama loved Tony and Dad loved Dawn. It worked out well for all five of them.

I bought a home where mama and I could live together forever, yet futures have a way of falling down mid-flight.

She was a loving wife, mother - you name it. She had beauty, a sense of humor - everything. She was a true lady. People always said she was the most beautiful woman to ever step out of Dillon. She was the most beautiful person I have ever come across. I was blessed with amazing parents and a wonderful family.

Connie is survived by her daughter, Maureen Constance Shultz, and Billy Martin, Mason Shultz, Beth Shultz Gregg and family, Reid Shultz and Joseph Arrigoni; the Giles, Hollands and Nebels of Great Falls; and her faithful companions,

provements in their urban forest in 2013. Applicants for the awards must propose 2014 projects that showcase innovative, creative ways to raise awareness about urban forestry in their communities.

In addition, one of these three communities will be chosen by the Governor's Office to host next year's State Arbor Day Celebration. This means that Governor Bullock will help plant a tree and celebrate Arbor Day in the selected community.

Dillon is only a three year member to the Tree City USA program yet they have made major improvements in its urban forest. Dillon completed an urban forest inventory and has been implementing its tree management plan.

The Dillon Tree Board hosted the 2013 Northern Rockies Tree School, attracting over 150 tree care professionals from five states.

The Great Harvest Bread Company which is headquartered in Dillon has rewarded the Dillon Tree Board with over \$10,000 worth of proceeds from its most recent sales event.

Dillon's urban forestry efforts have attracted the attention of NorthWestern Energy Company (NWE). Dillon received \$5,000 from NWE and NWE employees helped plant trees in its community in September.

Duke Gilbert, Dillon City Attorney, accepted a \$7,500 grant award for the City from Governor Steve Bullock and MLCT President Bill Bronson for Dillon's dedication to creating and maintaining an urban forestry program in the community.

OPERATION CHRISTMAS CHILD

It's that time of year again to start packing shoeboxes. Millions of children around the world need to know that someone cares for them. A single shoebox filled with gifts has a tremendous affect on children living in orphanages, severe poverty and war-torn areas of the world. This year marks the twentieth anniversary of Operation Christmas Child. Since 1993, more than 100 million children have been touched by the power of a simple gift. Every shoebox is a tool that can be used by God to reach one more child with the Good News of Jesus Christ. If you would like to be a part of this amazing ministry contact Barb Kramer at 925-0659. I can provide you with information on how to pack a box and prepare it for shipping. If you have boxes to go to the relay center please drop them off at WestFeeds, 945 N Montana St. any time Tuesday through Friday from 8:30 to 5:30. I will be taking boxes to Butte on Saturday, November 23rd or Sunday the 24th.

HEIFERS FOR SOUTH DAKOTA

Heifers for South Dakota was established earlier this month to provide relief for the livestock producers who were badly affected by Winter Storm Atlas. In early October, Atlas devastated South Dakota destroying livestock herds across the region. In an effort to take care of our own, Heifers for South Dakota was a movement started in Miles City that has spread across the country in a very short amount of time.

Branches have been established in the follow areas of Montana: Baker, Bozeman, Chinook, Circle, Dillon, Great Falls, Miles City and Shelby. Wyoming, North Dakota, South Dakota, Nebraska, Minnesota, Iowa, and Utah have joined the cause. As of Saturday, 100 head of livestock had been pledged through the Heifers of South Dakota. Heifers for S. Dakota is the facebook page that has been started to inform the public about what we've been able to do so far and the progress of our organization. Also, visit helpforsouthdakota.com for more information about what can be done to help.

Southwest Montana is doing its part in helping our neighbors in South Dakota. Please visit our facebook page Southwest Montana Ranchers for South Dakota. Our goal is to be able to gain enough pledges to sent a load of cattle to help the relief efforts. The cut off date for pledging is November 9th. Anyone wishing to pledge a replacement heifer calf, bred cow, bred heifer, or bull please contact Hope Kincheloe at hope.kincheloe@gmail.com or (406) 320-0060. Remember that those involved in production agriculture are just a natural disaster away from falling on hard times and it is times like this that we rise to the occasion to lend a helping hand to our friends and neighbors.

VIRGINIA CITY LIBRARY

The funds will be earmarked for construction costs associated with the library expansion, slated to begin construction sometime in Spring 2014.

The Butler

By: MJ

It is not only the politicians that stretched the truth beyond recognition -- Hollywood follows the same path. Recently the movie, "The Butler" was shown at the local theater. The producers took a beautiful story about a real man's life and twisted it into something that people would pay to see.

The truth: Mr. Eugene Allen served in the White House as a butler to eight (8) presidents from 1952 to 1986. Eugene Allen grew up in segregated Virginia, got a job at the White House and rose to become, the highest position in White House service? Mr. Allen was married for 65 years and had one son who served honorably in Vietnam and never participated in protesting racial injustice, pre or post-civil rights era.

Screenwriter Danny Strong said he was trying to present a "backstage kind of view of the White House" that portrayed presidents and first ladies as they really were in everyday life. If this was true why then did Mr. Strong make movie about Mr. Eugene Allen and his life?

Hollywood's version was a dishonor to Mr. Eugene Allen.

Other Harassment**

Dillon Job Service has been presenting a series called the 12 Danger Zones. This is an employment law training

Brown Bag series of videos for Business Owners, Managers and Supervisors. These presentations are being held on Thursdays at Stockman Bank. This week's presentation, "Other Harassment" is being facilitated by Susan Briggs, Vice Chancellor from the University of Montana Western. Susan has received extensive training in this area and brings her knowledge to the video presentation from HR Hero. Most supervisors are aware that harassment is a serious legal problem for employers, but do they understand just what constitutes harassment? Unfortunately, many think sexual harassment is the most serious legal danger, but facts show that many types of harassment can land employers in potentially devastating legal trouble. Supervisors can protect their employers if they're trained to prevent harassment, recognize it if it occurs, and properly investigate, discipline, and document. These presentations are free to the public. Please bring your lunch and come join us. 12 noon, Thursday, October 17th, Stockman Bank.

A Surgical Technologist

Q. Who is that masked person garbed in blue wearing a funny hat and goggles?

A. A Surgical Technologist

Barrett Hospital and Healthcare employs three surgical technologists. We assist with general, orthopedic, OB/Gyn, ENT, and endoscopic procedures.

Surgical technologists are specifically trained allied health professionals that are responsible for maintaining the integrity of the sterile field. Our motto is "Aeger Primo" meaning "The Patient First". As a scrub tech, we help ensure that the operating room is safe, that equipment functions properly, and that the operative procedure is conducted under conditions that maximize patient safety. We use our expertise in asepsis to prepare the sterile field with surgical instruments, sterile drapes, solutions, and medications. We have the knowledge of hundreds of surgical procedures and the steps the surgeon needs to take in order to complete the procedure including the very wide range of surgical instruments they may need. A single surgery may require more than 600 instruments and various types of equipment. Our goal is to anticipate the next move the surgeon is going to make in order to make the procedure as smooth and efficient as possible because every moment a patient is in surgery, the risks related to anesthesia and bleeding increase. Surgical patients under anesthesia cannot make decisions or act on their own behalf and must rely on the members of the surgical team. Successful surgeries require a team effort and having a competent, educated surgical technologist on the team is vital.

FREE BREAKFAST

Come one; come all to the annual Montana National Guard Armory Veterans Day Breakfast. All members of the community...city, county or just passing through...are invited to FREE breakfast at the Dillon National Guard Armory.

Area residents have been very supportive of veterans' events of the past years...Stand Downs, Garage sale, Memorial Day observances, DAV Van operations, and the Youth Challenge Program to name a few. This is our opportunity to return the favor.

November 11 is Veterans Day. You are invited to start your day right with breakfast with the Veterans. Breakfast will be served at the Dillon National Guard Armory between 06:30 and 10:30 or 6:30 AM to 10:30 AM. November 11 is a work day so we are starting breakfast early this year!

Sponsors for the breakfast include:

Montana National Guard, Dillon Armory

Dillon's American Legion Post 20

Beaverhead VFW Post 9040

Dillon's Masons

Montana Youth Challenge Program

Taco John's

KDBM/KBEV Radio

Womack's Printing Place

UMW's Veterans and Military Support Center

There will be a silent auction this year including hats that belonged to the late General Womack.

There is no charge for breakfast but donations are always welcome and so are volunteers.

Dillon Medical Clinic

would like to say a sincere

Thank you

To the over 13,000 patient visits seen since opening less than 5 yrs ago.

We appreciate you who have trusted us for your healthcare needs.

Amid America's growing pains, she is still the best country God ever created. In our clinic, there is a 1917 photo of a hard working horse in harness, doing its job.

"Pull it one more mile" is its caption.

I thank my Lord Jesus Christ for the opportunity to do the same in this land of free enterprise, shoulder to shoulder with my fellow Americans.

Together, WE CAN make it through the present healthcare hurdle!

We will be continuing our policy of delivering same day quality healthcare with **no appointment necessary** throughout the coming years.

We will strive to maintain affordable rates & timely visits.

We look forward to seeing more of our friends, neighbors and visitors.

I've lived in Dillon for 20 years, and Lord willing, I'm here to stay!

THANK YOU, THANK YOU, THANK YOU!

With heartfelt thanks,

Tery
