Feds Post No Trespassing Sign in Montana

Submitted by Don Copple

According to a Dillon, Montana hunter, federal officials placed "no trespassing" signs up at a wildlife refuge in Southeast Montana, and then personally blocked the bow hunter from accessing state lands.

Here's the note from Don Copple: (h/t TodayInDillon.com)

Recently, I planned a bow hunt in the Southern reaches of Beaverhead County. I planned out my hike on a trail on public land, to access state lands behind posted private property. This portion of the Red Rocks Refuge is typically open for hunting big game. Shortly after

suiting up, with bow in hand, and anticipation of a good hunt, I was confronted by the refuge manager in his private rig, and informed the refuge was closed. I said that I knew the Government was shut down, so expected facilities such as campgrounds, offices and outhouses to be locked. I proceeded to let him know I was just going to walk up the trail to access State lands. He said, you can't, didn't you see the sign, the refuge is closed due to the Government shutdown. It's kind of hard to see a sign while it is still dark, but told him I would look at it. I asked the question, are you serious? He said he was, and told me I couldn't park in this spot on the County road either, the parking spot is about 500 yards back on the road from the trailhead, but I can't hike it anyway, because it is closed. Again, I said I just want to get to the State land, he said, I know, it's hard. Hard isn't the word, impossible is more like it, as this is the only public access. I understand closing land access due to public safety, or national security, but this is a blatant misuse of government power. To deny access to our public lands is ludicrous, and I think illegal. I don't blame the Republicans for this land shutdown, or the shutdown of our national monuments. The administrators work for the Presidential Cabinet. Maybe these field managers are following the direction of the particular agency administrator, but they are treating this public land as if it is their privately owned land. My Forefathers did not fight and give up their lives so the king could keep his peasants off his lands. The Government does not own these lands, they have agencies that have jurisdictional management responsibility.

ties. The US Fish and Wildlife Service does not provide safety services in regard to this particular trail, unlike the National Parks. If I injured myself, the Search & Rescue and County Sheriff would have the responsibility to locate me and rescue me.

Remember this next fall. Vote to keep our country free. Vote to keep these public lands in the ownership of the People.

SUPPORT RECEIVED FOR SOUTH DAKOTA LIVESTOCK DRIVE EFFORT

After announcing the effort last week, Citizens for Balanced Use has received calls of support and nearly 20-pledges of livestock and other donations to help devastated South Dakota producers.

"CBU is working on the logistics and is optimistic about the Montana producers who are stepping up to help our neighbors to the East," said Kerry White, CBU Executive Director. "We're collaborating with several agencies and organizations to make sure that these donations will be accepted in South Dakota and how to best identify the producers who need the relief."

CBU learned Tuesday that nearly 6,000 ranchers were affected by last month's losses and that the head count of total lost livestock is approaching 100,000 head.

Citizens for Balanced Use is accepting donations that will be sent to South Dakota producers. Because of CBU's non-profit status, donations are tax-deductible. Donations of both certified/inspected livestock and monetary support can be given by contacting barquatercircle@gmail.com.

Further instructions on shipment and other factors will be announced to pledgees and others as logistics are refined.

ATLANTIC STREET RENOVATIONS

The City of Dillon has been chosen as 'Tree City of the Year 2013' by the Montana Department of Natural Resources & Conservation (DNRC) and Montana Urban & Community Forestry Association. The Dillon Tree Board submitted an application last month to the DNRC proposing to partner with NorthWestern Energy, the Montana Department of Transportation (MDT), and the City of Dillon to improve and enhance the 12 block corridor of Atlantic Street and Montana Highway 91. This award includes grant monies of \$7,500 to be used to prune the existing trees, and plant appropriate replacement trees.

MDT has begun the removal of decadent trees and those damaged by the recent snowstorm. NorthWestern Energy will help in the removals of those trees conflicting with the utility lines. Some trees which interfere with the line of sight at intersections will also be removed for both pedestrian and vehicular safety, for example the two green ash trees at the intersection of Center and Atlantic Streets.

This winter the Tree Board and City of Dillon will contract with a certified arborist to prune the remaining trees on Atlantic, Center and Helena Streets. Because many of these trees have never had proper pruning practices performed, it's difficult to prune them for maximum safety after one pruning. Some of these trees were topped in the past which leaves them highly vulnerable to storm damage. Recent studies have found that epicormic branching that occurs after topping is 30% weaker than trees that weren't topped. Proper arbor care needs to begin when trees are young to promote good structure and shape. With the correct pruning, trees have a much better chance surviving severe storms and they are more aesthetically pleasing.

The goal of this project is to continue the work done on the boulevards at St. Rose of Lima Catholic Church where the boulevards were brought back to grade, Bur Oak trees planted, and sod was laid. The other option is to plant appropriate trees and place concrete pavers in the boulevards for a clean, low-maintenance look as can be seen in the South 100 block of Atlantic Street (Bitterroot Trading Post, The Finished Look, Dillon Medical Clinic). NorthWestern Energy is partnering with the Dillon Tree Board to plant trees and install pavers in the boulevard adjacent to their shop building. NorthWestern Energy will shoulder the cost of the site preparation and pavers. The Dillon Tree Board will organize volunteers to install pavers in a one day blitz.

lighted the need to enhance our city's corridors. We only have one chance to make a good impression on visitors to Dillon and perspective students to UM Western. Any land owners on Atlantic Street who are interested in having trees planted in their boulevard (new or replacement) or assisting in installing pavers, please contact J.S. Turner, City Operations, at 683-4345 or Ann Egan, Dillon Tree Board, at 683-6336. Our hope is to make Atlantic Street safer by removing hazard trees and make it more attractive by planting 'the right tree in the right place'.

Redskins Drop Embarrassing Name

There is Breaking News:

The Washington Redskins drop the word "Washington" from their name because it's embarrassing.

(T-heehee) :) Those grown ups in Washington should be ashamed!

RED HAT SOCIETY NEWS

The Red Hat Belles enjoyed lunch at The Whistle Stop Diner on Wednesday, Oct. 16th. Tables were decorated festively for Halloween and Fall.

A jar of candy corn was the center of attention, as ladies were to guess how many candies were in the jar. Lois Smith came the closest and won a gift certificate. Other prizes were awarded to Minnie Stevens, "Cis" Siebert and Winona Achton. This was Winona's first time as a Red hat Belle and was welcomed by all ladies.

When we had finished our meal, the waitress came to tell us that someone had already paid for our meals but wanted to remain anonymous. We can't thank that person enough, also the staff at The Whistle Stop Diner and our co-hostesses for the month, Darlene Rose and "Pete" Tarleton.

INTERNATIONAL CREDIT UNION DAY

On October 17, 2013, credit unions in 100 countries will celebrate International Credit Union Day® by joining together and celebrating their cooperative spirit. Unlike many banks, we at High Peaks Federal Credit Union are not in business to make a profit. Credit unions all over the world are a united front focused on our members, with an unwavering belief in the "people helping people" philosophy upon which we were built.

The credit union idea arose centuries ago as people worked under a common effort without thought of profit – they put out fires, harvested crops, and avoided high-priced loans by lending to one another.

In the 1850s, hard times hit Germany, and people turned to each other for help. They removed small savings from under mattresses and made reasonably priced loans to one another, forming the original credit unions. In the 1920s, Edward Filene took cooperative finance to the next level in Boston, as a means of lifting working people out of debt and creating a better life.

On January 17, 1927, the Credit Union League of Massachusetts celebrated the first official credit union holiday. January 17th is the birthday of Benjamin Franklin, America's "Apostle of Thrift," who credit union founders believed to symbolize the purpose and spirit of credit unions. During this time, the credit union movement was new and spreading. People involved only began to recognize the celebration's significance and were unable to devote the time required for sufficient planning. Credit Union Day quietly faded away.

The U.S. Credit Union National Association (CUNA) and CUNA Mutual Insurance Society initiated a new national Credit Union Day celebration in 1948. The third Thursday of October was set aside as the national day of observance. This occasion brought members together to promote the credit union philosophy nationally and reflect upon credit union achievements and history. Members raised funds for the movement and paid homage to loyal supporters and pioneers.

The World Council of Credit Unions, established in 1971, assists credit union movements and supports their development around the world. WOCCU observed the first International Credit Union Day more than 30 years ago, and continues to endorse global celebrations. The credit union movement has grown to 196 million members in 100 countries. Celebrate the credit union difference during this year's ICU Day.

Come join us at High Peaks Federal Credit Union in the celebration with cookies and coffee throughout the day today.

REGION 3 FWP SEEKS APPLICANTS FOR CITIZENS' ADVISORY COMMITTEE

Montana Fish, Wildlife & Parks is seeking applicants to fill several volunteer positions on the Region 3 Citizens' Advisory Committee (CAC). FWP is interested in selecting members from a pool of candidates who represent a variety of interests and communities within the Region.

At the end of this year, the Region 3 CAC will be losing representation from the tourism industry, the conservation community, and members with fishing and hunting interests. Geographically speaking, some representatives from the Butte and Bozeman community will be terming out, while the Committee does not have a representative from the Dillon area at this time.

The Citizens' Advisory Committee helps FWP achieve its goals by sharing information, ideas, emerging trends and initiatives from the public in a setting that welcomes differing points of view. Citizen advisors serve in a voluntary capacity with meals and travel expenses provided. Half-day meetings are held quarterly in Bozeman. All meetings are open to the public.

Specifically, the functions of the CAC are to:

- Help promote Montana's strong hunting, fishing, trapping, and outdoor recreation traditions
- Give citizens more direct input into FWP decisions
- Provide a forum for ongoing two-way communication with our neighbors and communities in southwest Montana
- Help FWP personnel maintain and improve responsiveness to the public
- Help FWP identify emerging issues
- Provide advice and perspective on important resource and management issues
- Assist FWP with crafting local, sustainable solutions on regional and statewide issues

Applicants will be asked to provide an overview of their interests and involvement in natural resource issues. Finalists may be asked to interview by phone or in person.

To obtain an application, visit the FWP Region 3 office at 1400 S. 19th Ave., call 406-994-4042, or email anjones@mt.gov. Completed applications must be returned to FWP by November 29, 2013. FWP Region 3 managers will select the new members. All applicants will be notified by mail by the end of the year about the results of the selection process.

"Y" NEWS AND UPDATES

Free Screenings

Beginning on October 22nd, 2013 you may sign up for a free posture, balance, or current injury screening conducted by Barrett Hospital & HealthCare physical therapy department. Screening will include exercise options that may be used in our facility to benefit your specific health issues. Sessions will take place on the 4th Tuesday of each month.

Fall Programs

Stop by the "Y" TODAY and get your family signed up for our fall group exercise programs and aquatic activities. Zumba (M,Th - 6:15pm), Stability Ball/HIIT Circuit (M,W - 5:30pm), Tabata Max (T,Th - 5:00pm), Advanced Tabata and Core (T,Th - 6:00am), Biker Blast and Yoga (see front desk for days and times).

After School Series Adventures

The After School Series provides participants with in depth programming while allowing parents more flexibility. Children will engage in healthy activities, crafts, sports, music, and much more. Children ride bus #9 to the "Y", have a snack, and then take part in the activities offered for that week. Camp ends at 5:30 each day and is offered the entire school year. Register for an entire month and save. Call the "Y" for more details!

Next in the After School Series, (Oct. 21st - Oct 25th), "Pool Fun". This week long program engages the children in fun and exciting pool activities and games. Don't miss out on all the fun!

Halloween Terror Trek

This is a 5k or 1 mile run/walk in the dark (you choose the distance). Course will be lit by glowing pumpkins and glow sticks. The YMCA will provide participants with glowing jewelry to wear during the race so they are visible to others. Caution is recommended as some areas will be very spooky! At the conclusion of the race, refreshments will be served and all participants will receive event t-shirts. Please register by Friday the 18th of October.

Strong Family Campaign

The purpose of this campaign is to generate funds to support programs, activities, scholarships and services for all members of our community regardless of age or ability to pay. Please help us reach our goal for 2013.

The Southwestern Montana Family YMCA is a non-profit, tax-exempt organization; therefore your donation may qualify as a tax-deductible in-kind donation.

Dillon Medical Clinic

would like to say a sincere

Thank you

To the over 13,000 patient visits seen since opening less than 5 yrs ago.

We appreciate you who have trusted us for your healthcare needs.

Amid America's growing pains, she is still the best country God ever created.
In our clinic, there is a 1917 photo of a hard working horse in harness, doing its job.

"Pull it one more mile" is its caption.

I thank my Lord Jesus Christ for the opportunity to do the same in this
land of free enterprise, shoulder to shoulder with my fellow Americans.

Together, WE CAN make it through the present healthcare hurdle!

We will be continuing our policy of delivering same day quality healthcare
with **no appointment necessary** throughout the coming years.

We will strive to maintain affordable rates & timely visits.

We look forward to seeing more of our friends, neighbors and visitors.

I've lived in Dillon for 20 years, and Lord willing, I'm here to stay!

THANK YOU, THANK YOU, THANK YOU!

With heartfelt thanks,

Tery

OPEN HOUSE. THEN OPEN THROTTLE.

We know you're anxious to see the latest 2014 Arctic Cat® sleds and gear. So throttle on over to our Open House. Check out the new ZRs. They're everything you remembered — and then some. And of course, feast your eyes on the new M, XF and T Series machines. While you're here, try on some Arcticwear® — the coolest snow gear available. So come in now and leave prepared for your adventure.
