Butte's Water Utility Division Improves Conditions for Westslope Cutthroat Trout

In Late September Justin Devers of Devers Excavation and Aquatics out of Dillon used his excavator to move the rock for the

final 1-foot step in the South Fork of the North Fork Divide Creek Westslope Cutthroat Trout Passageway Project.

This project, under the Big Hole River Foundation's newly-adopted Native Fisheries Conservation Program, replaced a perched culvert with a natural fish passageway that flows into Southfork Reservoir. This project was a co-operative effort among Montana Fish Wildlife and Parks (FWP); the Butte-Silver Bow Department of Public Works, Water Utility Division; and the Big Hole River Foundation. The project was funded in part by Ruby Springs Lodge and the FWP Future Fisheries Program, with some last-minute funding coming directly from FWP. Michael Bias, Ph.D., Executive Director for the Big Hole River Foundation explained "this project will conserve and enhance several miles of westslope cutthroat stream in the Divide Creek drainage, an important stronghold for westslope cutthroat in the Big Hole watershed."

"It was a truly cooperative undertaking" explained Dr. Bias, "Doug Finnicum and staff of the Water Utility Division came to us and FWP with the project idea, cleared and prepared the site, and stockpiled the necessary native rock used to construct the fish passageway. Jim Olsen, Fisheries Biologist for FWP and we designed the project. Then, we found funding and a great contractor to build it."

The tributaries of Divide Creek -- North Fork, South Fork, and South Fork of the North Fork -- are home to conservation populations of native westslope cutthroat trout. Divide Creek is an important tributary to the Big Hole River at Divide, Montana. Westslope cutthroat are a Species of Special Concern in Montana and are considered a Sensitive Species by the Forest Service. The South Fork of the North Fork is the only tributary in the Divide Creek system that harbors non-hybridized westslope cutthroat. The South Fork harbors both non-hybridized and slightly hybridized fish. Both populations are threatened by over abundant brook trout populations. The North Fork of Divide Creek had a native cutthroat population when last sampled in 1996, but that population has since been extirpated due to competition from brook trout. Currently, the North Fork Divide Creek has a westslope cutthroat trout restoration project underway.

The Big Hole River Foundation was founded in 1988 by George F. Grant and is a non-profit 501 (c) 3 organization based in Butte. The mission of the Foundation is to conserve, enhance and protect the free-flowing character of the Big Hole River, its unique culture, fish and wildlife.

MEDICARE HELP

Counselors from the Southwest Montana Aging Ser-
vices will be available on Thursday, October 31st, to help
Dillon area seniors look over their Medicare coverage. The
event will be held in the Dillon City Hall Conference Room,
125 North Idaho, from 10:00 a.m. until 3:00 p.m. where Se-
nior Health Insurance Assistance Program counselors will
be available to look over your current Medicare Prescrip-
tion Drug Coverage, Medicare Advantage Plan or to assist
with any other Medicare related questions. Those interested
in meeting with a counselor are asked to call the Area V
Agency on Aging at 1-800-551-3191 or (782-5555 local),
to make an appointment. We encourage all seniors to take
advantage of the Medicare Part D Open Enrollment Period,
(Oct. 15 - Dec. 7), and review their coverage to make sure
that their current Prescription Drug or Medicare Advantage
Plan is still the best one for them.

Southwest Montana Aging Services is a private, non-
profit organization that contracts with the State Department
of Public Health and Human services to provide various
Older Americans Act Services within a six county service
area in Southwest Montana. Among those services is the
Senior Health Insurance Assistance Program which trains
counselors to provide unbiased information to seniors re-
garding their Medicare coverage. This service is provided
at no cost to the beneficiary, although donations to the pro-
gram are appreciated.

On the crisp fall morning of October 7, 2013, several ladies from Grace United Methodist Church, accompanied by Reverend Teri Baird, presented 20 beautiful, handmade lap quilts to members of the administrative team at Barrett Hospital & HealthCare, followed by promises of more quilts to come.

According to ladies' group member Jan Schuetz, "These quilts are intended for use by patients age 70 or older whose stay at Barrett Hospital & HealthCare is 2 days or longer. Those are the folks who need the warmth the most." Members of the Grace United Methodist Church ladies group are: Jan Schuetz, Tennie Beitler, Sharon Champine, Marilyn Batchelor, Lillian Hegstad, Cathy Speich-Ferguson, Joyce Anderson, Kristen Lorenzen, Ruby Harvey, Arlis Vannett, and Patty Ordish.

This generous gesture is much appreciated and Barrett Hospital & HealthCare is grateful to provide patient care to such a gracious and caring community.

Simplicity & Greatness

By: MJ

What does the saying "keeping it simple" mean? Keeping things simple means we focus on the next step of a problem in any given time.

Another phrase we hear is that, "Rome was not built" in a day" (true). It was built one step at a time over a period of years. When we look at completing college as a whole, the task at hand seems insurmountable. Many things in our live appear to be insurmountable like: changing flat tire, building homes, starting new jobs, spring cleaning, paying bills, raising children, doing your taxes...

Keeping it simple means we take one step at a time no matter what we are doing - move forward by doing only the next right thing.

Slow down and enjoy your life - have faith in yourself and success will be yours, one step at a time. Today you do not need to figure out all the problems -- keep it simple.

Montana Fish, Wildlife & Parks

NEWS

REMINDER: HUNTERS MUST STOP AT CHECK STATIONS

With the general deer and elk season set to begin Saturday, Montana Fish, Wildlife & Parks is reminding hunters that state law requires they stop at all game check stations while traveling to and from hunting areas. This includes hunters who have not harvested an animal. Check stations will be running at various locations in Region 3 during the hunting season.

When a hunter pulls into a Montana game check station, FWP staff will gather information about the health, sex and age of an animal harvested. The hunter will be asked where the animal was harvested and perhaps other questions about his or her hunt. If Enforcement staff is on hand, the hunter may be asked to show that the animal is legally tagged.

Information gathered during these annual game checks contributes to the management of populations and future hunting opportunities.

Failure to stop at a game check station when personnel are on duty is a misdemeanor punishable by fine.

Operation Christmas Child

The First Presbyterian Church of Dillon, on the corner of Pacific and Glendale Streets, is holding their annual 'Operation Christmas Child' shoe box ministry beginning Sunday, October 27 to Thursday, November 21, 2013. Pastor David Andrew will bless the returned packed shoe boxes on Sunday, November 17. However, you are welcome to turn your packed shoe boxes in to First Presbyterian as late as November 21.

Each shoe box will be delivered to a child in need of hope somewhere in the world. 2013 is the 20-year celebration of Samaritan's Purse in distributing gift-filled boxes. More than 100 million gifts have been handed out in Jesus' name since 1993.

There are supplies, instructions and suggestions on what to pack in your box at the church. Office hours are Monday to Friday from 9 a.m. until 12 noon. (For more information go to samaritanspurse.org) You can make a difference in a child's life by bringing hope to them at Christmas.

ALL GOOD THINGS MUST END

The Longhorn will be closing Tuesday, Oct. 29th at 2:00 pm for good. We will be open Oct. 28th, (Monday). Stop by and say good bye. The cook's a little emotional, but I promise it won't effect your breakfast. We'll have the best breakfast in town until 2 pm Tuesday. After that, you're on your own.

AND ALSO - thank you for your loyalty and love for my breakfast and putting up with my sleeping in. Thank you for waiting for me to

get to work. You "R" all like family - after 22 1/2 years, you should be!

Thank you for all the memories you've given me.

I'm going to miss everyone, more than you know.

I wouldn't have lasted as long as I did with out you all.

**SENIOR COMMODITY FOOD BOXES**

The Commodity Supplemental Food Program for Seniors will be delivering food boxes Saturday, October 26th.

Anyone picking up boxes can meet Sandy behind Subway at 9:30 am. For more information about the program, call Sandy at 925-0340.

Drive-Thru FLU Shot Clinic

Beaverhead County Public Health will be on Montana street across from the Mini on Friday, October 25th from 4-6pm to administer flu vaccine. The clinic will be a drive-thru clinic meaning that you don't have to get out of your vehicle to get your shot. The first stop is completing the form and the second stop, the nurse administers the vaccine. Its quick, simple, and convenient.

This is a great time of year to get the vaccine if you haven't done so. Hopefully, the hunters out there will take advantage of the clinic and get their shot before opening day.

To make the process quicker, have a copy of your insurance card (both sides) ready to give to the staff. If you prefer to pay, the cost is \$25.00. Beaverhead County Public Health will continue to offer flu vaccine to the public at 41 Barrett Street every Wednesday from 9-1 and 2-5. For more information, please call 683-4771.

Letter to the Editor

Dear Dillonites,

So have you all voted for mayor yet. No! Then give me a minute of your time as a concerned county member.

When I decided to start a business here for everyone in Dillon and Beaverhead county, No one was more supportive of a Taxi business for our county than Mayor Marty. He not only wrote a letter of introduction to the public service commission, Marty has been a staunch advocate knowing my business would help keep citizens on the right side of the law, and out of harms way

Mind you, we have had our differences, I am a center left Democrat. But Marty is in fact very approachable for Democrats like me and Republicans alike, to discuss ways to mutually move forward for the good of our city and county, without all the bickering the country is going through

I wouldn't usually take the time to ponder the Mayoral race, but I have seen Marty make a difference, and still keep your taxes lower than in other towns, get things finally fixed that were woefully not working in Dillon, correct the budget, and creatively find matching funds when necessary.... So really folks do you want a change in the middle of a new sewer project, to someone with no experience of governing at all.

Can we stand someone who I never saw at meetings of merit until he runs for office against Marty every election? Do we really want to change, to the crazy we have seen from the extremist elements of either party in DC, running our town too? Stick with Marty folks. Let him and his team finish what they has started in Dillon, for all of our sakes.

Love in a shoe box! Let's work together to make Christmas a little brighter for children around the world. Fill a shoe box and make a difference in the life of a child this holiday season. This is part of a national effort to help children across the country and around the world. Anyone can help: groups, individuals, families, schools, or churches.

All you need to do is:

- 1) Put together a shoe box to send to a child, or
- 2) Make a Donation – every donation helps. Shipping costs \$7 per box. You can make checks payable to Samaritan's Purse/Shoe box and drop off at Mary's house or donate online and track your shoe box! Donations are tax deductible. For online donations go to: <http://www.samaritanpurse.org/what-we-do/operation-christmas-child/> and click on "support."

If you would like to be part of this amazing program and have questions or would like more information, contact Mary Bearden @ 925-2218 or Barb Kramer @ 925-0659.

Mary will be delivering boxes to Bozeman November 24th, 2013. Last minute drop off ok. Mary set up a facebook page (with a little technical assistance) with all the information if you would like to check it out! "Dillon MT Christmas Shoe boxes"

Shoebox details: *NOTHING liquid, NO chocolate.* Simple rules, but please read....

1. Shoe Box: Use an empty shoebox (standard size, please) or a small plastic container. You can wrap the box (lid separately), but wrapping is not required. Most importantly, pray for the child who will receive your gift.
 2. Boy or Girl: Determine whether your gift will be for a boy or a girl, and the child's age category: 2-4, 5-9, or 10-14. Print out the appropriate boy/girl label by downloading the artwork from Operation Christmas Child website. Mark the correct age category on the label, and tape the label to the top of your box. If you need labels, you can print them out from the Operation Christmas Child website or Mary will have extras when you drop off your box.
 3. Fill the box with a variety of gifts that will bring delight to a child. Please include at least one item a **child can immediately embrace** such as a stuffed toy, doll, ball or toy truck. Other ideas: toothbrush/paste, crayons, coloring book, pencil/pencil sharpener, construction paper, comb, soap/wash rag, note pad...depends on the age and gender of the child. There are more ideas on the Operation Christmas Child website. **NO CHOCOLATE, NOTHING LIQUID.**
 4. Include \$7 Donation: Please donate \$7 or more for each shoebox you prepare to help cover shipping and other project costs. You can give online by using our "Follow Your Box Donation" option, or you can write a check to Samaritan's Purse (note "OCC" on memo line) and place it in an envelope on top of the gift items inside your box. If you or your family are preparing more than one shoebox, please make one combined donation.
- Maybe you just want to donate. Checks should be made out to "Samaritan's Purse/shoe box." You can drop your check off to Mary or donate online.
5. Drop Off: Place a rubber band around the box. If you are in the Dillon area, you can drop it off to Mary or Barb or give them a call to make arrangements for pick up. Mary's home address is 526 N. Walnut (on the way to Safeway!).
