Barbara Jo Parker
June 1943 – October 2013

Barbara Jo Parker went home peacefully to be with the Lord, Jesus, on Thursday, October 24, 2013.

She enjoyed fishing, hunting and Dillon, Montana for 26 years. Most of her time was spent enjoying her beloved puppies. She was a very beautiful person both inside and out and always did her best to make everyone fell special. She will be missed very much.

She is survived by her daughter; Susan Parker-Robbins (Shawn) of San Luis Obispo, CA. Her sister, Pat St. Clair of Ridgecrest, CA and 5 grandchildren.

She was preceded in death by her father, Robert Hildreth, her mother, Elizabeth Britt, her husband, Monty Parker and her son, Dr. Robert Parker.

At Barbara's request there won't be funeral services.

"Many daughters have done virtuously, but thou excellest them all. Favour is deceitful, and beauty is vain: but a women that feareth the Lord, she shall be praised." Proverbs 31:29-30

FLU SHOT MAY DECREASE RISK OF HEART ATTACK AND STROKE

By Shawn Radcliffe

With winter quickly approaching, doctors and public health officials are encouraging people to roll up their sleeves for a flu shot. According to new research, this annual ritual is especially important for people who already have, or who are at risk of, heart disease.

The new study, published this week in the Journal of the American Medical Association (JAMA), found that people vaccinated against the flu had a lower risk of a major cardiovascular event such as a heart attack or stroke, compared with those who received no flu vaccine.

"The study is important because it reconfirms that there are benefits to getting the flu vaccination," Dr. David Frid, staff cardiologist in preventative cardiology at the Cleveland Clinic in Ohio, said, "especially in people who have recently had a cardiac event, because it reduces the likelihood of their having some type of cardiovascular complication if they do develop the flu."

While the term "flu" is commonly used to describe any cold or virus that occurs during the winter, the new study looked specifically at the influenza virus. Flu shots are given each year at doctors' offices, pharmacies, and malls, and may even be available for free or at a reduced cost. These vaccinations are designed to protect people against the flu but are ineffective against the common cold and non-influenza viruses.

mends that everyone older than six months be vaccinated against the flu. And flu shots are especially important for people at risk of complications, including those with heart disease and people with compromised immune systems.

The Flu Can Strain Your Heart

Though people in the new study who received a flu shot had a lower risk of complications from the flu, Frid says there is no direct relationship between the flu virus and developing heart disease. In other words, getting the flu will not also give you heart disease.

"What happens is when somebody either has cardiovascular disease or is at risk of cardiovascular disease, the stress of having influenza—an upper respiratory infection—can precipitate a stress or strain on the person," Frid said, "which can increase their likelihood of having some type of cardiovascular event."

In younger people, the flu can cause missed days of work or school. In older people and those with other health conditions, however, it can lead to hospitalization or even death.

SANDY ELMORE'S WILD IN THE PRYOR MOUNTAINS

The UMW Equine Studies Program will host Sandy Elmore, and Wild in the Pryor Mountains, October 29, at 7:00 P.M. in the Beier Auditorium. Friends, Cecil and Laine Jones will introduce Sandy Elmore's photographic tour of the Pryor Mountain Wild Horse range and the horses that call it home for the Natural Horsemanship program.

Sandy's goal for her photography and video work is to share her experiences on the range and allow as many people as possible to get a glimpse into the lives of these wild horses.

SPEECH, DEBATE AND DRAMA

The Beaverhead County High School Speech, Debate and Drama 2013-2014 Season is underway. The team competed Saturday, October 26th at the Stevensville invitational in Stevensville, Montana. This was a small meet with only 5 teams competing, but it was a great warm up for the season and the students had outstanding results.

Jade D'Esposito and Elizabeth Ostler placed first in Classical Theatre, starting out their season with a bang. Josey Creger competed very well and placed fourth in Serious Solo acting, she has very strong competition in this event and had great preliminary rounds.

Freshmen Tim Martin and Finley Andrew, saw their first taste of High School competition and both fared very well. Tim finished sixth in the Impromptu event and Finley finished in eighth in humorous oral interpretation. "It was exciting to see these Freshmen do so well in their first meet of the season." Head Coach Maria Hansen said.

Cameron Freebury competed in Humorous Oral Interpretation event and did very well, he placed second on Saturday, finishing behind last year's State Champion Carissa Chouinard(granddaughter of Fred Chouinard.)

Carmen de los Rios competed her first time on this team in the Serious Oral Interpretation event and she placed fifth.

Results from the Stevensville Invitational

Jade D'Esposito and Elizabeth Ostler Classical Theatre	first place
Cameron Freebury Humorous Oral Interpretation	second place
Josey Creger Serious Solo Acting	fourth place
Carmen de los Rios Serious Oral Interpretation	fifth place
Tim Martin Impromptu Speaking	sixth place
Finley Andrew Humorous Oral Interpretation	eighth place

Nature Conservancy Donates Land to Forest Service

The Nature Conservancy of Montana has donated approximately 40 acres of private land to the Forest Service for addition to the Beaverhead-Deerlodge National Forest (NF). The donated land, located in the Dry Creek Area approximately 10 miles northwest of Wise River, adjoins other National Forest System lands on two sides, and is in close proximity to the Mount Haggin Wildlife Management Area. Legal road access to this land is available on lower Dry Creek Road #2483.

"We are excited to receive this generous donation from the Nature Conservancy as it will allow us to manage our public lands more effectively," said Acting Forest Supervisor Tim Garcia.

"This is a really beautiful part of the Big Hole Valley and an important piece of a broader mosaic of public and private land that's being conserved for wildlife and local ranching. The Conservancy is happy to place it under the good stewardship of the Forest Service," says Jim Berkey, Program Director for The Nature Conservancy.

The donation will help the Forest Service to protect important wildlife habitat for a variety of species; maintain visual quality and open space; improve recreation opportunities; improve public access along approximately one half mile of Forest Road #2483; add approximately 25 acres of timber lands and 15 acres of range lands to the national forest; conserve approximately one half mile of riparian area along two forks of Dry Creek; and improve management of permitted livestock grazing.

For more information about this land donation, contact either the Wise River Ranger District at (406) 832-3178, or The Nature Conservancy, in Missoula, at (406) 370-6905.

COMING SOON ! FESTIVAL OF TREES

Gala Event
Nov. 22, 5:30 P.m. & Nov. 23, 6:30 P.M.
Dillon Elks Lodge

Meet Santa and Mrs. Santa Friday Nov. 22 for Pictures and enjoy refreshments and prizes. Nov. 23rd at 6:30 enjoy wine and hors'd'oevres and a chance to bid on silent and live auction items.

The event will benefit the Dillon Elks Lodge and the Women's Resource Center.

ATTENTION MIDDLE SCHOOL BOYS & GIRLS:

All middle school girls and boys are encouraged to join us on Wednesdays right after school! The girls meet in the Common Room; boys meet in the Skills Lab room. The Women's Resource/ Community Support Center facilitates both groups (boys' group is facilitated by a man) in an effort to empower young people by cultivating self respect and connecting them with others. Groups are not run like a class, but rather a club that works together on social issues. Examples of group work might include: identifying societal pressures and gender expectations, critiquing the media and the impact of such in the lives of youth, and describing similarities and differences between families. Girls' Group and Boys' Group promote equality, independence, and safety through activities and discussion groups. For more information, please contact Melainya Ryan @ 683-6106. We hope to see you there!

ATTENTION SENIOR CITIZENS!!!

Congregate Meals will be hosted on Wednesday, October 30th at the Senior Center on Montana Street. This week's menu is: BBQ brisket sandwich, baked beans, macaroni salad, and ice cream. If you need a ride, please call the Dillon City Bus @ 660-4247. Meals begin at noon with an activity to follow. Next week's location will be announced via the Dillonite later in the week. We hope you will join us on Wednesday to enjoy a wonderful meal! Together we are "People Helping People."

FIRE WHISTLE

The DVFD was called on Monday at 11:50am to a Motor Vehicle Accident on Interstate 15, mile marker 54. There were no injuries and we provided scene safety.

Beautiful Words

Submitted by: MJ -
-Author unknown

1] Prayer is not a "spare wheel" that you pull out when in trouble; it is a "steering wheel" that directs us in the right path throughout life.

2] Do you know why a car's WINDSHIELD is so large & the rear view mirror is so small? Because our PAST is not as important as our FUTURE. So, look ahead and move on.

3] Friendship is like a BOOK. It takes few seconds to burn, but it takes years to write.

4] All things in life are temporary. If going well enjoy it, they will not last forever. If going wrong don't worry, they can't last long either.

5] Old friends are like Gold! New friends are Diamonds! If you get a Diamond, don't forget the Gold! Because to hold a Diamond, you always need a base of Gold!

6] Often when we lose hope and think this is the end, GOD smiles from above and says, "Relax, sweetheart, it's just a bend, not the end!

7] When GOD solves your problems, you have faith in HIS abilities; when GOD doesn't solve your problems HE has faith in your abilities.

8] A blind person asked St. Anthony: "Can there be anything worse than losing eye sight?" He replied: "Yes, losing your vision."

9] When you pray for others, God listens to you and blesses them; and sometimes, when you are safe and happy, remember that someone has prayed for you.

10] WORRYING does not take away tomorrow's TROUBLES; it takes away today's PEACE.

Montana Fish, Wildlife & Parks NEWS

SEASON OPENS WITH STRONG HARVEST NUMBERS IN MADISON & PARK COUNTIES

Sunny skies and mild temperatures made for two beautiful days of hunting for the 2013 general deer and elk season opening weekend. FWP biologists, staff and volunteers manned seven check stations to account for hunter harvest rates in the south Tobacco Roots and Upper Ruby (Alder), the Madison (Cameron), Pioneers and Upper Big Hole including Fleecer and Mount Haggin (Divide and Mill Creek), the Gallatin, Park County (Livingston), and the Helena area (Silver City).

Elk harvest numbers at the Cameron check station doubled that of 2012, and are the highest seen since 2006 when the check station was open for longer hours. Over 15% of hunters who stopped at the check station had successfully taken an animal (and this does not include the seven antelope harvested).

Area Biologist Julie Cunningham reported, "Hunters seemed really happy to be seeing elk and getting lots of opportunities. It was a really positive and busy weekend."

Hunter success was also relatively strong at the Livingston check station (open only on Saturday and seeing 97 hunters), checking in 4 white-tailed deer, 3 mule deer, and 8 elk. The same appeared to be the case at the new Alder check station which saw 454 hunters pass through, checking in 10 white-tailed deer, 2 mule deer, and 44 elk. Divide and Mill Creek also saw a slight uptick in overall game harvest.

Meanwhile, the season got off to a slower start at the Silver City check station north of Helena which typically sees the highest numbers of hunters pass through. By closing time on Sunday, 685 hunters had passed through, less than 5% successfully harvested an animal.

The Gallatin also saw more hunters than last year, but success dropped to just 2.2%.
