FOOTBALL PLAYOFF BRACKETS

The Montana High School Association playoff brackets for Class A, B, C 8-man and C 6-man have been set. There are six area teams in those brackets heading to the playoffs.

Class A is topped with the Dillon Beavers with their 8-0 record and being the top of the ranking gets them a first-round bye. They will play the winner of this weekend's Lewistown (2-6) - Laurel (6-3) game. Butte Central will go to Whitefish for a first round game and that winner will play Belgrade the next weekend.

Class B bracket sees Boulder (8-1) playing Plentywood. Deer Lodge (7-2) have kept their season going and will play in Fairfield this weekend.

Class C 8-man has the Ennis team dominating with (8-0) and plays (6-2) Drummond this first-round game this weekend. Twin Bridges (5-3) are headed to Charlo (7-1) for a chance to extend their season.

BCHS Concert

The Beaverhead County High School Music Department would like to invite the public to the first concert of the year Wednesday, October 30, at 7:30 p.m. in the high school auditorium. All choral groups and the jazz band will be featured in this evening of music from diverse cultures and styles. Come join us in the fun filled night.

The Mixed Ensemble will open the program as it traditionally does. Following will be the Treble Chorus and Teen Tones.

The final segment will be presented by the Jazz Band.

Mr. Christopher Kloker is director of bands, and the Choral groups are led by Mrs. Laurie Hagenbarth. Over 100 students participate in the band and choir. The public is cordially invited at no charge.

Annual Community Halloween Party

The Beaverhead Chamber of Commerce would like to invite all community members to the annual Halloween party at Keltz Arena! The party will be held on Halloween from 5:00-8:00 pm. Bring your little ghosts, goblins, and witches to enjoy free games and entertainment in a safe, warm environment! The party is sponsored by The Beaverhead Chamber of Commerce, United Way, and Pepsi.

DOMESTIC VIOLENCE AWARENESS

October is Domestic Violence Awareness Month. Domestic violence is a system of power and control over an intimate partner. Domestic violence includes emotional, verbal, physical, and sexual abuse. The domestically abusive relationship is typically marked by isolation, economic abuse, intimidation, humiliation, and manipulation. Approximately 85-95% of all domestic violence survivors are female. To honor the survivors and victims of domestic violence, the Resource Center will be distributing purple ribbons throughout the week of October 28th. Please take this opportunity to honor and remember the lives that have been impacted as a result of domestic violence. The Resource Center strives to increase awareness in an effort to decrease the incidence of abuse and create a safer, healthier environment for our children, families, and all community members. Together, we are "People Helping People."

OPENING WEEKEND

Divide was the only local check station this week. Elk harvest was very much in line with the previous five years at this check station and mule deer harvest was higher than the previous five years. Hunting conditions on opening weekend were not great as it was dry and unseasonably warm, with many hunters in t-shirts by mid morning.

There was a lot of anticipation amongst hunters concerning the storm that just blew through the Dillon area, with hopes of animals moving and tracking snow to improve success.

MISS YOU - We have heard that some of you miss the General's sense of humor, so here is a little something he had.

Simple mistake...

This morning I was beaten up by a woman. I was in an elevator when this beautiful, busty woman got in. I was staring at her boobs, when she said, "Would you please press 1?"

I don't remember much after that.

CROSS COUNTRY FINISH

The Dillon boys placed in 13th place out of the 21 teams and was led by Sage Schoonen's run of 15:46.68 which got him a 4th place overall.

The Dillon girls finished 11th out of 22 team in the race. The Beavers lead runner was Caleigh Buckmaster with a time of 20:43.00

WESTERN FOOTBALL CRUSHED

The Bulldogs left the field at half time down by just one 17-16. Then the Southern Oregon University had five unanswered touchdowns in the second half to crush the Bulldogs 51-16 in Frontier Conference play. The first match between these two teams, the Bulldogs won 38-34 in September in Dillon. This was Westerns 4th straight lose.

Tyler Hulse had two touchdown passes and 199 yards but also had two picks. He threw a 51 - yard pass to Josh Lords and 18-yard pass to Rasha Peniston in the first half.

Connor Greth had a 34 - yard field goal in the second quarter to round out the scoring for the Bulldogs.

Grey-Haired Brigade

Submitted by Chuck Dishno

The typical U.S. household headed by a person age 65 or older has a net worth 47 times greater than a household headed by someone under 35, according to an analysis of census data released Monday. If all of us "old farts" have all of the money, then let us try to elect someone who might be near honest and not be after feathering their own nests.

They like to refer to us as senior citizens, old fogies, geezers, and in some cases dinosaurs. Some of us are "Baby Boomers" getting ready to retire. Others have been retired for some time. We walk a little slower these days and our eyes and hearing are not what they once were. We have worked hard, raised our children, worshiped our God and grown old together. Yes, we are the ones some refer to as being over the hill, and that is probably true. But before writing us off completely, there are a few things that need to be taken into consideration.

In school we studied English, history, math, and science which enabled us to lead America into the technological age. Most of us remember what outhouses were, many of us with firsthand experience. We remember the days of telephone party-lines, 25 cent gasoline, and milk and ice being delivered to our homes. For those of you who don't know what an icebox is, today they are electric and referred to as refrigerators. A few even remember when cars were started with a crank. Yes, we lived those days.

We are probably considered old fashioned and out-dated by many. But there are a few things you need to remember before completely writing us off. We won World War II, fought in Korea and Viet Nam. We can quote The Pledge of Allegiance, and know where to place our hand while doing so. We wore the uniform of our country with pride and lost many friends on the battlefield. We didn't fight for the Socialist States of America; we fought for the "Land of the Free and the Home of the Brave." We wore different uniforms but carried the same flag. We know the words to the Star Spangled Banner, America, and America the Beautiful by heart, and you may even see some tears running down our cheeks as we sing. We have lived what many of you have only read in history books and we feel no obligation to apologize to anyone for America.

Yes, we are old and slow these days but rest assured, we have at least one good fight left in us. We have loved this country, fought for it, and died for it, and now we are going to save it. It is our country and nobody is going to take it away from us. We took oaths to defend

America against all enemies, foreign and domestic, and that is an oath we plan to keep. There are those who want to destroy this land we love but, like our founders, there is no way we are going to remain silent.

It was mostly the young people of this nation who elected Obama and the Democratic Congress. You fell for the "Hope and Change" which in reality was nothing but "Hype and Lies."

You have tasted socialism and seen evil face to face, and have found you don't like it after all. You make a lot of noise, but most are all too interested in their careers or "Climbing the Social Ladder" to be involved in such mundane things as patriotism and voting. Many of those who fell for the "Great Lie" in 2008 are now having buyer's remorse. With all the education we gave you, you didn't have sense enough to see through the lies and instead drank the 'Kool-Aid.' Now you're paying the price and complaining about it. No jobs, lost mortgages, higher taxes, and less freedom.

This is what you voted for and this is what you got. We entrusted you with the Torch of Liberty and you traded it for a paycheck and a fancy house.

Well, don't worry youngsters, the Grey-Haired Brigade is here, and in 2014 we are going to take back our nation. We may drive a little slower than you would like but we get where we're going, and in 2014 we're going to the polls by the millions.

This land does not belong to the man in the White House nor to the likes of Nancy Pelosi and Harry Reid. It belongs to "We the People" and "We the People" plan to reclaim our land and our freedom. We hope this time you will do a better job of preserving it and passing it along to our grandchildren. So the next time you have the chance to say the Pledge of Allegiance, Stand up, put your hand over your heart, honor our country, and thank God for the old geezers of the "Grey-Haired Brigade."

My name is Chuck Dishno and I am a old geezer. It is time we took our country back from those who are trying to destroy it.

Halloween is a fun and spooky time of year for kids. Make Trick-or-Treating safe for your little monsters by following a few of these safety tips.

- 1. When selecting a costume make sure it is the right size to prevent falls.**
- 2. Decorate costumes and bags with reflective tape or stickers.**
- 3. Masks can obstruct a child's vision, use non-toxic face paint and makeup whenever possible. If a mask is used, cut the eye holes to make them bigger.**
- 4. Have kids use glow sticks or flashlights to help them see and be seen by drivers.**
- 5. Children under the age of 12 should not be alone at night without adult supervision. If kids are mature enough to be out without supervision, remind them to stay in a familiar area that is well lit and trick-or-treat in groups.**
- 6. Cross the street at corners, using traffic signals and crosswalks. Make sure kids are looking left to right before and while crossing streets.**
- 7. Always walk on sidewalks or paths. If there are no sidewalks, walk facing traffic as far to the left as possible.**
- 8. Drivers need to slow down and be alert in residential areas. Children are excited on Halloween and may move in unpredictable ways.**
- 9. Popular trick-or-treating hours are from 5:30 p.m. to 9:30 p.m. so drivers should be especially alert during these hours.**

- Mike served on the city council for 4 years. During his tenure he was
 - Chairman of the Finance committee for two years
 - Chairman of Water and Sewer committee for two years
 - Chairman of the judicial committee for one year
- This experience has taught Mike how city government should work and he has ideas on how to make it work for you. Mike believes that you should have more access to your city government and will use technology as a tool to make it happen.

- Mike has a doctorate in Physics which will help him read and understand technical engineering reports.
- This experience gives Mike the knowledge ask the hard questions and to get the answers you need to get the most for your dollar.

- Mike knows how to write grant proposals and has successfully received and managed grant moneys. He wrote grant requests to finance his undergraduate and graduate research. He was able to obtain a NASA fellowship to pay for his last year of graduate school. While working at Alliant Tech in Utah Mike was responsible for helping to prepare government proposals for contracts. After the contract was received he was partially responsible for tracking the expenditures and staying on budget.
