CITY ELECTION

The City of Dillon has a new mayor. Mayor Martin Malesich was defeated after his 12 year reign as mayor by Michael Klakken with a count of 617 votes to Malesich 503.

Mike Klakken went door to door campaigning on the platform of lowering the water and sewer rates in the City of Dillon. He said he will start working on that first thing.

Malesich was disappointed that he doesn't get the chance to finish the sewer project, the Bar Supply parking lot and the streets of Dillon that have been started during his terms.

Gordon Reese Cabin Needs Volunteers

The Forest Service is looking for winter recreation enthusiasts to volunteer at the Gordon Reese Cabin at the Chief Joseph Cross Country Ski area this winter.

Volunteers are welcomed to assist in maintaining this popular facility throughout the winter season. Each Tuesday and Friday is set-aside for volunteers to help maintain the cabin and trailhead facilities during the day and stay overnight for free. It is not necessary for volunteers to stay at the cabin throughout the day. Volunteers and their guests are encouraged to enjoy and explore the trails and surrounding area. The Forest Service asks that you occasionally return to the warming hut to make sure the fire is going, hot and cold drinking water is available, and the cabin is clean and comfortable for visitors that are using the trails during the day.

Duties include: meeting and greeting the public; answering questions; shoveling snow from the paths that lead to the outhouses; clearing snow from the deck and doors; keeping

the cabin and outhouses clean; restocking firewood to the main floor and keeping the fire going; and reporting problems to the Wisdom Ranger District office.

The Gordon Reese Cabin is available to the public to rent from Dec. 1 through Apr. 15. The cabin is used by cross country skiers as a warming hut during the day and then available to be rented for overnight stays. The cabin is located at Chief Joseph Pass off of Montana State Highway 43, approximately 10 miles south of Sula, MT and 25 miles west of Wisdom, MT. The cabin can be reached from the parking area at the Chief Joseph Pass Trailhead and is an easy one half mile from the parking area; access to the cabin is by foot, snowshoes, or cross country skis. Chief Joseph Pass Ski Trails cover over 30 kilometers of trails groomed weekly by volunteers from the Bitterroot Cross Country Ski Club.

As with other rental cabins renters are responsible to keep the cabin clean, and pack out everything you pack in. During the day, the cabin is available as a warming hut to cross country skiers, so renters do not have exclusive use of the facilities and are expected to act in a welcoming manner. The upstairs sleeping area can be closed off to provide limited privacy during the day. Pets are not allowed at the cabin or on the trails.

Reservations are \$9 per day and can be made up to six months prior to the beginning of the winter cross country ski season. To reserve your night go online to www.recreation.gov, or call (877) 444-6777. Cancellations are also handled through Recreation.gov. However, due to the popularity of renting the cabin, last minute reservations and cancellations may be filled by contacting the Wisdom Ranger District office at (406) 689-3243.

To volunteer at the Gordon Reese Cabin, contact either Lori Stevenson or John Ericson at the Wisdom Ranger District office at (406) 689-3243 after Nov. 15.

Letter to the Editor

We are back to that time of year again for people to shovel or sweep their sidewalks. When I was in my 20s shoveling sidewalk was not on my list of priorities until my wise brother advised me if someone were to fall on my sidewalk I could be sued. That was a great motivator. Now I find myself worrying about elderly people or perhaps someone with a handicap trying to navigate snow packed or icy sidewalks. I understand some people cannot physically shovel their walks nor can they afford to hire it done. Perhaps that would be a project for the Montana Youth Challenge to do as a community service? I would like though to remind businesses that people do not only use the sidewalks during the work week. There are a number of business locations that fail to clear their sidewalks and I hope they will take this plea to heart. I hope the property owners will have empathy with the people that use the sidewalks and keep them cleaned. I am enclosing the City Ordinances that address this matter and I am hoping the powers of the City will enforce this and penalize some of the negligent parties.

12.40.010 Snow and Ice Removal - Generally It is the duty of the owner of any premises within the City of Dillon to keep the sidewalks in front of and adjoining his premises clean and safe for pedestrians, and with all possible dispatch to remove snow, ice, slush and other impediments to safe convenient foot travel, and to prevent continuous accumulation of the same upon such sidewalks.

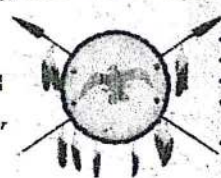

12.40.040 Snow and Ice Removal - Time Allowed - Sprinkling of Sand or De-icing agents Sidewalks located in the Central Business District must in all cases be freed from the night's accumulation of snow, ice, slush, mud or other like impediment before 10:00 a.m. of the same day. When from freezing of water, snow, or slush thereon, or by reason of such compaction resulting from the wear of foot travel or from any cause whatever, sidewalks are rendered dangerous, unsafe, or difficult to the free passage of pedestrians, it shall be the duty of the owners of premises in front of or adjoining such sidewalks to remedy such conditions by sprinkling sand or de-icing agents on the sidewalks, or chipping or by other safe and efficient means. Sidewalks, other than those located in the Central Business District, must in all cases be kept clean of snow and not to be allowed to remain thereon any snow for a longer period than twelve hours.

12.46.010 Violation - Penalty - Any person convicted of violating the provisions of this title shall be guilty of a misdemeanor and shall pay a fine of not less than twenty-five dollars nor more than one hundred dollars.

Thank you,
Diane Armstrong

NOVEMBER IS AMERICAN DIABETES MONTH

The American Diabetes Association's (ADA) primary objectives are to raise awareness and understanding of diabetes, its consequences, management and prevention of type 2 diabetes. To that end, the ADA has designated November as American Diabetes Month.

Nearly 26 million children and adults in the U.S. have diabetes. Another 79 million Americans have pre-diabetes and are at risk for developing type 2 diabetes. Recent estimates project that as many as one in three American adults will have diabetes in 2050 unless we take steps to stop diabetes. Two out of three people with diabetes die from heart disease or stroke. Diabetes is the leading cause of kidney failure. Diabetes is the leading cause of new cases of blindness among adults. The rate of amputation for people with diabetes is 10 times higher than for people without diabetes. About 60-70 percent of people with diabetes have mild to severe forms of nerve damage that could result in pain in the feet or hands, slowed digestion, sexual dysfunction and other nerve problems.

Barrett Hospital's ADA-recognized Diabetes Education program, run by Jill Pulaski, RD, and Deanna Nelson, RN, is beginning again, with Diabetes Education classes starting November 19th. Classes will be held each Tuesday for four weeks and are taught by a registered dietitian who is a certified diabetes educator, and a nurse who has a degree in exercise physiology. Medicare has excellent coverage and Barrett Hospital & HealthCare will assist others in determining their insurance coverage. Spouses or other support personnel are encouraged to attend. For more information, please contact Jill Pulaski, RD at (406) 683-3041.

HOMETOWN HUMANITIES: DILLON HOSTS HUMANITIES MONTANA SPEAKERS BUREAU PROGRAM "THE INDIAN EDUCATION OF LEWIS & CLARK" WITH HAL STEARNS

Hometown Humanities: Dillon will host Humanities Montana Speakers Bureau program "The Indian Education of Lewis & Clark" with storyteller Hal Stearns on Wednesday, November 13. The program will be at the Depot Theatre at 7:30 p.m. The presentation is free and open to the public. Partial funding for the Speakers Bureau program is provided by a legislative grant from Montana's Cultural Trust and from the National Endowment for the Humanities.

A soldier-humanist, retired general Dr. Hal Stearns has traveled the trail from Monticello to Fort Clatsop. In this presentation, he is Captain William Clark looking back in time. Without question, the Corps to the Northwest needed Native Americans to succeed in accomplishing their two-plus year trip. Indians provided knowledge, food, great generosity, stories, and significant moments. The trek West by the Corps was and is America's great land expedition. Indians and "Indian ways" added much to their success. This story is a great expression of "Indian Education for All."

An educator for 34 years, today Hal is an instructor for the University of Montana's Lifelong Learning Institute and Humanities Montana. He has a particularly fond interest in sharing his passion for Montana and the West and education with community members, students, teachers and administrators. He has led tours coast to coast and lectured in over 40 states, Germany, England, Japan, Korea and Brazil.
