What A Grandmother is (a Third Grade Essay)

"A grandmother is a lady who has no children of her own so she likes other people's little boys and girls. A Grandfather is a man grandmother. He does for walks with boys and they talk about fishing and tractors and like that.

Grandmothers don't have to do anything but be there. They're so old they shouldn't play or run. It is enough if they drive us to the market where the pretend horse is and have lots of dimes ready. Or if they take us for walks, they should slow down past things like pretty leaves and caterpillars. They should never say "hurry up."

Usually they are fat but not too fat to tie shoes. They wear glasses and funny underwear. They can take their teeth and gums off.

It is better if they don't have to be smart only answer questions like why dogs hate cats and how come God isn't married. They don't talk baby talk like visitors do because it is hard to understand. When they read to us they don't skip or mind if it is the same story again.

Everybody should they to have one, especially if you don't have television because Grandmas are the only grown-ups who got time."

BUTTE AREA PET RELEASE CLINIC OFFERED NEXT WEEK

Montana Fish, Wildlife & Parks and the Montana Trappers Association will host a pet release clinic on Thursday, Nov. 21, from 7-9 p.m. in the US Forest Service conference room at 1820 Meadowlark Lane in Butte.

Like the workshops previously held this year in Bozeman, this clinic will give non-trappers hands-on experience with common traps, and the basic knowledge needed to release their pet in the case of an accidental capture. Participants will also learn what to look for on the landscape and how to best avoid traps.

Registration is required as space is limited. Those wishing to attend must call Butte Area Biologist Vanna Boccadori at (406) 494-2082 and leave a message with their name and phone number.

The Beaver Head Hunters Genealogical Society

The Beaver Head Hunters Genealogical Society will hold their next meeting on Tuesday, 19 November at 7:00 pm in the Museum Research room. We all grew up with family holiday traditions. But when we marry, we sometimes drop them in preference for a spouse's tradition, or create new ones. A couple members have been asked to talk about some of their old and new holiday traditions, and as time permits, we will open it up for all members to share. As always, the public is invited.

WESTERN BEATS TECH

Western Bulldogs met with the Tech Orediggers Saturday evening at home. The Bulldogs got ahead early and played great defense in the first half of the game. The Bulldogs are 4-5 for the season after the 20 to 14 win, but they have one more game for the season. Tech so far is 3-6 this season.

The Bulldogs got down the field on many short to medium plays and put points on the board on their second possession. But what kept Western in the game and gave them the win was their tough defense against Tech.

The Bulldogs led by 12 points at half time.

For the night Western had 20 first downs to Tech's 14. In Rushing yards Western had 59 runs for a total of 308 yards. Passing yards were 170 total for Western compared to Tech's 231 and Western also came out ahead in the stats that they didn't want and that was penalties of 7 for 51 yards.
