MODERATE SUCCESS IN WEEKEND THREE OF BIG GAME SEASON DESPITE UNSEASONABLY WARM CONDITIONS

Region 3 operated six check stations on the third weekend of the general big game season with harvest success up slightly at most check stations compared to 2012 numbers. When reporting their check station totals, biologists noted that the unseasonably warm temperatures kept game movement to a minimum. The most significant change from week to week was the drop in the harvest rate seen at the Cameron check station from over 13% the previous weekend to under 8% during the third weekend.

**Silver City opened at noon on Saturday
Alder also checked in 5 antelope
Clyde Park also checked in 3 antelope, 1 moose, 1 goat (not counting toward above totals)

For the first time in recent years, FWP staff operated a check station in the Clyde Park area with a harvest rate of 10.5%. Hunters took 16 elk, 21 mule deer, and 7 white-tailed deer. Staff also checked in 3 antelope, a moose and a goat which are not counted toward overall success numbers.

Meanwhile, greater success was seen at the Alder check station where 288 hunters passed through with 14 elk, 15 mule deer, 12 white-tailed deer (and 5 antelope).

The highest number of hunters (421) came through the Silver City check station near Helena where hunters harvested 9 mule deer and 4 elk.

Mill Creek and Divide followed the trend of the weeks prior with Divide seeing a harvest of 7.6% (down slightly from 8.2%) and Mill Creek seeing a harvest of 3.2% (up slightly from 2.7%).

Letter to the Editor

It's called 'Echelon,' a reciprocal surveillance agreement started in 1947 between Britain and U.S.A. to eavesdrop on Russia. Now it's illegal for our government to wire tap us but by treaties, the 'foreigners' can, giving the captures information to our government legally by using the "Supremacy Clause" in the Constitution, Article VI "... the Laws of the United States which shall be made in Pursuance Thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby..."

Allegedly, the U.S. allows/assists foreigners to tap us under the guise of protecting us from foreigners. What prevents the 'friendly's from selling information to 'undesirables'? Allies turn on each other. What other Agencies have access to the same taps? Military secrets, trade secrets and your secrets were never 'secret.' With such sensitive information blackmailing any politician, judge, corporate executive or anybody would be easy and lucrative. How can you prevent capturing of your information through the air? Has technology or its misuse gone too far? Who knows? The NSA/others with active taps know, or to be politically correct, the foreigners know.

Prissy is a sweet, spayed, Black Lab cross puppy. She will be a great companion to her new best friend. Has she been waiting for you?

Rozzy is a 2 year-old, spayed, tri-colored, Heeler cross. Rozzy needs an active owner that would like to hike, bike or jog. She would also be OK on a ranch. She is housetrained and is OK with cats.

Mellie & Rose are 5 year-old, spayed, Lab crosses. Rose and her sister Mellie came to the shelter absolutely skin and bones. We do not know what happened that they were out on their own long enough to get in such bad shape.

Mellie is black & white, as sweet as can be and very friendly. She would love a home where she will be appreciated as a family member. She is housetrained and walks good on a leash.

Rose is a very kind, gentle brown & white dog. She is housetrained and walks great on a leash. She will make someone a great companion.

Kyak is a 2 year-old, neutered, Australian Shepherd, Husky cross. Kyak is an interesting dog. He is active and fun to play with. He would love a home with an active family. He is good with kids and other pets. He gets along well with other dogs. He walks OK on a leash but could use some training.

To get more information about these great pets or any of the other wonderful animals at the BVHD Animal Shelter call 683-8119 or stop in to visit at 80 Lagoon Lane. The shelter is open Monday, Tuesday, and Thursday, Friday, & Saturday. We are closed on Wednesday and Sunday.

Please support your local Animal Shelter; every little bit helps.

My Dearest Constance,

I can hardly believe that today you are 1 year old. It seems as though it was just yesterday that the nurse placed you in my arms and congratulated me and your Daddy. I remember how little you were, and how perfectly you fit in my arms, and how though it was the first time I had held you, you were always meant to be mine.

For the last year, I have watched you learn and grow everyday, at 1 year old, you are still my little peanut. You are so loving. You give the very best kisses, and I love every second of our snuggle time.

I am so thankful to be your Mommy. I am truly blessed beyond words. God knew exactly what He was doing when He gave you to me. He knew that you were exactly what I needed. I love you, my sweet 1 year old. Grow up strong knowing that I will always be here for you. Let God direct your paths, and you'll really go far.

Thank you, sweet baby, for every smile, every giggle, and every sparkle in your eye.

Love always,
Mommy and Daddy (Amara & Cory Martinez)
