Michael Thomas Glennon 33

Our Beloved Michael went home to be with god on November 22, 2013. Mike was born on May 25, 1980 in Butte, MT to Michael Edward Glennon and Linda (Sage) Glennon. Mike spent the early part of his life living in Glen, MT a place which was very dear to his heart. Whenever someone would ask him where his favorite place on earth

was? Mike was always quick to respond with "God's Country" Glen, MT. Mike attended Riechle grade school and then went on to attend East Junior High and eventually Butte High School as part of the class of 1999.

After school Mike left his beloved Montana behind to start a new chapter of his life where he pursued a career working with his father for Rigging International as a crane operator. Having passed the stringent testing for his crane operators license, Mike started operating cranes on projects ranging from nuclear power plants to sea ports throughout the United States. Mike was a proud member of the International Union of Operating Engineers District Council 36 local 1036.

In 2010 Mike came back home to Butte and then moved down to his beloved "Ranch in God's Country" Glen, MT. This is where Mike truly found his happiness in life. Mike was once again reunited with the lifestyle and past times that he so loved. Mike loved working on the ranch, fishing, hunting, and just plain living on his own little paradise. The ranch was not the only thing in life Mike loved. Mike adored his daughters Angel and Brooke Glennon. They were the apples of his eye. Mike never missed an opportunity to show off a picture or two or just plain brag about his two little beauties. When he wasn't talking hunting or fishing he was talking about his daughters and when he wasn't talking about his daughters he was talking cars. Mike also had a love affair with 60's muscle cars in which he had started collecting several years prior and currently had two set aside one for each one of his daughters.

Mike will be truly missed by all those who knew and loved him. Mike will always be remembered in our hearts as a father, a son, a brother, and a friend.

Mike is survived by: Mother and Stepfather Owen and Linda McDevitt, Father Mike and Mila Glennon, daughters, Angel Glennon, Brooke Glennon, sister Sarah (Doc Vivian), sister Michelle (Mike Blakeley), sister Beverly Baril Glennon, sister Kelly McDevitt, brother Jerico Glennon, brother Shawn McDevitt as well as numerous nieces, nephews, aunts, and uncles.

Services will be held at Brundage Funeral Home 300 South Atlantic Dillon, MT

November 26, 2013 at 1:00pm. www.brundagefuneral-home.com guest book.

BEAVERS WIN STATE TITLE AGAIN

The Dillon Beavers did a great job bring home the state title again for the sixth time since 2000. They ended their season 11-0 while Billings Central finished 9-2 with both losses from the hands of the Beavers. This was the third straight year that Dillon and Billings have met for the title and with once before that they have split those four meetings. Beavers quarterback J.D. Ferris had a great afternoon, he finished with 245 yards passing, 73 yards rushing, threw two touchdowns and run for two touchdowns.

Dillon's opening drive ended with a Ferris fumble but after that the Beavers forced Central to punt and the Beavers made up for the first drop. Ferris hit Mick Paffhausen in the first short pass that turned into a 71 yard play for a touchdown. Billings then had another 3 and out set of plays. The Beavers came back with a 17 yard pass to Paffhausen and then Ferris carried the ball up the middle on a quarterback draw into the end zone.

Paffhausen had four catches for 104 yards, Troy Scott caught two for 71 yards while Colton Riebe had 57 yards rushing. Ferris' second touchdown pass was to M.J. Simkins in the first half to put the Beavers up 18-0. Dillon went up 25-0 late in the third quarter after a 66 yard pass to Troy Scott and a two yard run by Ferris.

As a tribute to their coach and offensive coordinator the Beavers wore like blue colored socks to support Steve Vezina who is battling prostate, liver and colon cancer. A great job by the players, coaches and fans of Dillon

Building Active Communities Initiative meeting November 27th

The Building Active Communities Initiative (BACI) is a training and mentoring opportunity designed to help local leaders build active and vibrant communities. An active community is a place where it is easy and safe for people of all ages and abilities to walk or bike or take public transportation for their everyday routines or for the purpose of recreation. The demand is on the rise for safer and more accessible communities to better serve people with disabilities and the growing number of seniors. Local leaders are recognizing the economic benefits of safe, walkable, bikeable and accessible communities, including the opportunity to attract new businesses, tourism and a stable, well-paid workforce. Dillon has slowly been working towards this goal with the development of walking paths and fixing city streets.

Beaverhead County Public Health would like to invite all interested individuals to attend an informational meeting to discuss the BACI and grant application on Wednesday, November 27th at 10 am in the Barrett Hospital Board room. Please call Sue Hansen at 683-4771 for questions.

LETTER TO THE EDITOR

Dear "Pass it on"

At \$50,000 annual income you are at 435% of the Federal Poverty Level or FPL, therefore you qualify for ZERO subsidy. At \$45,000 annual you are at 392% of poverty level, according to the subsidy calculator, you should qualify for a tax credit subsidy of up to \$2,300. (Should?)

The problem with going on-line for an Obamacare quote before going to the Subsidy Calculator, you just gave a lot of information to the Fed's. Of course we know they would NEVER pass that onto the IRS. Remember the big Boa in Jungle Book "hissssss Trust Me"

Cheryl, reviewing your information in the Dillonite, I assume you are a non-smoker age 60, That's according to the \$597 monthly premium for Montana rates. The closest non-exchange plan is the Silver #1 (HSA qualified) with a \$3,500 deductible and Zero co-insurance. Not a bad deal!

Thank you for the additional terrifying information in paragraph 3 & 4. That goes well with "your premiums will go down" "you can keep your Doctor" "hissssss Trust Me"?

Going to the Obamacare website may be worth the risk if;

1. You Googled Subsidy Calculator first.
2. Your FPL is below 400%
3. You want your information available on a high risk website. (hissssss trust me)

Cheryl send that e-mail to a National News outlet, no one believe it.

Legion Post 20 Sponsors Lunch Bunch

Thomas W. Straugh
Post Commander

October 13, two days after Veterans Day, American Legion Post 20 sponsored the Ministerial Alliance's Lunch Bunch. That is, we donated and served pizza, cookies, veggies, sodas, and chips to 78 Beaverhead County High School students at lunch time. Seventeen large pizzas were devoured by the hungry students.

The Post Chaplain presented the story of the Four Chaplains. They were the men who when their troop ship was torpedoed passed life vests to the soldiers until all of the life vests were given away. When the ship sank they were last seen standing arm in arm singing a song of praise on the flooding deck. That day 600 of the 900 troops and sailors who were aboard the ship were lost at sea. The survivors made it through because they wore life vests handed to them by the chaplains. These men who gave their lives were of mixed religious faith but each served God in an outstanding way. I've never seen that many high school age students paying such strict attention unless there was extra credit attached.

Chaplain Hamar then introduced the six Legionnaires who helped serve the students. It was humbling to be acknowledged as a hero in our town. We were pointed out as individuals who answered the country's call and who are still there to help kids just as adults had helped us.

As you may recall, high school can be a joy and can also be a trial. Bullying is only one of many issues these adolescents face. Alcohol, drugs, suicide and many other pressures mount up. Small gestures like a warm delicious lunch in a safe environment can make a big difference.

I think the Legion Post should make this one of our annual events. We are active in the community but don't have an identity with the younger set, at least those who don't play Legion baseball. Positive role models, friendly grandfather figures, source of good lunch, kind words and encouragement. These go a long way to help the day be positive...for the students and the Legionnaires.

Thank you, Chaplain Reese Hamar, for bringing it to the group. Dick Steven-Hassard, Leonard Lashlee, Steve Esquibel, Jim Watkins, and Tom Straugh are all happy to have been part of the event.

I would like to take this opportunity to express my heartfelt gratitude to those who supported me through my campaign. I appreciate your votes and confidence in me. I appreciate the opportunity to serve as your mayor for the last three terms. I want to offer a special thanks to my staff and dedicated employees for their contribution to our success. Thank you to all the members of the Council for your community service and dedication. I hope the next administration has as much support as I have experienced. I would consider serving as your mayor at the next opportunity.

Thank you

From missing pieces to the Dillon community and business associates for an excellent 2013.

Terry and Dan are extremely appreciative for your terrific support and wonderful conversations during the past year. A small business needs this support to succeed. We are looking forward to the 2014 Business season (April thru November) and continue to serve the community with pleasure and optimism. As most of our clients and guests know, we are available during December through March should we be in town. Our telephone number is posted at 505 S Atlantic St.

We have been blessed with two grandchildren, one in June and the other expected in late November, thus along with the first six grandchildren we may be taking more time traveling during 2014. We will maintain the Missing Pieces open dates and hours during our 2014 absences with valued help from other members of this community.

Our final 2013 scheduled business day will be November 30th. We are planning to open Wednesday (November 27) before Thanksgiving Day, close on Thursday, then open the 29th & 30th. Dan will be available for off days appointments during the last week of November (Terry should be in Arizona holding her new granddaughter and joined by Dan after November 30th.

To celebrate the end of our 2013 business season we have selected 4-5 significant pieces to deep discount for your viewing enjoyment or potential purchase, along with other sales and discounted items as another way to recognize your support.

Safe and Happy Holidays... Thank you again from Terry and Dan
