The Democrats Raw Abuse of Power...

Submitted By Chuck Dishno

In 2005 then-Sen. Barack Obama said, "I rise today to urge my colleagues to think about the implications of what has been called the nuclear option... If the majority chooses to end the filibuster, if they choose to change the rules and put an end to democratic debate, then the fighting, the bitterness, and the gridlock will only get worse."

In 2005 then-Sen. Joe Biden said, "This is the single most significant vote any one of us will cast... This nuclear option is ultimately an example of the arrogance of power. It is a fundamental power grab by the majority party... designed to change the reading of the Constitution... It is nothing more or nothing less."

In 2005 Sen. Harry Reid said: "The threat to change Senate rules is a raw abuse of power and will destroy the very checks and balances our Founding Fathers put in place to prevent absolute power by any one branch of government. The roots of the filibuster are found in the Constitution and in our own rules."

But they did it anyway...

Last week Obama said, "Today's pattern of obstruction, it just isn't normal. It's not what our founders envisioned. A deliberate and determined effort to obstruct everything, no matter what the merits, just to refigure the results of an election, is not normal. ... So I support the step a majority of senators today took to change the way that Washington is doing business."

Unfortunately while we are looking forward to Thanksgiving and turkey, we are being given the "bird" by the Democrats in there never ending abuse of power by trashing our beloved Constitution.

God bless all of you and have a Happy Thanksgiving from Chuck Dishno.

Dillon Public Library to host discussion on Dreams of Trespass

Dillon Public Library will host the fourth session in a free five-part reading and discussion series called Let's Talk About It: Muslim Journeys. This reading and discussion series is part of Humanities Montana's Hometown Humanities Dillon initiative. The Dillon Public Library is one of 125 libraries and state humanities councils across the country selected to participate in the project, which seeks to familiarize public audiences in the United States with the people, places, history, faith and cultures of Muslims in the United States and around the world. Funding for Let's Talk About: Muslim Journeys is provided by a grant from the National Endowment for the Humanities (NEH) and the American Library Association (ALA).

"We are delighted to have been chosen to host this unique series that will allow patrons a chance to discuss some important themes in Muslim history and literature with the help of a well-qualified scholar," said Dillon Public Library Director Marie Habener.

The program will explore Dreams of Trespass by Fatima Mernissi and will be held on Thursday, December 19 at 6:00 p.m.. All programs will be held at The Old Depot Theatre. For details or to register, please contact Marie Habener at (406) 683-4544 or email mhabener@bresnan.net.

Professor Samir Bitar will lead a discussion of the book. Bitar holds a master's degree in linguistics, teaching methods, and cultural geography. His extensive teaching and lecturing experience includes the courses "Intro to Arabic Poetry & Literature" and "The Arab World: Its History, Peoples, and Cultures." Bitar is a native Palestinian who came to Montana at age 16 as a freshman in college.

All of the books to be discussed in this series are part of the Bridging Cultures Bookshelf: Muslim Journeys. The books and films comprising the Bookshelf were selected with the advice librarians and cultural programming experts, as well as distinguished scholars in the fields of anthropology, world history, religious studies, interfaith dialogue, the history of art and architecture, world literature, Middle East studies, Southeast Asian studies, African studies, and Islamic studies.

The Bridging Cultures Bookshelf is a project of NEH, conducted in cooperation with the ALA Public Programs Office, with support from the Carnegie Corporation of New York. Additional support for the arts and media components was provided by the Doris Duke Foundation for Islamic Arts. Local support is provided by Humanities Montana.

I have a Dream

Geoge Fryett Jr.

I have a dream verse- first written in 1980 while I was getting ready to leave Mendocino for my return to Montana

To all my friends in the world wherever you may be. The following I have rewritten a number of times over the past few years. I would like to share with you.

When all begins to look very bleak, take a moment to read this.

I too have a dream, part of that dream is to know that somewhere out there, I have left a wonderful ongoing memory with someone.

To have lived and never dreamed, is to have existed only.
To dream and experience, is to have survived.

To be able to remember that tomorrow is only what you want it to be.

To make it real is to have gone beyond.

I reach out, I touch, I care, say it and believe it.

You can love and be loved.
You can share and be shared.

I cherish the moment when I know that a thought, a touch, a look can carry you to the highest point within space and time. Many things have been said and written before, all fortifying that, Yes your thought and viewpoint is Important.

Say it, go for it, do it, and do it now.

No cloud is ever too high, to not be able to ride upon it.
Without dreams, there can be no tomorrow's.

**REGION 3 FWP SEEKS APPLICANTS FOR
CITIZENS' ADVISORY COMMITTEE**

The deadline to submit applications for the Region 3 Citizens' Advisory Committee (CAC) is this Friday, November 29. To obtain an application, visit the FWP Region 3 office at 1400 S. 19th Ave., call 406-994-4042, or email anjones@mt.gov. FWP Region 3 managers will select the new members and all applicants will be notified by mail by the end of the year about the results of the selection process.

FWP is interested in selecting members from a pool of candidates who represent a variety of interests and communities within the Region. Applicants will be asked to provide an overview of their interests and involvement in natural resource issues. Finalists may be asked to interview by phone or in person.

At the end of this year, the Region 3 CAC will be losing representation from the tourism industry, the conservation community, and members with fishing and hunting interests. Geographically speaking, some representatives from the Butte and Bozeman community will be terming out, while the Committee does not have a representative from the Dillon area at this time.

The Citizens' Advisory Committee helps FWP achieve its goals by sharing information, ideas, emerging trends and initiatives from the public in a setting that welcomes differing points of view. Citizen advisors serve in a voluntary capacity with meals and travel expenses provided. Half-day meetings are held quarterly in Bozeman. All meetings are open to the public.

Specifically, the functions of the CAC are to:

- Help promote Montana's strong hunting, fishing, trapping, and outdoor recreation traditions
- Give citizens more direct input into FWP decisions
- Provide a forum for ongoing two-way communication with our neighbors and communities in southwest Montana
- Help FWP personnel maintain and improve responsiveness to the public
- Help FWP identify emerging issues
- Provide advice and perspective on important resource and management issues
- Assist FWP with crafting local, sustainable solutions on regional and statewide issues

Resource Center

The Resource Center would like to inform the community of our Thanksgiving Holiday schedule. Our office will be closed starting November 27th and will resume regular working hours Monday December 2nd. If you need to speak with an advocate you may call our 24/7 hotline @ 800-253-9811. Our Middle School Boys & Girls groups will not meet this week. Additionally, we will not be hosting Congregate Meals for Senior Citizens this week. The Board and Staff of the Resource Center wish you and your family a wonderful Thanksgiving Holiday.

The 2013 Festival of Trees event was a huge success. The Tree Board Ladies are amazing. I was taken back by the excellence for which their committee conducts themselves with. The event fashioned special memories for our agency & those we work with. The Resource Center looks forward to completing our shelter roof project which was used to house victims of domestic violence and sexual assault for more than 120 days in 2012. Words can not describe our gratefulness to the Festival of Trees Board for selecting our agency to benefit from the proceeds. All of those in community who supported the event, the Resource Center thanks you!

Sincerely, Kelly L. McIntosh, ED, Women's Resource Center.

THE UMW HOSTS GRIMM'S FAIRYTALE PRODUCTION

Tales will include Rapunzel, Rumpelstiltskin and Hansel and Gretel. The tales will appeal to all ages.

The show premieres Thursday, Dec. 5, at 7 p.m. Shows will continue Friday through Sunday at 3:30 p.m. with additional showings at 7 p.m. on Friday, Dec. 6, and Saturday, Dec. 7.

A special "Grimm's for Grownups" production will be held Friday and Saturday at 10 p.m.

"We obtained several translations of the Grimms brothers' original stories to create our own versions," said Judy Ulrich. "The intent was to be faithful to the originals as possible - what happens in the story, the mood and the characters."

Tickets are \$2 for students, \$5 for adults and free for UMW students with IDs. All showings are in the Beier Auditorium.

For more information contact Judy Ulrich at 683-7422.

Beaverhead County Sheriffs Office

Jay T. Hansen, Sheriff

On November 3, 2013, the Beaverhead County 911 Center received a call from a hunting party in the Basin Creek area, north of Lima. The caller reported an eleven year old girl receiving a gunshot wound to the leg. The reporting party provided GPS coordinates that assisted the 911 Center in determining where to dispatch emergency personnel.

The 911 Center dispatched the Lima Ambulance as well as the Air Ambulance out of Idaho Falls, Idaho. A short time later, the 911 Center received another 911 call from a family member informing the Dispatcher that the patient and her father were in a truck, traveling in the direction of Lima to meet with the Lima Ambulance. Within twenty minutes, father and daughter met with the Lima Ambulance. Approximately 15 minutes later, the Lima ambulance met with Air Idaho Ambulance near the Snowline Exit of Interstate 15. The patient was transported to the Eastern Idaho Regional Medical Center.

According to relatives, the victim and her eleven year old cousin had been hunting with their fathers and relatives. When they became cold, both girls were taken back and left at camp while the others continued hunting. During that time without parental guidance, one of the firearms left at camp was discharged, striking the victim in the upper leg. The Lima deputy investigated and determined the incident was accidental.

A call to the family over the last weekend indicated that the patient is recuperating well. She was a patient for eleven days at the Eastern Idaho Regional Medical Center and was released to go home ten days ago.

I would like to take this opportunity to express my heartfelt gratitude to those who supported me through my campaign. I appreciate your votes and confidence in me. I appreciate the opportunity to serve as your mayor for the last three terms. I want to offer a special thanks to my staff and dedicated employees for their contribution to our success. Thank you to all the members of the Council for your community service and dedication. I hope the next administration has as much support as I have experienced. I would consider serving as your mayor at the next opportunity.
