Charles Francis Richardson, 86

Charles Francis Richardson was the oldest of 10 children born to Walter and Marie Richardson on February 8, 1927 in Dillon. He passed Monday, December 9, 2013 with his family by his side.

He attended grade school in Bannack; during high school he boarded in Dillon and attended Beaverhead County High School until he was 17. He enlisted in the Navy and served on the USS Edwards in the Pacific during WW II, as a Gunner's Mate Third Class.

After the war Charlie returned to Dillon and met his wife of 63 years, Frances Joyce Giudici. They were married November 26, 1949 in Dillon. Charles went to work for Brown Oil Company. Charles and Frances had two children, Don and Carleen. The Richardson's moved to Maiden Rock Mine, where Charlie learned his electrical trade. While living at Maiden Rock, Charlie enjoyed fishing trips down the Big Hole River and many elk hunting trips with his buddies.

In 1964 Charles and Frances purchased the Gambles store in Dillon, but Charlie loved to be outdoors so they sold the store and he opened his own electrical business, Richardson Electric. He worked hard and built up a business that was well known throughout southwestern Montana.

Charlie loved kids and enjoyed taking his grandchildren and great grandchildren fishing and hunting. He also enjoyed watching them play sports.

Charlie is preceded in death by his wife; Frances. Charles was proceeded in death by his parents; brother, Donald; sister, Janet and sister; Ruth Sinclair.

He is survived by his son, Don of Bigfork; daughter, Carleen (Dick) Chaffin of Dillon; grandson Kevin (Christy) Richardson of Whitefish; granddaughter Jessica Mischke of Kalsipell; granddaughter, Jami (Aaron) Bay of Missoula and granddaughter Juli Devlin of Missoula.

Charlie is survived by 10 great grandchildren, Dayton and Carson Bay; Bridger and Branson Devlin; Brayden, Abree, Kayla Richardson; Mackenzie, Kadance and Nicole Mischke.

Charles' surviving siblings are Heinie Richardson, Norah (Don) Elliott, Jim (Jackie) Richardson, Barbara (Neil) Benson, Patti (Russell) Peterson, Donna (Don) Rude.

Voice your Opinions about Healthcare in Community Health Needs Assessment

Community members in Dillon and the surrounding area may soon be receiving a survey form in their mailbox. This survey is being sent to a random sample of homes this December, and the results will help Barrett Hospital & HealthCare better understand the health services needed in the community. Survey information will be used to guide the strategic planning process at Barrett Hospital & HealthCare in the coming years.

The Community Health Needs Assessment process promotes health care as a local affair. Health care delivered in Dillon is affordable, high quality, and necessary to the good health of the entire community. Citizens can take responsibility for the health of their community by completing the survey they receive in their mailbox.

Another goal of this process is to keep health care dollars here in the local community. Despite the fact that most health care services can be provided locally, rural Montanans often drive to large medical centers for care, spending money on health care as well as non-health care purchases, instead of spending that money locally. It is estimated that within a typical rural community, millions of dollars of revenue is lost in this way. This revenue is more likely to stay in the local community when there are stronger ties between the rural healthcare provider and the community.

The goal of this initiative is for you to assist Barrett Hospital & HealthCare in addressing the community's present and future needs in the best way possible. Barrett Hospital & HealthCare thanks you for your input and your effort in returning the survey.

For more information, contact Ben Power, Data Analyst for Barrett Hospital & HealthCare at (406) 683-3154.

What is Hatred?

By: MJ

All too often the conversations between people around the table are all about what is wrong with other people and how they should change their ways. One might say this is a form of hatred. Hate as defined in dictionary: to dislike somebody or something intensely, often in a way that evokes feelings of anger, hostility, or animosity.

If we can readily see and discuss how others should change their ways perhaps it is time to take an honest look at ourselves. What needs to change in our life -- what do we fear? Perhaps it is your family that is not what you want it to be; maybe it is a friendship that has become muddled; a problem with your job...

Do you need to ask yourself why you are bearing ill will toward someone today? If so take a look at your fears.

You do not have the power to change someone else -- you can only change yourself. There is a saying; "Change yourself and you will change the world around you." When we take care of our fear the hatred melts away.

Hugh Downs said: "Hatred is never anything but fear - if you feared no one, you would hate no one."

Thank you!

I would like to thank everyone who participated in Operation Christmas Child/ Christmas Shoe Boxes. Each group, church, or individual. Whether you filled a box, donated something, or helped financially. You are each a part of brining love to a child at Christmas and it carries through their whole life. Thank you!

I would personally like to thank each and everyone of you who have supported me and encouraged me in this passion of mine for the last nineteen years; the last 8 in my hometown of Dillon! Especially Joe & Brenda Morstein, all the Beany Babies so each child would have a cuddly toy. Carter & Lori Butori, Marty & Ellie Cooksey, Bill & Dixie Cottom, Larry & Darleen Link, Annie & Randy Rorabaugh, Peggy & Mike Coleman, Gisela Hildreth & Mary Sporich for all your financial help. Coach Nourse and the Western Sports team (40 boxes this year) and the Nourses & Chance Bernall for paying the shipping! The Vineyard Church & Day Spring Mission in Sheridan & B.J. Diel! You all rang out the true meaning of Christmas - love and sharing! Thanks to each of you - everyone! Coy & I took 254 boxes to Bozeman. A special thank you to everyone who saved boxes for me all year - Tom & Phyllis Welch and crew at Pioneer Bank. If I missed anyone please forgive me and thank you!

Merry Christmas.

Accidental Shooting Correction

On December 7, 2013 an accidental shooting occurred just outside of Dillon. The original press release indicated that Jason Baker, the victim in the matter, was affiliated with the Montana Wounded Warrior Program. Jason was in Dillon with his friends for a weekend of duck hunting. The incident that was reported to the Sheriff's Office had nothing to do with, nor was it affiliated with, the Montana Wounded Warrior Program. Jason is a mentor to children and on occasion, wounded warriors.

Information distributed to the press through all media concerning this incident, was not accurate.
