Kenneth Wilcox, 93

Kenneth Edward Wilcox, 93 passed away Wednesday Dec 11 at the Tobacco Root Mountain Care Center in Sheridan.

He was born Jan. 5, 1920 at Huron, S.D., to George Faye and Helen Maude (Choate) Wilcox. In 1930 the Wilcox family migrated to Greeley, Colo. Kenneth graduated from Greeley High School at the age of 17. He made two grades in one year. In 1938 at the age of 18 he married Anna Marie Foster. They had been married 73 years at the time of her death.

In 1941 he went to work for United Airlines. The following year, he was transferred to the Cheyenne Modification Center, where he was employed as a lead mechanic in the machine shop by the U.S. Army Air Force. He spent the war years working on B-17 bombers.

In 1950, he and his family moved to his uncle's ranch in Faith S.D. He worked for his uncles and later became their partner. For the next 25 years they bought and sold ranches in Colorado, Wyoming and Montana. In Montana they owned ranches at Lame Deer, Miles City, Big Timber and Columbus. He also was a house and furniture builder. In his twilight years, he and Anna resided with their son, Steve, and his wife on the Morse Land Co. ranch at Sheridan.

He was a member of Knights of Columbus, charter member of Big Timber Toastmasters, and pasty president of Sweet Grass County Farm Bureau, and a lector at Notre Dame Catholic Church at Twin Bridges.

He is survived by his brother, Frank, of Grants Pass, OR; sons, Herb (Deborah) Chino Valley, AZ, Steve (Carol) Twin Bridges, Tim (Kay) Sheridan, Mike (Sandy Jo) East Glacier; and daughter Patti (Ron) Mogen of Forsyth. He was also "Grandpa" to 20 grandchildren and 36 great-grandchildren and five great-great-grandchildren.

A Mass of Christian Burial will be held at 10:30 am Tuesday, Dec. 17 at the Notre Dame Catholic Church at Twin Bridges. The vigil service will be at 7 p.m. Monday at the K & L Mortuary Chapel at Twin Bridges. Interment will be in the Sheridan Cemetery.

Safety Advised on National Forest during Trapping Season

Montana's trapping season is in full swing and the Beaverhead-Deerlodge National Forest wants to offer important reminders for all winter recreationists.

Melany Glossa, Beaverhead Deerlodge National Forest Supervisor, says "Montana's Fish Wildlife and Parks (FWP) has trap setback requirements from roads, trails and campgrounds and most trappers take additional efforts to place traps in areas well away from those frequented by other recreationists." Dog owners and others concerned about trapping can minimize risks by staying on well used routes and keeping pets close by when hiking, snowshoeing, or skiing." Glossa adds "Keeping pets close to you while out in the woods helps reduce not only accidental trapping concerns but also keeps pets from unnecessarily harassing wildlife." According to FWP, winter recreationists should be on the look-out for signs of trapping activity; a lightly traveled snowmobile track or a few footsteps in the snow may indicate a trapper's presence and should be avoided.

Recreationists who want to learn more about Montana's trapping season should look at the website <http://fwp.mt.gov/hunting/trapping/>. The link has good information, such as how to become more proficient at releasing traps and snares and Montana Fish Wildlife and Parks contact information.

For additional information about winter recreation opportunities on the Beaverhead Deerlodge National Forest call (406) 683-3900 or go online to <http://www.fs.usda.gov>.

F&W COMMISSION LEAVES OPEN POSSIBILITY FOR BRIDGER SHEEP REINTRODUCTION

With the ongoing high level of interest in returning bighorn sheep to the Bridger Mountains, the Fish & Wildlife Commission decided Thursday not to shut the door on a possible reintroduction to the range north of Bozeman. The Department ultimately recommended not proceeding with a proposed reintroduction given the high risk of disease transmission from domestic to wild sheep without adequate measures in place to prevent comingling of the animals. The Commission's decision means FWP will continue to monitor opportunities for a reintroduction to the Bridgers. In doing so, FWP will maintain its effort to foster relationships with local domestic producers and reintroduction advocates in order to concretely address potential comingling risks and provide for a future action with a higher probability of success.

FWP drafted the Bridger bighorn sheep reintroduction proposal in 2012. The proposal involved the capture of approximately 30-40 bighorn sheep from elsewhere in Montana to be released in Middle Cottonwood Creek area on the west slopes of the Bridgers. The proposal was released for public comment in November of 2012.

In December of 2012, FWP decided – based on the environmental assessment and public comment – the chance of long-term success of a reintroduction without necessary mitigations in place would be minimal. However, FWP pledged to continue working on the issue and reevaluate in December of 2013 to measure whether sufficient progress had been made toward that end. With Thursday's Commission decision, that effort will be extended for another year.

12th Annual Christmas Honor Tree

The White Hat Coalition is displaying their 12th annual Christmas Honor Tree at the Big Sky Cinema until January 2nd. The special tree is filled with stockings made by the Girl Scouts. If you wish to place a special message to our troops and veterans this Christmas just drop your message in one of the many stockings and they will be forwarded to our men and women serving our country during Christmas and New Years.

The Coalition would also like to thank everyone that donated items for our care pack send outs to our troops for the holidays. Our troops will truly appreciate everything our community does to support them and their families during this season when they are so far from home. We really do live in a great community.

DRIFT GALLERY ANGEL TREE

It is that time of year again for everyone to remember the ANGEL TREE at the Drift Gallery. The Angel Tree isn't a normal giving tree this tree is what we call a tree of need. Every name on the tree is asking for things that the children are needy. These little angels are asking for coats, clothing, bedding and hats, gloves ect. This maybe the only time of the year that these children receive new clothing or have the chance to receive bedding. The tags on the tree give the information, you pick the angel that interest you check the angel out and bring the gift back in. The Drift is located on 12 South Idaho (between Patagonia and the Dillon Liquor Store). For more information call Lily at 683-3456. Come in and help a child believe. We have a record number of kids this year.

FWP TO PROCEED WITH MADISON BIGHORN SHEEP REINTRODUCTION

With Thursday's approval from the Fish & Wildlife Commission, Montana Fish, Wildlife & Parks will move forward with the reintroduction of bighorn sheep to either the Indian Creek or Wolf Creek area of the Madison Range this winter.

FWP will trap up to 50 bighorn sheep from the southern Madison range herd in the Quake Lake area then reintroduce them to the Indian Creek drainage (unless the Wolf Creek drainage proves more appropriate given timing and logistics) in the winter of 2013-2014 with the understanding that future transplants may be necessary to augment the population.

The goal of this reintroduction is to increase the overall herd size in the Madison, establish a new wintering area in the Madison for bighorn sheep, and restore a native species to the area.

A copy of the Department's decision notice including a summary of the comments and details about the reintroduction plan can be found at the following link:
http://fwp.mt.gov/news/publicNotices/decisionNotices/pn_0674.html

In the last year, Area Biologist Julie Cunningham worked closely with area landowners throughout this process. A 52-day public comment period which closed Nov. 8, 2013 generated 35 comments almost entirely in favor of the reintroduction.
