Daniel Russell Stanger, of Lima, Montana passed away on Friday, January 17th at Barrett Hospital and Healthcare. Funeral services are being planned for Friday, January 24th at the LDS Stake Center in American Falls, Idaho at 3 PM. A full obituary will follow in tomorrow's paper.

CITY HAPPENINGS

By: Lynn Westad

It has taken me a couple of days to write this to be as accurate as possible and I am going to skip the routine business and address the most important issues. Wednesday night Jan 15 the first Council meeting of 2014 was called to order by Mayor Michael L. Klakken. All council members were present. The room was full with many citizens.

First I will report the votes on appointments: City Treasurer: Dick Achter, Bob Cottom, Derek Gore, Bill Shafer, David Spehar, Nels Troedsson, Lynn Westad NO Dan Nye YES Final: NO 7 YES 1

City Attorney: Dick Achter, Dan Nye, Bill Schafer YES Bob Cottom, Derek Gore, David Spehar, Lynn Westad NO Nels Troedsson recused himself Final: NO 4 YES 3 Final results no new appointments.

First I will give a brief explanation of the Dillon Charter government. Four positions are appointments; City Clerk, Director of Operations, City Attorney, and Treasurer. Once appointed they became City employees with all the rights of any person who is employed. Every 4 years 3 are reaffirmed with one the City Attorney reaffirmed every 2 years.

The change this year was the new Mayor in December before he was office he gave notice to two employees the Treasurer and City Attorney. These four appointed employees are required by statute to remain in their positions until new appointments are approved so City business can proceed. The terms of the Dillon Personnel Manual in particular Section 48 was not followed and State Title 39 Labor Law was not followed.

Many people have asked why the Mayor could not have the appointments he selected? The main question is why was he was giving notice to employees before he was in office?

I wish it was simple but unfortunately it is not. A few years back a new Mayor in Butte fired two appointed employees on his first day. They filed a wrongful termination lawsuit in Federal Court. I have read the decision carefully. Long story short the Judge's decision stated that even though appointed they were employees and they were fired without just cause. This means that they were correctly performing their duties and there were no just cause for being fired. The settlement was ONE MILLION DOLLARS (\$1,000,000.00). This settlement was not paid by insurance. How would you feel about a large increase in your property taxes? This landmark case changed everything.

In my past employments I handled these types of lawsuits so I do have the experience to read the decision and correctly evaluate the importance of the Judge's decision. I cannot

speaking for the other Council members but I am willing to explain my decision.

Yes, as many have stated the Mayor can make new appointments and then it is approved by the Council. They could become employees that should not be fired unless there was just cause. With the knowledge of this lawsuit, the Mayor gave notice to two employees in December. He then wanted the Council to approve two people of his choice. The Mayor and several others from the public commented on minor differences in the Butte lawsuit and they may be interesting but in the end they really had no bearing on the Judge's decision.

This put the City Council in a terrible predicament. Appear the persons selected by the Mayor and open the City up to a wrongful termination lawsuit that has great potential to be lost. Many have made comments that they still do not understand why the Mayor could not have his appointed people. People's employment civil rights has changed greatly in the last few years. For all of us when we have a job we depend on that salary and as long as we perform adequately we continue in our job. So these four employees if they continue to perform their duties satisfactorily they can continue in their positions.

I hope this makes the reasons for my action clearer. You can debate these issues which attorneys especially like to do but still you cannot fire employees without just cause.

The two new appointments were qualified but in my opinion the risk to Dillon was too high. Sometimes your elected Council members have to make very difficult decisions and this was one. We represent our Wards but sometimes we have to make really hard decisions that affect the entire City. This was definitely one of those times.

I try to just report the actions taken at Council but this meeting needed more explanation. So let's put this behind us. The Mayor and City Council have to work as a team. I will, and I am sure others are willing to do the same working as professional adults to come together handling the affairs of the City.

CITY COMPUTER & APPOINTMENTS:

By: MJ

CITY COMPUTER: It was found that the computer in Mayor Malesich's office had no information pertaining to city business on it. Possibilities: 1) Maybe during the twelve years the mayor was in office he did not use the computer. 2) Maybe a scrub job was done on the computer. (Scrubbed is a key process that can be used to take everything off a computer and restore it to the blank slate it would have had when it was purchased.)

The state Constitution defines what "document retention" is and how public documents or information will be disposed of. For example: Minutes and any by products that pertain to the minutes, like emails, cassette tapes and etc must be retained or disposed of according to law.

APPOINTMENTS OF ADMINISTRATIVE OFFICIALS:

Charter 2.11 (2): "Neither the Council, nor the Council members shall in any manner dictate the appointment or removal of any City officers or employees whom the Mayor or any subordinates are empowered to appoint".

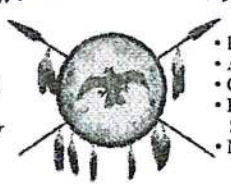

NOTE: The city council rejected Mayor Klakken's appointees that would replace Duke Gilbert and Ty Cobb. Saga continues. Did the council have the power to reject the mayor's appointment?

BEAVER GIRLS DROP ONE IN HAMILTON

The Dillon girls basketball lost on the road to Hamilton 37 to 51. The Broncos got off to a good start and took the lead 17-6. Dillon was led by Audrey Schurg with 11 points, three of them 3 pointers, Cierra Lamey put up 9, and Courtney Linder added 8. (4-1 conf., 6-3 overall)

DILLON WINS OVER HAMILTON AT HOME

The Beaver boys won at home on Saturday against the Hamilton Broncos with a score of 50-38. The beavers stay undefeated on the season at (5-0, 9-0). Dillon was led by Troy Scott with a game high 21 points and Brady Richardson had a good night adding 17 points.

The Beavers started the fourth quarter with a 33-30 lead. They got a little more aggressive and after Scott hit a couple 3 pointers they put another one in the W column.

There was a great shot by Justin Ferris from 3/4 of the court away from the hoop at the half time buzzer - he made it, but they didn't count it, said time expired. (BUT WHAT A SHOT!)

Letter to the Editor

At one time in my life, I thought I had a handle on the meaning of the word "service". "It's the act of doing things for other people." Then I heard these terms which reference the word SERVICE:

Internal Revenue Service
 Postal Service
 Telephone Service
 Civil Service
 Dillon City Council
 Customer Service
 Service Stations

Then I became confused about the word "service." This is not what I thought "service" meant.

So today, I overheard two ranchers talking, and one of them said he had hired a bull to "service" a few of his cows. BAM! It all came into perspective. Now I understand what all those "service" agencies are doing to us.

I finally understand what the Dillon city Council means to them "servicing" the City of Dillon's needs.

I hope you now are as enlightened as I am

BULLDOG FOOTBALL LANDS ANOTHER CHAMPION

The University of Montana Western football coach B.J. Robertson
has announced the signing of Bozeman, Mont., senior Wyatt Laakso
to a Frontier Conference/NAIA letter of intent.

Laakso was the starting center for the state champion Bozeman
Hawks. He is a volatile 6' 2" 225 pound offensive lineman who plays
with intensity and determination. Wyatt had 95 career knockdowns
and had better than half of those his senior year when he tallied 53.
Laakso was selected as the 2013 first team all-state center as well as
the first team all-conference center. His team voted him for the Hawk
Best Lineman Award two years running following the 2011 and 2012
seasons. As a junior Wyatt was selected as an honorable mention all-
conference player in 2012.

"We are very excited to add another state champion to the Bulldog
football family," said Coach Robertson. "Wyatt plays with tremen-
dous explosiveness and tenacity on the offensive line. We love the
thought of every offensive play starting in the hands of a guy with
those innate traits."

Wyatt plans to study business management while attending UMW.
He is the son of Rod and Shelley Laakso.

Forest Service Offices Closed Jan. 21

The following offices of the Beaverhead-Deerlodge National Forest will be closed Tues. Jan. 21 to allow employees to participate in an all employees meeting: Deer Lodge, Sheridan, Wise River, Butte, and Whitehall. The Forest Service office in Dillon will be closed from 9:45 a.m. to 3:15 p.m. Offices in Ennis, Philipsburg and Butte will remain open; however, services will be limited.

"We recognize that closing these offices may cause some inconvenience. Balancing public service with employee training is of equal importance," said Forest Supervisor Melany Glossa. For customers who want to purchase maps and firewood permits, the following vendors have these available for purchase: in Anaconda: Hardware Hank; Boulder: Ace Hardware Store; Ennis: True Value Hardware; Harrison: Wheat and Thistle; Sheridan: McLeod Mercantile; Whitehall: Ace Hardware Store; Drummond: Fin's Conoco; Deer Lodge: I-90 Truck Plaza; Lima: Ralph's Exxon; and in Butte: Bob Ward and Sons Sporting Goods. BLM offices in Butte and Dillon also have maps and permits available.

For more information contact the Beaverhead-Deerlodge National Forest at (406) 683-3900.

BEAVERS GIRLS BASKETBALL

Thursday night the Dillon girls got out played by the Helena Bengals and were down 30-14 at halftime. The final score was 52-32. The girls came out and tried to turn up the pressure and took more tries at the basket, however, they could not get the ball to through the net when they wanted it to. Audrey Schurg led the Beavers with 10 points.
