TO BE FEATURED AT DILLON KIWANIS**

Steve DeHart, volunteer at the Women's Resource Center, will be the featured speaker at the Wednesday, Jan. 22 meeting of the Dillon Kiwanis.

DeHart, a retired licensed mental health counselor, will speak about the Center's new program for middle school boys, Bully Busters. The national program uses interactive group activities to recognize and respond appropriately to abusive peer group attitudes and behaviors.

The Kiwanis meets every Wednesday at 12 p.m. at the Dillon Elks Club in downtown Dillon.

The Kiwanis Club of Dillon has been serving our community since 1940.

**HUMANS CREATE THEIR OWN DILEMMAS**

*By MJ*

Humans often use a form of reasoning that leads to undesirable alternatives. As humans we rely on and often take the information that flows from someone else's mouth as the gospel. Therefore we in turn spread information that is not all correct.

We are human and as humans, we are lazy and don't spend time researching other information to substantiate what we are saying, we change our minds often, we talk ourselves out of logical thinking, we fall back into old destructive learned habits and we are followers.

There is a saying; "Fitting in is not belonging." Is this what happened at the January 15th city council meeting (fitting in)?

## LOOKING FOR INFORMATION ON SHOOTING

I am asking for anyone who has information on who shot my dog the morning of Monday, January 21st, around 11 am to call. This person stopped on the interstate and shot into a field just north of the Bond Road overpass. Please call 406-202-1510 if you have any information.

## FWP RELEASES PROPOSAL TO IMPROVE HABITAT AT POINDEXTER SLOUGH

On Friday, Montana Fish, Wildlife and Parks and the Beaverhead Watershed Committee released an environmental assessment (EA) for a proposal to restore habitat at Poindexter Slough in the Dillon area.

The proposal involves the replacement of existing irrigation infrastructure, modification of

channel dimensions, and other measures to improve fisheries habitat and restore natural processes of habitat formation and maintenance.

Poindexter Slough has seen a steady decline in fishery and angler use over the past 12 years. While traditionally fed largely by groundwater, it now relies on increasing amounts of diverted Beaverhead River water due to changes in irrigation. This diverted Beaverhead River water carries and deposits a large amount of fine sediment into Poindexter Slough degrading the fish habitat. In addition to the declines in fish abundance and angler use, aquatic insect habitat has been reduced as the streambed has been covered by fine sediment.

FWP expects this project to result in a return to fish abundances and levels of angler use and satisfaction comparable to pre-sedimentation levels.

For more information, the full EA can be found at:  
[http://fwp.mt.gov/news/publicNotices/environmentalAssessments/restorationAndRehab/pn\\_0123.html](http://fwp.mt.gov/news/publicNotices/environmentalAssessments/restorationAndRehab/pn_0123.html)

The public can make comments on the EA until 5 p.m. on February 17 via email to [mattjaeger@mt.gov](mailto:mattjaeger@mt.gov) or by writing to Matt Jaeger, Montana Fish, Wildlife & Parks, 730 1/2 N. Montana, Dillon, MT 59725.

An informational meeting will be held in Dillon at the Search and Rescue building on January 28 at 6 pm.

## Western adds a Bruin and Panther

University of Montana Western head football coach B.J. Robertson has announced the signing of Helena, Mont., senior Kolby Tamol and Boulder, Mont. senior Alex Brunett to Frontier Conference/NAIA letters of intent.

Tamol is a 5' 10" 250 pound offensive lineman from Capital High School. He was selected as a first team all-conference player and a second team all-state performer for his play his senior season. He has been a two time track team captain and is a state champion power lifter in 2012.

"We are excited Kolby has decided to join the Bulldog football family," head coach B.J. Robertson said. "His power lifting background, strong work ethic, and coaching at Helena Capital have turned Kolby into a very powerful athlete on the field."

Kolby plans to study Health and Human Performance while attending Montana Western. He is the son of Cacey Maser and Bill Tamol.

Brunett is a 6' 1" 190 pound defensive back from Jefferson High School. In his senior campaign he recorded 42 tackles and six interceptions, two of which he returned for touchdowns. He also threw for 1906 yards and 19 touchdowns. Following his senior year he was voted first team all-conference defensive back as well as the first team all-conference quarterback. Alex was also voted first team all-state and has been selected to play in the Class B all-star game as well as the Badlands Bowl. "Alex has good size and speed but it is his competitiveness that separates him from other guys," Coach Robertson said. "I have had the pleasure of watching Alex grow and mature into the person and athlete he is now while working with him at a variety of summer football camps."

Alex plans to study secondary education with an emphasis in history while attending Montana Western. He is the son of Neil and Denise Brunett.

## BULLDOG FOOTBALL LANDS ANOTHER CHAMPION

The University of Montana Western football coach B.J. Robertson has announced the signing of Bozeman, Mont., senior Wyatt Laakso to a Frontier Conference/NAIA letter of intent.

Laakso was the starting center for the state champion Bozeman Hawks. He is a volatile 6' 2" 225 pound offensive lineman who plays with intensity and determination. Wyatt had 95 career knockdowns and had better

than half of those his senior year when he tallied 53. Laakso was selected as the 2013 first team all-state center as well as the first team all-conference center. His team voted him for the Hawk Best Lineman Award two years running following the 2011 and 2012 seasons. As a junior Wyatt was selected as an honorable mention all-conference player in 2012.

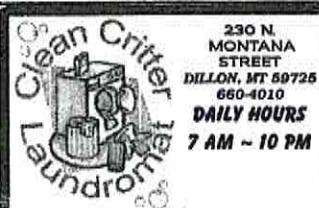

"We are very excited to add another state champion to the Bulldog football family," said Coach Robertson. "Wyatt plays with tremendous explosiveness and tenacity on the offensive line. We love the thought of every offensive play starting in the hands of a guy with those innate traits."

Wyatt plans to study business management while attending UMW. He is the son of Rod and Shelley Laakso.
