NATIONAL FINALS STAY IN LAS VEGAS

The PRCA reports that following unanimous votes by the Las Vegas Events Board of Trustees and the Professional Rodeo Cowboys Association Board of Directors, both organizations jointly announced that they have reached an agreement to keep the Wrangler National Finals Rodeo in Las Vegas through 2024. The new agreement will begin following the 2014 Wrangler NFR.

Per the agreement, LVE will guarantee \$16.5 million annually in purse and sponsorship for the Wrangler NFR. From 2015-19, the contestant purse will be \$10 million, while stock contractors will receive \$3 million annually. The contestants will be guaranteed \$10,000 each year, which will not be offset by contestant winnings. From 2020-24, there will be cost-of-living increases to each purse and guarantee.

Additional elements of the agreement include a season-long sponsorship program with the PRCA, presenting sponsorships of the RAM National Circuit Finals Rodeo and 12 RAM Circuit Final Rodeos, as well as the National Finals Steer Roping, if it is held in Las Vegas.

"Perhaps the best aspect of this agreement," said PRCA Chairman of the Board Keith Martin, "is that it benefits every PRCA member - contestants, stock contractors, committees and contract personnel. There is an investment here to advance the PRCA's circuit system and help the sport continue to grow."

"For nearly 30 years, Las Vegas has built a strong partnership with the PRCA and its contestants," said Bill McBeath, chairman of the Las Vegas Events Board of Trustees. "This new agreement clearly demonstrates the commitment that Las Vegas has to the PRCA, to the overall growth of the sport of rodeo and to the contestants. We feel that the new agreement is beneficial to all parties, and we're very pleased to continue to host this iconic event for an additional ten years."

"This is truly a historic day for the Professional Rodeo Cowboys Association and the sport of professional rodeo," said PRCA Commissioner Karl Stressman. "The PRCA Board of Directors and this administration has been through a long and at times painful process of due diligence and careful consideration in looking out for the very best interest of every member of this association and this great sport. It hasn't

always been easy, but what we're announcing today makes it all worthwhile. We could not be happier, and look forward to working with our partners in Las Vegas on continued growth and prosperity for the Wrangler National Finals Rodeo and the Professional Rodeo Cowboys Association."

The Wrangler NFR, known as the richest and most prestigious rodeo in the world, has sold out 270 consecutive performances and attracts the top 15 contestants in bareback riding, steer wrestling, team roping, saddle bronc riding, tie-down roping, barrel racing and bull riding. Qualification is based on the Professional Rodeo Cowboys Association World Standings. In 2013, the event had a total attendance of 176,558 over the ten days of competition in Las Vegas, resulting in a non-gaming economic impact of \$87.9 million for the destination.

"Since 1985, more than one million visitors have traveled to the world's premier destination to experience the energy and excitement of two great brands – Las Vegas and the NFR," said Rossi Ralenkotter, president/CEO of the Las Vegas Convention and Visitors Authority. "This new agreement will ensure NFR and its loyal fans will be back to Las Vegas for another decade of unrivaled experiences."

In 2014, the Wrangler NFR will run from Dec. 4 through 13 at the Thomas & Mack Center.

"We are relieved that we were able to assemble an agreement that both ensures that the Wrangler NFR will remain in Las Vegas for the long term and that all parties will prosper," said Pat Christenson, president of Las Vegas Events. "We look forward to working with all of our partners in growing the NFR Experience for rodeo fans in Las Vegas."

BULLDOG FOOTBALL SIGNS POLSON AND WHITE SULPHUR SPRINGS STANDOUTS

University of Montana Western head football coach B.J. Robertson has announced the signing of Polson, Mont., senior Wyatt Jenson and White Sulphur Springs, Mont., senior Whitley West to Frontier Conference/NAIA letters of intent.

Jenson is a 6' 1" 260 pound offensive/defensive lineman from Polson High School. Following his senior football season he was selected as a first team all-conference guard and a second team all-conference defensive tackle. Following his junior year he was selected as an honorable mention all-conference guard.

"We were lucky to have Wyatt and the Polson Pirates football team at our camp this past summer," UMW head coach B.J. Robertson said. "Right away we liked Wyatt's size and mobility. He is a great addition to our team. Wyatt will continue to mature and develop in the weight room and you will be hearing his name for the Bulldogs."

Wyatt plans to study biology while attending Montana Western. He is the son of Shaun and Marie Jenson.

West is a 5' 9" 200 pound athlete who has played full-back, receiver, defensive end, and linebacker while playing for White Sulphur Springs High School. As a defensive end he had 106 tackles that included six sacks during the 2011 season. His junior year he played outside linebacker and accounted for 67 stops and one interception. Offensively

his junior season he amassed 441 yards on 57 carries for a 7.7 yard average. He also accounted for five touchdowns and three PATs rushing. He had four receiving touchdowns while averaging 10.9 yards a reception as he pulled down 21 receptions for 229 yards. Whitley received 2012 first team all-conference honors as a fullback and second team all-conference honors as a linebacker. In 2013 West had 40 carries for 204 yards, four rushing touchdowns and nine successful rushes for PATs. As a receiver he grabbed 30 receptions for 373 yards for an average of 12.4 yards. He had seven touchdowns and four PATs receiving. Defensively he had 95 tackles and four interceptions as an inside linebacker. Following his senior season he was selected to the first team all-state team, a first team all-conference linebacker, and second team all-conference full-back. West has also been chosen as a Bob Cleverly Class C All Star football game participant.

"I have known and worked with Whitley since he was a freshman at the Rimrock Football Camp. He loves football and the weight room and those are two qualities you need to have to be successful at the college level," Coach Robertson said. "Coach Hedrich at White Sulphur Springs has done a great job with his players and that program."

Whitley plans to study health and human performance while attending Montana Western. He is the son of Brad and Michie West.

HOSPITAL & HEALTHCARE

Barrett Hospital & HealthCare Announces

Walk-In Clinic Opening February 10, 2014

What is a Walk-In Medical Care clinic?

Walk-In Medical Care is a medical clinic that allows you to see a provider 6 days a week, without making an appointment. Walk-In Medical Care provides you with the care you need for almost all non-life threatening health issues; such as, minor injuries and lacerations, some simple fractures and sprains, sore throats, ear infections, urinary tract infections, allergic reactions such as hay fever and minor rashes, coughs, aches and pains etc.

What kinds of services does a Walk-In Medical Care clinic provide?

Our caring and dedicated providers can treat almost all minor injuries and illnesses; such as, upper respiratory infections, sore/strep throat, eye/ear infections, minor fractures, lacerations, allergic reactions, urinary tract infections, and many more. Along with these we also provide basic diagnostic and preventative services; which includes lab work, x-rays, vaccinations, and physicals such as DOT physicals and sports physicals

What forms of payment/insurance does Walk-In Medical Care accept?

Walk-In Medical Care accepts all major insurance health plans. We make every possible effort to be in contact with as many insurance providers as possible, in order to provide you with the best possible care. For those who do not have insurance Walk-In Medical Care offers a self-pay option in which you may pay via cash, Visa, or MasterCard for the services rendered.

Will it cost me more to go to a Walk-In Medical Care clinic than just going to the emergency room?

For all non-life threatening conditions, Walk-In Medical Care should be used. Walk-In Medical Care is definitely a more convenient as well as cost effective option than the emergency room. With lower co-pays and immediate care available, there is no question Walk-In Medical Care can be a smart choice.

What do I need to bring with me?

Please bring a photo ID and your insurance card with you when you visit Walk-in Medical Care. Please be sure to let our staff know of ANY allergies, are on current medications and your basic medical history. All persons under the age of 18 should be accompanied by a legal guardian in order to be seen.

Do your providers refer patients to specialists?

Yes. We handle urgent problems such as sprains, fractures, lacerations, vomiting, diarrhea, dehydration, etc. immediately and refer patients to the appropriate specialist as indicated.

Do your providers have regular patients?

We are a walk-in care facility and are here to provide care on demand. We work very closely with the providers at the Barrett Hospital Clinic and respect the relationship that you have with your primary care provider. We will share the medical information from your visits with the primary care provider that you identify. We will have one shared medical record

Does Walk-in Medical Care accept Medicare?

YES
