WALK-IN CLINIC TO OPEN FEBRUARY 10TH

Barrett Hospital and HealthCare is pleased to announce that the Walk-In Clinic is complete and will be open for patients on February 10th, 2014. Patients will be able to see a provider on a first-come, first served basis for non-emergency care. This service is being offered as an alternative to the traditional practice of having a designated primary care provider and scheduling an appointment. The clinic is intended to make it easier and faster to see a provider for non-emergent conditions without having to go to the Emergency Department at the Hospital. This service has been requested by our patients for some time.

The walk-in clinic will treat non-emergent ailments, including colds, flu, infections, skin rashes, muscle strains or injuries and other less serious conditions. Providers at the walk-in clinic will have on-site access to prescribe medication, order lab and/or diagnostic imaging tests, or prescribe various therapies. Patients with traumatic injuries, including serious cuts that require significant stitches or any condition that may be life-threatening should continue to present to the Emergency Department at the hospital. Life-threatening symptoms may include: Difficulty breathing, Shortness of breath, Chest or upper abdominal pain or pressure, Fainting, Sudden dizziness or weakness, Sudden changes in vision, Sudden confusion or changes in mental status, Any sudden or severe pain, Uncontrolled bleeding, Severe or persistent vomiting or diarrhea, Coughing or vomiting blood, Suicidal feelings, Difficulty speaking, Sudden numbness or weakness of the face, arm or leg.

The clinic will be opening February 10th with scheduled hours M - F from 7:30 AM until 4:00 PM and from 9:00 AM until 2:00 PM on Saturdays. For more information, please call Cynthia White, Director of Provider Services, at 683-3078.

Dillon Fiddle Contest

President's Day in Dillon, Montana, means that it is time for the 31st annual Dillon Fiddle Contest. Organized by the Dillon Junior Fiddlers, the 2- day event will take place at the Old Depot Theater on February 15th and 16th. The contest starts each morning at 9:00 am. Saturday night will feature a Talent/Novelty Show where contestants and local musicians can let their hair down from the strict fiddle contest format and entertain the audience beginning at 7:30. A \$10 ticket to the contest provides admittance to the contest for both days and a chance at an array of valuable door prizes. You need not be present at the drawing to win. Tickets for Saturday night will be sold at the door that night. This year, contest plans also include a silent auction of donated items such as a beautiful quilt given by the Dillon Quilters' Guild. This year's contest judges will be Lisa Barrett, former National Woman's champion, and Trevor Krieger, recently on tour with the Mission Mountain Wood Band.

It is a lot of work to organize and host a regional fiddle contest, but each year the parents of the Dillon Junior Fiddlers meet for several months and plan this event. They solicit sponsorships from area businesses to help defray the costs of putting on the contest and work hard to host contestants from Montana and neighboring states. The young fiddlers take to the streets to sell tickets as well as prepare their music for competition. This year, they are even offering "fiddlegrams" on February 14th throughout the day in Dillon, Sheridan and Twin Bridges. This is an opportunity to serenade your sweetheart at work or wherever. A fiddlegram costs \$12, including a chocolate rose, and for \$20, the recipient receives a contest ticket. Fiddlegrams may be scheduled by calling Jessie Salix at (406)660-0011. The Elks lodge is hosting informal jamming for local and incoming musicians from 8:30 pm on, following the Elk's Valentines dinner on Feb. 14th.

What is the payoff for all this effort? Dillon Junior Fiddler Music Director, Sandy James, says that primarily the contest offers an opportunity for our young fiddlers to hear and compete against some of the top acoustic musicians in the country. "The \$10 ticket is a bargain for two days of great music the whole community can enjoy." This year's contest organizer, Jim Magee, points out that not only is the contest a great time, but it helps to enhance the fiddlers' scholarship fund, a fund that sent 13 students to the Montana State Fiddle Camp at Monarch last year. For information about the Dillon Fiddle Contest call Jeannie James at (406) 660-2304 or Sandy James at (406) 925-3483. Tickets are available at Sweetwater Coffee, the Bookstore, the Beaverhead County Museum and any Dillon Junior Fiddler.

readers that President Obama and his "environmentalist cronies" have plans to over-regulate how Montana's energy is produced and delivered.

You've got that right Mr. Commissioner. President Obama's "environmentalist cronies" have bona fide concerns when public service employees exhibit overzealous support for an industry that continues to add millions of tons of carbon dioxide to the atmosphere.

Mr. Bushman and his antihuman caused, climate change denying cronies, tell us they "know" that clean coal technology has the "potential" to dramatically reduce carbon emissions while supplying affordable energy to the world. Why is this "potential" state-of-the-art carbon reducing science not out there and working in Bushman's mythical free-market?

President Obama, contrary to industry propaganda, has not imposed a de facto ban on coal technology development. He just wants to see rock solid evidence that it works.

Most secular democracies in our free-thinking world understand natural climate change is a continuous, elementary fact....energy in motion, all matter moves, things change....Whatever! The inconvenient fact is this: Burning coal is an unnatural human act responsible for rapid climate change. Today, over 25% of carbon dioxide emissions (CO2) come from burning coal and this is not a natural phenomenon.

Young people need to demand common sense.

Letter to the Editor

Below is a letter written by Lynn Giles to Councilman Derek
Gore and his reply.

Councilman Gore:

I'm asking you to please vote for Mayor Klakken's appointments at
the next council meeting. Not only does he have the right under city
codes to appoint these new people, state law also says that their ap-
pointments expire after two years. Both Mr. Gilbert's and Mr. Cobb's
appointments expired at the end of December if I am not mistaken.

I know Mr. Strauss personally and have had dealings with him and
he is a very sharp, direct person. I have no doubt that he will look
after the city's financials with a very practiced eye. There will never
be any behind the scenes maneuvering and the council will know
exactly what they are voting for. This business of refinancing bonds
that are nearly paid off will not be something that he recommends.
Mr. Gilbert's time is up. He has paid into PERS for long enough that
he should have a substantial retirement which was the main goal.

Mayor Klakken is trying to save the city money. Please help him.

Lynn Giles

Lynn Giles:

I appreciate your moderate response about the councils decision. It
is the kindest response I have had so far, due to many unsigned, nega-
tive, intimidation letters from Klakken's supporters. The decision
that I made with the vote has to deal with the many situations that the
city is going through at this moment, and I feel that we should keep
the current persons that are already handling the situations, and in my
perspective, doing a good job. I agree 100% with saving the city of
Dillon money, that is why I joined the city council. And hiring the
new guys might save the city money on salary, but one has to realize
that, like Klakken's appointee for attorney, he is a criminal defense
attorney, does not have his own office and equipment and so forth.
Also, myself and the rest of the council wanted to work with the new
mayor and begin a good relationship, however, it was just the first
meeting, and mayor Klakken didn't want to work with the council, he
was trying to fight us. I myself want to make the best decisions for
the city of dillon, because I get also get effected by the decisions that

All in all... Klakken and the council need to work together and make proper decisions to support the town. The supporters of Klakken are not making this task easy by writing negative comments in the paper, accusing us of breaking the laws, and sending intimidation letters in the mail.

I am here to support and benefit YOU and he other citizens of dillon, this is my job.

*Thank you kindly,
Derek Gore.
Councilman Ward 4*

If you need or have any other questions please feel free to contact me.

Councilman Gore:

Thank you for your response even though I believe it is mistaken in many aspects. I do not believe that Mayor Klakken is trying to fight the council; how and where you get that impression floors me. He is the least confrontational person that I know. The argument that Ms. Westad put forth regarding the appointments has nothing to do with Dillon's situation and I do not believe that you should be drawn in by her. If you asked what Mr. Dolan's plans are, I believe that you would be pleasantly surprised. He will move to Dillon if hired and establish an office. All attorneys that have been practicing for as long as he has own their own "equipment." Mr. Gilbert also defends criminals, or has in the past. I do not know where you get the idea that Mr. Dolan is a criminal defense attorney since he has been prosecuting for the city for some time.

Your defense of your decisions doesn't hold water. I think that if you knew me that you would realize that I am always civil and above board about who and what I am. The council's determination to keep the past mayor's appointments gives the impression that there is something to hide. Please rethink your decision for the good of the city of Dillon.

Letter to the Editor

Edith Fletcher

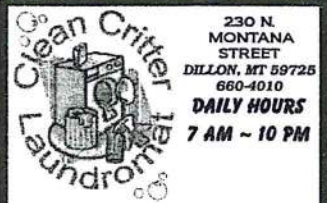

I would have written sooner, but I was without a computer for some time. I want to thank The Dillonite for its excellent articles following last month's City Council meeting. MJ and Brenda Womack told it like it was in their articles including "City Council Meeting" on Jan. 16 and 17, "Council Sad Circus" on Jan 17, "City Computer & Appointments" on Jan 20, and "City of Dillon Debt" on Jan 23. You are doing the citizens of Dillon a great service by these reports. We would all do well to pay better attention to what is going on with the City Council. Apparently not enough people paid attention during the last 12 years!

In constast, there was Lynn Westad's "City Happenings" article on Jan 20. In spite of her claims to be well experienced in legal matters, she is not even capable of understanding the great difference between someone who gets a political appointment such as our recent City Attorney and Treasurer and someone who is "hired" for a job, as in the situation in Butte. Political appointments are by definition temporary. These appointees' terms expired at the end of 2013, and it was time for our new Mayor to make his own appointments. Lynn's scare tactics were corrected by people who DO know the difference, but she stubbornly held on to her claim that our City could be in danger of a lawsuit for "firing" the appointees whose terms had expired by not re appointing them!! The rest of the council was unwilling to give any reason at all for rejecting Mayor Klakken's new appointments. Apparently their only reason was to prevent Mayor Klakken from replacing the old ones.

WHY????

Since the Council stubbornly wants to hold on to the to the former appointees, it is appalling that the Attorney and Treasurer themselves don't have the decency to resign, so that our city government can go on. The result of all this is a mess, and I can't help "smelling a rat." And who do we have as head of our Council's Judiciary Committee but Lynn Westad!!!! Scarey.

Fortunately, both our city newspapers, the Dillonite and the Tribune, are staying on top of all this!! Thank you!! We all need to be informed.
