VOLUNTEER FIRE DEPT. CALLS

The Dillon Volunteer Fire Dept. was called out on Sunday morning at 8:21 am for a carbon monoxide alarm at 419 East Cornell Street. *It is important to remember to change your batteries in smoke detectors and carbon monoxide detectors.*

Later Sunday at 12:48 pm, the volunteers were called to a power line down at 652 1/2 Kentucky Ave. Northwestern Energy arrived from Whitehall and took care of the problem.

On Monday at 5:53 am the volunteers were paged for mutual aid at a reported house fire at 1015 Sugarloaf Mountain Road near the Glen interchange. The fire was a grass and wood, not a house. The matter was turned over the Beaverhead County Sheriff's Department.

Montana Narcotics Officers Association

The Montana Narcotics Officers Association started their fundraiser yesterday throughout Montana. Montana Narcotics Officers Association, or MNOA is a Non-Profit 501(c)-4, State-wide Law Enforcement based organization made up of dozens of different law enforcement personnel, including Federal, State, County & local officers from Highway Patrol, Sheriffs, Police, DEA, Tribal, and every other card-carrying member of Law Enforcement from top-to-bottom!!!

The mission of MNOA as an organization is to provide the most up to date training for our guys in the dangerous & ever-evolving field of the Narcotics Drug Culture.

In 2013, we undertook a benefit concert project that would allow us to raise much-needed funds on a statewide basis & allow us to "give something back" to the folks in specific towns & communities throughout the entire State.

This year, we will feature Rob Quist &The Great Northern Band with Special Guest: Tim Ryan!!

We will bring this show to ten Montana towns, that we handpicked for several reasons, including a quality of people who show concern for their community and where we thought these shows & this program would be well received and richly appreciated. Those towns are, Dillon, Hamilton, Anaconda, Livingston, Lewistown, Glasgow, Sidney, Glendive, Polson & Miles City, this will be a terrific opportunity to see an incredible show & help out a highly committed Montana law enforcement organization. Additionally, we will commit a good portion of the proceeds directly in the community where we have these shows!

We are calling all of the businesses of the towns where our concert tour will take place, and asking them to back this valuable program…in turn, we will thank them by placing advertisements in an informative program book that will go in the hands of all the people who come out & enjoy our shows. The book itself will be produced locally.

Mayor & City Government

By: MJ

This past month the newly elected Mayor Klakken has demonstrated that he is up to the challenge and deeply committed to his new job. Statutes, rules and regulations defined by City of Dillon Charter and State of Montana Constitution outlines how local governments will operate.

When a new mayor is elected changes are inevitable. Those changes involve personnel, council members, appointees and the public. People come with personalities that can be defined as; openness, conscientiousness, extraversion, agreeableness, and neuroticism. There are people involved that find change unacceptable/difficult and those who look forward to change.

Several goals Mayor Klakken has expressed is: 1) progressively moving forward, 2) following the laws, 3) thoroughly evaluate all cost factors involved with the daily & future operation of city business while paying close attention to keeping the tax rates in proportion to the taxable income.

It has not been smooth sailing for Mayor Klakken in the past month however; I have watched him take over the leadership position as mayor with confidence, consideration, respectfulness and understanding.

Prayers for Military Peace Keepers at St. James Episcopal Church:

There will be a service honoring military personnel who have provided a peaceful nation for all of us. They may be active or veterans, at home or abroad. The service will be held at 12 noon on the first Wednesday of every month at St James Episcopal Church (203 E. Glendale). All are welcome; families, friends, military personnel and anyone who would like to thank and pray for all of the Armed Forces of the United States. The service is fairly brief and can fit into most lunch hours. The next service will be held this Wednesday, 2/5/2014. Any questions, call 683-2735. Please join us.

RED CROSS BLOOD DRIVE COMING TO DILLON

The American Red Cross will be in Dillon to collect blood on Monday February 10th. The blood drive will be held at Our Savior Lutheran Church from 2:00 PM to 6:00 PM.

According to Thomas Hensley, Donor recruitment Representative for Beaverhead County, "In Montana someone needs blood every 27 minutes. The American Red Cross serves over 30 Montana hospitals, including the Barrett Hospitals and HealthCare and must collect about 155 units of blood every day to meet the demand."

There is no substitute for blood, it can only be collected from voluntary donors and the demand is constant. Thomas Hensley explained that an accident can require anywhere from 4 – 40 units of blood, cancer treatments take 2 – 6 units and even a premature baby birth can use 1 – 4 units of blood.

Letha Kivinen is the blood drive coordinator for the Red Cross blood drive on Monday February 11th. Call Letha at (406) 660-0294 to make an appointment. Walk-ins are welcome but donors with appointments will receive priority.

Individuals unable to donate blood can still make a contribution by organizing a Red Cross blood drive or volunteering. To find the nearest blood drive to you at other times call 1-800-REDCROSS or visit redcrossblood.org.

Consider these two short sentences...

These two sentences tell you a lot about our government and our culture:

First: We are advised TO NOT judge ALL Muslims by the actions of a few lunatics. BUT...

We are encouraged to judge ALL gun owners by the actions of a few lunatics.

Funny how that works..... And here's the other one worth considering:

Seems we constantly hear about how Social Security will run out of money.

BUT...

How come we never hear about WELFARE running out of money?

What's interesting, is the first group WORKED for their money... but the second didn't.

Winter Recreation Abounds in the Beaverhead-Deerlodge National Forest

When the snow flies, it's time to get out the skis or snowshoes and crank up the snowmobile, southwestern Montana offers a paradise of breath-taking vistas, glorious solitude, and pure challenge.

Downhill skiers will find two ski areas in the Beaverhead-Deerlodge National Forest: Discovery Basin, just west of Anaconda, and Maverick Mountain, northwest of Dillon. Both are independently owned and operated, so contact the ski area for season and rate information.

For cross-country skiers, the Forest offers both untracked powder for you to pioneer and groomed trails for you to follow. At Chief Joseph Pass, 25 miles west of Wisdom on Highway 43, there's a 27-kilometer system of groomed trails. Volunteers from the Bitterroot Cross-Country Ski Club groom the Chief Joseph trails every Friday through the season.

At Wade and Cliff lakes, 50 miles south of Ennis, cross-country enthusiasts will find another network of groomed ski trails. The Wade Lake Resort is also open in the winter.

There's 22-kilometers worth of tracked cross-country ski trail loops near Elkhorn Hot Springs, and a five-kilometer marked loop trail at Birch Creek.

At Moulton, north of Butte, a groomed network of 12 kilometers of cross-country ski trails is available. The trails are groomed and maintained by Mile High Nordic Ski Club.

At Georgetown Lake, you'll find a network of cross-country skiing trails as well as nearly 100 miles of marked and groomed snowmobile trails in the mountains around the lake. Stop in at the Philipsburg Ranger Station for a free map, or go online to http://www.fs.usda.gov/main/bdnf/maps-pubs.

The Pioneer Mountains National Snowmobile Trail runs from Wise River to Elkhorn Hot Springs. Before beginning your journey, check the transmitting of your beacon at the newly installed beacon check neare the gate at the Elkhorn Hot Springs turnoff.

You can also enjoy high-altitude snowmobiling in the Gravelly Range, south of Ennis, running along at 8,000 feet for 50 miles, while the view sweeps on forever.

Right off of Interstate 15, at either the Elk Park, Bernice or Basin exits, snowmobilers can find 117 miles of marked and groomed trails

in the upper Boulder River, Lowlands and Cottonwood Creek areas of Jefferson County. This same set of trails can also be reached from the Deer Lodge exit on I-90. Maps of this trail system are available at Forest Service offices in Butte, Whitehall, Deer Lodge, and Philipsburg.

The Forest Service, in conjunction with Jefferson County, closes several roads to full-size vehicles including Lowland Road #442, Boulder River Road #82, Hail Columbia #9485 and American Gulch #674 through April 1. Visitors are reminded that closures are still in effect across the Forest even though snow levels are low this year.

Pick up a map for the part of the Beaverhead-Deerlodge National Forest that interests you, and to find out which areas and routes are open to snowmobiles. Three maps cover the entire 3.3-million-acre National Forest and cost $10 each available at local Forest Service offices and merchants, or you can order maps online at http://www.nationalforest-store.com. Maps can also be downloaded to your mobile device through the Avenza PDF Maps App, which is available as a free download from iTunes and the Android Play Store. Forest Service visitor maps cost $4.99 each.

As you make your plans for this winter, remember the Forest Service offers places to stay when you want to get away. You can rent backcountry cabins in the Beaverhead-Deerlodge National Forest, some of which can be reached only by ski or snowmobile. For a complete list of these cabins, visit the forest's website, http://www.fs.usda/bdnf/recreation. All cabins have basic amenities: beds, tables, chairs, and wood stoves. You must usually bring your own drinking water, bedding, towels, and food. Plan ahead, as many cabins get booked quickly for winter weekends. Rental rates are generally between $20 and $40 per night. To make reservations and to find out more information, call 1-877-444-6777 or go to http://www.recreation.gov/.

Winters in SW Montana can be both fun and dangerous. Before heading out to enjoy your favorite recreation activity, check both the local weather forecast and the current avalanche conditions. Daily updates on avalanche conditions can be found at the Gallatin National Forest (Bozeman) avalanche Center website at http://www.mtavalanche.com, or the West Central Montana (Missoula) avalanche Center website at http://www.missoulaavalanche.org.

Barrett Hospital & HealthCare Announces

Walk-In Clinic Opening February 10, 2014

What is a Walk-In Medical Care clinic?

Walk-In Medical Care is a medical clinic that allows you to see a provider 6 days a week, without making an appointment. Walk-In Medical Care provides you with the care you need for almost all non-life threatening health issues; such as, minor injuries and lacerations, some simple fractures and sprains, sore throats, ear infections, urinary tract infections, allergic reactions such as hay fever and minor rashes , coughs, aches and pains etc.

What kinds of services does a Walk-In Medical Care clinic provide?

Our caring and dedicated providers can treat almost all minor injuries and illnesses; such as, upper respiratory infections, sore/strep throat, eye/ear infections, minor fractures, lacerations, allergic reactions, urinary tract infections, and many more. Along with these we also provide basic diagnostic and preventative services; which includes lab work, x-rays, vaccinations, and physicals such as DOT physicals and sports physicals

What forms of payment/insurance does Walk-In Medical Care accept?

Walk-In Medical Care accepts all major insurance health plans. We make every possible effort to be in contact with as many insurance providers as possible, in order to provide you with the best possible care. For those who do not have insurance Walk-In Medical Care offers a self-pay option in which you may pay via cash, Visa, or MasterCard for the services rendered.

Will it cost me more to go to a Walk-In Medical Care clinic than just going to the emergency room?
For all non-life threatening conditions, Walk-In Medical Care should be used. Walk-In Medical Care is definitely a more convenient as well as cost effective option than the emergency room. With lower co-pays and immediate care available, there is no question Walk-In Medical Care can be a smart choice.

What do I need to bring with me?
Please bring a photo ID and your insurance card with you when you visit Walk-in Medical Care. Please be sure to let our staff know of ANY allergies, are on current medications and your basic medical history. All persons under the age of 18 should be accompanied by a legal guardian in order to be seen.

Do your providers refer patients to specialists?
Yes. We handle urgent problems such as sprains, fractures, lacerations, vomiting, diarrhea, dehydration, etc. immediately and refer patients to the appropriate specialist as indicated.

Do your providers have regular patients?
We are a walk-in care facility and are here to provide care on demand. We work very closely with the providers at the Barrett Hospital Clinic and respect the relationship that you have with your primary care provider. We will share the medical information from your visits with the primary care provider that you identify, We will have one shared medical record

Does Walk-in Medical Care accept Medicare?
YES
