New City Attorney Appointed

City Saga #3. By: MJ

A lively discussion was held around the council table along with practical input from the public for 2+/- hours. Often throughout the meeting some members of the council reminded the mayor that he was exceeding his authority, implying that the council was the ruling force. What happened to working together? Would the question be: does Dillon even need a mayor or is the council all that is necessary for the ruling force?

Mr. James P. Dolan was accepted by the council as new appointee for city attorney. Mr. Dolan answered several questions the council asked on his qualifications working with municipalities. Unlike the January 15th meeting where the council rejected Mr. Dolan as the appointee for city attorney, they voted unanimously to appoint him. *There was no discussion as to why the council members changed their minds and voted for Mr. Dolan. Councilman Mr. Troedsson did say that the council had concerns that Mayor Klakken is using his position as mayor to derail Breneky & Warner law suits. These suits are down to attorney fees only.*

Mayor Klakken asked that his appointee for City Treasure position Mr. Straus be accepted. The council once again refused the appointment. 3 to 5 vote. (Yes) votes by; Mr. Shafer, Mr. Nye and Mr. Cottom.

Ty Cobb, present City Treasurer whose term has expired Dec. 31, 2013, paid for an attorney, Datsopoulos, MacDonald & Lind to provide a legal opinion as to whether or not the Wrongful Discharge Employment Act (WDEA) applies to the potential termination of his position. Is there a reason that the findings were not part of the council packets or made available to the public before the meeting but handed out after the council meeting to anyone who wanted a copy by Mr. J.S. Turner?

Mayor Klakken included in the council packets an opinion by Erb & Suenram, PLLC on Johnston v. Babb applicability to the current appointment dispute between Mayor and City Council. Ms Westad cited this case as reason for not accepting Mayor Klakken's appointees at the January 15th meeting. Mr. Shaw was available at the council meeting and answered several questions they had. Mayor Klakken paid for this opinion out of the Mayor's discretionary funds. Discretionary funds are given to somebody who would have authority to decide how funds are spent. Mayor has the authority.

• *Several lawyers were in attendance. Should the people of Dillon be worried?*

Bicentennial donated \$750.00 to the city bus fun. Mayor expressed his appreciation & thanked them.

A presentation was made by two ladies asking the council to consider a plastic bag ban in the city of Dillon. It was referred to Health and Welfare Committee. Contact Mr. Bill Shafer for more information.

CITY HAPPENINGS

By: Lynn Westad

The regular City Council meeting was called to order by the Mayor at 7:00 pm. All Council members were present. After minutes approval a presentation was done by Beaverhead Recycling wanting the Council to approve a ban on plastic bags. It was referred to the Health Committee for review. Letters were received from the Bicentennial Apts. regarding the CTEP grant. Also a donation for the City Bus was received. A letter from the Bell trust was received regarding property at Noble & Hwy 41 inquiring if the City was interested in a trade to the City of the property. It was referred to the Streets & Alley Committee. A letter was received from a group regarding the Coyote Derby. This was information for the City to be aware of but action was required. There was a letter from Lynn Giles requesting a large amount of public records from the City and the Mayor will work with her to identify exactly what she is seeking. A lease for use of the Ray Lynch Park between the City and the American Legion group was approved. This is a very exciting and worthwhile project for our community. The Transportation Coordination Plan and a maintenance plan for the City bus were approved.

An attorney opinion from Adam Shaw of Dillon requested personally by the Mayor regarding employee employment issues and was in the packet. An attorney opinion requested by City Treasurer Ty Cobb signed by attorney Bill Van Canagan of Missoula was hand delivered.

A motion was made and seconded for the appointment of Neal d. Straus as City Treasurer. Mt Straus was not available at the meeting for questions. The vote was 5 No, and the 3 yes were Dan Nye, Bob Cotton and Bill Shafer.

Next was City Attorney Jim Dolan. Mr. Dolan was asked about his municipal government experience and his answer was he had experience with County government. There was some discussion regarding a resolution that was not included in the packet by the Mayor to work out what cases would be retained by the current City Attorney who has been handling the cases were for a long time. There is also an issue of conflicts and who has authority to authorize settlement which must be resolved. It was referred to the Judiciary Committee to bring a recommendation to the Council. A motion was made and Jim Dolan was unanimously approved as City Attorney.

There were a number of appointments to the Planning Board, Zon-

HUNTER & BOWHUNTER EDUCATION INSTRUCTORS TO BE HONORED

In 2013, Region 3 hunter and bowhunter volunteer instructors taught and certified nearly 2,000 students in classes in 19 cities across the region. Montana Fish, Wildlife & Parks will honor their efforts at the annual Region 3 Hunter and Bowhunter Education Instructor Workshop and Luncheon this Saturday, Feb. 8, at the Best Western GranTree Inn in Bozeman.

These volunteers help shape future Montana hunters, providing training in safety, ethics, conservation, and firearms and archery equipment.

Earning special awards this year are 45 instructors with service ranging from 5 to 30 years. All service award recipients receive a plaque, while some reaching certain milestones receive gifts of appreciation including engraved knives, belt buckles, and more.

Instructors with 25 years of service being honored this year include: James Aughney and Kurt Bushnell of Bozeman, TJ Goodwin Jr. of Belgrade, Bob Logar of Manhattan, and Dan Crismore of Sheridan. Receiving 30-year recognition is Mark Doering of Dillon. Other Beaverhead County instructors honored are Tim Sevalstad for 5 years and James Freestone for 25 years.

FWP is thankful to have hundreds of qualified instructors across the state, and always welcomes new additions to our ranks. For information on becoming a hunter or bowhunter education instructor, call Andrea Jones in the FWP Region 3 Information and Education Office at (406) 994-6931.

Snowmobiling Opportunities Abound

Feeling the urge to get out and snowmobile this winter? The Beaverhead-Deerlodge National Forest has been working with local snowmobile clubs that have begun to groom snowmobile trails on the Butte, Jefferson, and Pintler Ranger Districts. Snow conditions have improved and weekly snowmobile grooming is now being conducted under agreements with the Anaconda and Deer Lodge Snowmobile Clubs, and Mining City Trail Riders to provide many winter snowmobile opportunities.

There are approximately 115 miles of groomed routes located east of Deer Lodge and north of Butte, and 90 miles of routes are groomed in the Georgetown Lake area. Most of the groomed snowmobile trails are located on forest development roads or trails that are closed to wheeled motorized vehicles Dec. 15 through April 1 by a forest order.

The Forest Service, in conjunction with Jefferson County, closes several roads to full-size vehicles including Lowland Road #442, Boulder River Road #82, Hail Columbia #9485 and American Gulch #674 through April 1. Visitors are reminded that closures are still in effect across the forest even though snow levels are low this year.

Maximize your safety when recreating outdoors this winter. During winter months, be aware of snow conditions, the potential for avalanche danger, and carry and know how to use proper backcountry equipment including avalanche beacon, shovel, and probe while recreating. Before heading out, you can check snow conditions at <http://www.missoulaavalanche.org/current-advisory/>, or <http://www.mtavalanche.com/>.

Pick up a map for the part of the Beaverhead-Deerlodge National Forest that interests you. Three maps cover the entire 3.3-million-acre National Forest and cost \$10 each available at local Forest Service offices and merchants, or you can order maps online at <http://www.nationalforeststore.com>. Maps can also be downloaded to your mobile device through the Avenza PDF Maps App, which is available as a free download from iTunes and the Android Play Store. Forest Service visitor maps cost \$4.99 each.

Snowmobile maps are available from any Ranger District office. For additional information contact the Butte Ranger District at (406) 494-2147; the Jefferson Ranger District in Whitehall at (406) 287-3223; Pintler Ranger District in Philipsburg at (406) 859-3211; or the Deer Lodge Work Center at (406) 846-1770.

Credit Cards/Smart Cards:

By: MJ

The United States is behind other countries on securing credit card information because of the use of magnetic strips instead of a process that uses embeddable microchips. The magnetic strips have made the U.S. vulnerable and a target for hackers to easily steal and duplicate your information on fake cards that are then sold on the black market. Most European and Asia countries have been using the smart card technology for a decade or more.

EMV (Europay, MasterCard and Visa) is the technology that incorporates an integrated circuit into credit cards. This can be done by using embeddable microchips instead of magnetic strips, creating a "Smart Card". This technology has made the personal data theft like what happened in Target stores almost impossible because you have to steal the chip information which is more difficult to do.

Changing a system involving 1+/- billion credits cards from a magnetic system now used in the U.S. will be costly to merchants, credit companies, banks and retailers. How much is security worth?

The U.S. is slowly issuing "Smart Cards and today 1%+/- of the credit cards in the U.S. are Smart Cards. Smart Cards can have a greater encryption and security ability.

I'M NOT TALKING TO YOU!

Are you happy with your Christian Walk?

Are you a believer that goes to church regularly, and is happy with where you are at?

Are you being fed spiritually?

Do you feel a sense of community, and loving Christian fellowship with those around you?

Do you feel that you are growing in the lord spiritually?

If so, I am happy for you (and I am probably no talking to you.)

But I am very aware that is not the case with many people.

Many people have experienced being exposed to religion, but not relationship.

Jesus Christ is all about relationship with him and each other.

Relationship is what restoration ministries is all about.

We believe that God has shown us, in His Word, in a very simple and precious way, the path to a wonderful relationship with Him and each other.

Restoration Ministries would like to extend an invitation to the people of Beaverhead County and Dillon to join us in a home Bible Study each Tuesday night at 6:30 pm. The first meeting will be February 11th.

Restoration Ministries is an independent, non-denominational ministry holding license and ordination with World Wide ministries in Laporte, Minnesota since 1997.

Preston Duvall started out in ministry in the U.S. Army Chaplaincy, as a Chaplains assistant, in 1973, recently celebrating 40 years in ministry.

Our basic ministry philosophy is "you must love the Lord you God with all your heart, with all your soul, and all your mind. This is the first and greatest commandment. A second is equally important;

Love your neighbor as yourself." (Matthew 22:37).

God loves each one of us so much. God's program is so beautiful. So simple.

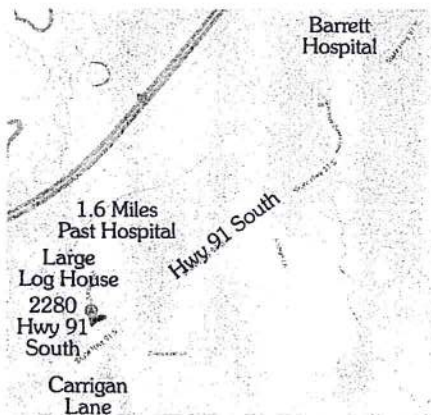

Restoration Ministries Offers:

- Counseling
- Discipleship
- Teaching
- Preaching
- Loving fellowship
- Life changing testimonies

Everything we do is free of charge.

"Freely you have received, freely give."

Please call and let us know if you are coming.
