City Saga #6

By: MJ

Many interested people attended the special council meeting held 2/13/2014 to vote on a Resolution drafted by the Judiciary Committee that would allow Mr. Gilbert to continue as the prosecuting attorney for Warner, Brenneke, Johnson & Jones cases. The Resolution in its entirety was printed in Dillonite Daily 2/13/2014.

Mayor Klakken opened the meeting with a brief explanation saying the council has all the decision making powers and if they want to go further it is the council's decision. Mayor Klakken is concerned about additional legal costs. Mayor stated that the Warner & Brenneke cases are pretty much ended with Brenneke and Warner required to pay installation costs for water meters installed by the city.

Anything can happen in the legal world. Winners and losers are unknown up front. **Councilwoman Westad** stated at the meeting that the city was waiting to hear from the judge if they would get attorney fees, interest... The case they are waiting to hear on is a separate motion that was filed with the court to collect sanctions on Brenneke/Warner cases.

The judge has ruled on the original cases *Mr. Gilbert, on behalf of the city has filed a separate motion (supplement to the original claim) to sanction Mr. Warner, Mr. Brenneke and Mr. Congdon.* Attorney fees, interest and other cost were not a part of the original cases.

Councilman Nye asked if it was worth the cost of lawyer to go after the sanctions. In his view there was two parts to case. Judge may or may not award the fees to city and if they were rewarded getting them collected might be another challenge.

Councilman Spehar said we're (meaning city) not driving cost up - it's coming from the other side. **Councilman Shafer** said he thought the city was like a corporation and the people were the share holders and if they did not file for sanctions then we are not protecting our share holders.

Mr. Warner stood and said he had information that he wanted to read into the record. Councilman Troedsson said it was up to attorney to address and not Warner.

NOTE: The Due Process Clause serves two basic goals. One is to produce, through the use of fair procedures, more accurate results: to prevent the wrongful deprivation of interests. The other goal is to make people feel that the government has treated them fairly by, say, listening to their side of the story.

Council was asked by a person in audience, what amount of money had been spent on the Warner/Brenneke

cases. ***Councilman Troedsson*** *replied $39,000 over 4 year.* ***NOTE****: In the last two months alone Mr. Gilbert has charged the city $28,500 for Brenneke, Warner and Jones cases.*

Brenda Womack stood and addressed the council asking when they had the meeting where the notorious letter that was signed by seven (7) council persons was advertised and held. **Councilwoman Westad** said there was no meeting. Brenda addressed a question to each council person asking them how they got the letter to sign and if they had not discussed it or met, how did they know what they were signing. **Councilman Troedsson** made the statement that Brenda had no right to poll the council. **Councilman Spehar** spoke up and said that Brenda's questions were off subject. The question was called for. Vote was taken and passed. **Councilman Nye** was the only nay vote against passing the resolution.

The meeting was adjourned and reopened by Mayor Klakken to allow comments from audience.

Brenda Womack once again went to the table to ask her questions. She spoke directly to **Councilman Nye**, as she noticed he had not signed the letter and wondered if he had seen the letter. He replied; NO he had not seen the letter. **Councilman Spehar** spoke up and said that he had taken the letter around and they ran out of time. **Councilman Nye** then sated he disagreed and said that **Councilwoman Westad** had called him and told him she would bringing the letter over for him to read and asked when he was available. **Councilman Nye** said he would available at 2:30 and he stated that she never came with the letter. **Councilman Spehar** spoke up and said he went to Mr. Gilbert and personally paid him to draft the letter.

The question that was not answered today is: Why doesn't the council want to end the legal cases. How much money is the city asking for the separate motion filed requesting sanctions?

Dillon History:

By: MJ

1907: Before the city council came a proposition concerning the remains of thirteen bodies that had been unearthed on Montana Street near the Creamery just outside the city limits. The bones were gathered and re-interned in Mountain View cemetery. A dispute came about between county and city because the city said it was up to the county to pay the expenses for burial and the County Attorney (Melton) said, "if the city goes outside its limits and digs up something that does not belong to it, it is the city's funeral."

1950: Elsie Cornell bowled a 199, 198 and 176. Lou Rocheleu was basketball coach with stars of the team Ed Thompson and Floyd Vandergrift.

1962: Frank Hazelbaker was elected speaker of the House of Representatives. Dillon became the 26th high school to adopt a wrestling program and the Club Bar held its annual free smorgasbord.

UMW MEN HOST TOUGH CONFERENCE FOES

The University of Montana Western men's basketball team will be hosting Montana State University-Northern and Great Falls this coming weekend in Frontier Conference basketball action. MSU-Northern is currently tied for the conference lead with Rocky as they each have 9-3 conference records. The Argos from Great Falls and UMW are tied for fourth in the conference with 7-5 records.

The conference tournament only takes the top six teams so this weekends' games will have an enormous impact on the tournament. The top two teams receive byes, while the third and fourth seeds host first round games.

On Thursday evening the Bulldogs face MSU-Northern who has won five consecutive games. In the first meeting of the season the Northern Lights won 61-52 on Jan. 9.

Saturday's contest pits two 7-5 Frontier Conference teams against each other. The two teams are tied for fourth in the standings. A first round home game in the conference tournament could be at stake. The two teams met in Great Falls on Jan. 25 and the Argos came out on top with a last second basket that gave them the 54-52 win.

Montana Western is coming off a home split where they dropped their game versus conference leader Rocky on Friday, and bounced back nicely to get a convincing win versus Dickinson State. In the first contest versus MSU-Northern the Bulldogs had three men in double figures. When UMW faced UGF on Jan. 25 the Bulldogs went 15-for-27 for 55 percent from the free-throw line. Montana Western also committed 20 turnovers in the first meeting.

Thursday's game tips off at 7:30 p.m. and is Military Appreciation and all former and current military personnel receive free admission. In addition, the game is a "black out" game and fans are encouraged to wear black clothing.

Saturday is senior night and tip-off is at 7:30 p.m. The Bulldog basketball seniors will be honored between the women's and men's games. The game is also a "Pink Zone" game which honors survivors of breast cancer and raises awareness. Free admission is given to those wearing pink. All proceeds benefit the Southwest Montana Mammography Program at Barrett Hospital and Healthcare.
Both games can be seen via UMW Webcast at http://www.livestream.com/westernbulldogs.

THANK YOU

VFW Post 9040 is sending this big THANK YOU to Greg Fitzgerald at Parkview Elementary School for asking the 5th grade teachers to have their students make Valentines for Veterans.

THANK YOU Karen Hager, Sharon Ricks & Jeff Edward, all 5th grade teachers; the 80 beautiful Valentines your students did, were sent to Fort Harrison Veterans Hospital. Terrie Casey, from the VA Hospital sent the following thank you to the students.

MADISON BIGHORN SHEEP TRANSPLANT DELAYED

Montana Fish, Wildlife & Park's is delaying its plan to capture and transplant 40-50 bighorn sheep from the Quake Lake area to the Wolf Creek Drainage of the Madison Mountains.

Over the last three weeks, FWP has confirmed 3 bighorn deaths due to pneumonia in the Quake Lake herd. Bighorn herds can see low levels of pneumonia-related deaths, but occasionally pneumonia can become epidemic and result in significant die-off events. FWP does not want to risk moving potentially sick animals. To optimize the transplant success, FWP carefully considered risks and benefits, and decided to revisit the decision to relocate bighorns in 2015.
