FIRE CALL FROM DUST

The fire call that was reported and was cancelled because it turned out to be dust at the Comfort Inn ~ the Dillonite would like to state that the dust was from a remodeling project on the pool. The report from the fire department that we put in was in no way a reflection on the cleanliness of the motel. The brand new pool is scheduled to be completed March 15th.

BENNY REYNOLDS, 77

Benny Reynolds died of an apparent heart attack while loading hay along side of his son at his ranch in Twin Bridge.

Originally from Melrose, Reynolds was listed among Montana's Greatest Sports Figures in the 20th century by Sports Illustrated. Benny was the 1961 all-around world champion and member of the ProRodeo Hall of Fame. He was quite famous as a contestant in the local Jaycee rodeo and in recent years as a wild cow milker.

He is survived by his three children - Rooster, Jenny and Louis John - all of whom live near the family ranch.

Letter to the Editor

I want to thank both the Dillon Tribune and the Dillonite for keeping on top of the games being played by the City Council.

I am writing to ask that perhaps you can both print a copy of the notorious letter that was drafted by Duke Gilbert for David Spehar and the City Council, dated Feb. 6, 2014 and addressed to Judge Larson requesting that all power to end the Warner Case be given to the City Council and that our Mayor has no say in this. I think it's important that the residents of Dillon see what has been going on. We have already spent way too much money on legal cases. The fact that the City Council has been caught red handed, working under the table, with no advance notice to the public or the Mayor, is not only disgusting, but illegal. The fact that the City Council used the services of our ex City Attorney to assist in this is of great interest to me and says a lot. The fact that they "ran out of time" to present the letter to Mr. Nye (the only honorable person on the Council) is outrageous.

I'm not normally an Activist, but I do like to keep abreast of what is going on. What I have learned about the 12 year history of our ex Mayor and his "staff" (Gilbert and Cobb) is appalling, and I can't help getting involved in hope of helping to right a wrong. For 12 years, it appears, they single handily ruled the city of Dillon, working mostly under the table with the help of willing assistants on the City Council.

How many thousands of extra dollars have they cost the citizens of Dillon? The whole time, they refused to pay any attention to the wants and needs of the citizens, as the present Council members are continuing to do. Any who have attempted to question them have been put down.

The council's stubborn refusal to OK Mayor Klakken's Ap-

pointments, claiming straight faced that it's illegal for him to make new appointments and "fire" the last City Treasurer and City Attorney is insane. Who are they trying to fool?????????

Originally, we all thought that their unwillingness to work with our new Mayor was due to disappointment and anger over the ex Mayor's loss in the election. But the longer this goes on, and the more stubborn they become, the more obvious it becomes that there is something more to it. There's been an attempt to cover things up, to protect some one or maybe more than one person. It appears they've been in a desperate state of panic that some things will "come out" about the last 12 years' events. I've heard that the ex Mayor's computer had been scrubbed clean of 12 years worth of information when he left office. If this is true, it's grounds for a criminal investigation. I've heard that millions of dollars of money that were borrowed in excess of the need are sitting somewhere other than in the City of Dillon's accounts. Is this true???

I can't help wondering if the fact that we pay over \$51.00 each month extra when we pay our water bill is another Legacy of the past Mayor's 12 years -- interest on debt for the most part. It's like paying more than \$600.00 each year in extra taxes, but it's not getting us a thing in the way of Services. We should all be aware of this, and if it's true, we should all be angry.

The present City Council is keeping any positive work from getting done in our city, and their fighting and hiring lawyers is going to cost the taxpayers a fortune. We really can't afford to keep them. I think it's important that the residents of Dillon pay more attention to what is going on. Our town is too special, the people too good, to become a shambles because of poor government. Thanks.

CITY HAPPENINGS

By: Lynn Westad (councilwoman)

I apologize for the delay my internet was down. The City Council met on Thurs. 2-13-14 in a Special Council meeting. All Council members were present except Dick Achter who was excused.

The meeting was called to order at 12:30 pm. The single agenda item was to consider the recommendation from the Judiciary Meeting on a transition resolution leaving 4 cases with the current Attorney assigned.

The Mayor opened the meeting with a statement saying he now recognized his personal conflict in the Warner & Brenneke cases and would no longer be involved.

Two cases are waiting for final paperwork and are a non issue. The George Warner and Martin Brenneke cases would have probably received a decision from the judge soon but their attorney Wally Congdon requested a second extension to file additional paperwork and with courtesy extended again by Attorney W. G. Gilbert the Judge granted Mr. Congdon's request.

All four members of the Judiciary Committee voted yes on the recommendation.

A motion was made for approval of the resolution with 6 Yes votes and the only No vote was Dan Nye.

Public comments not on the agenda were more questions and wanting to poll the council rather than comments. A letter to the Judges was brought up and once again it was answered that there was not a meeting. The letter was presented to each council member by the council president and each individually read and made their own decision to sign the letter without meeting with any of the other council members.

George Warner wished to speak and the City Attorney cautioned him in regard to speaking on his case without his attorney. He acknowledged but chose to speak and then read a statement quoting selected sections of the ordinances and ignoring other pertinent sections. He also made some comments relating his litigation still pending. He spoke for approximately 15 minutes. The meeting was then adjourned.

The State Finals were held this weekend in Billings for the grapplers at Metra Park. In Class A on Saturday ~ Anaconda was in 8th and Dillon was standing in 9th. Havre was in first place and Sidney 2nd moving into the last day.

The Beavers Kohltin Starkel advanced to the semifinals at 106 lbs, and Donovan Huckle was one of the last 4 remaining in the 285 lb division. Kwin Stoddard, Phil Vial and Parker Tezak were all 2-1 after Friday.

Saturday the Beavers kept the state title hopes alive with Starkel and Heavyweight Huckle bringing home titles for their team. Huckle may have had his best matches of the year at the state tournament and Starkel went against an undefeated Havre wrestler and won the match solid 8-5 score.

Parker Tezak at 195 lbs ended in 5th place, and Kwin Stoddard 120 lbs. ended in 6th place to send the Dillon team home with four state placers.

WESTERN'S BLOCK GIVES THEM THE WIN

As the buzzer went off the Great Falls team put up a shot and Jake Owsley came up with the block to hang on Saturday for a 67-65 win for Western. Western had the 2 point lead with 10 seconds left after a 1 of 2 free throw attempt. Owsley had 18 points on the night, Connor Woodill put up 13 and Tyler Miller added 11 on the score board.

GREAT FALL STARTERS OUT SCORE LADY BULLDOGS

The five starters from Great Falls all were in double figures as the Argos defeated the Western Ladies in Dillon. Sammi Bignell had the game high points of 18 and team mates Roxy Thurman helped with 13 while Jenna Banks added 12.

Letter to the Editor

I have been following the City of Dillon vs. Warner and Brenneke cases in your paper. If I understand it correctly the City of Dillon as of now has invested \$39,000 in attorney fees to collect the value of two water meters plus installation fees. If I understand the issue correctly the only thing of monetary value the city has gained from these cases is a sack full of attorney fees and court papers. It seems to me it might be prudent to give Mr. Warner and Mr. Brenneke their water meters plus furnish them water for their life time, or until they sell their homes without charge. I also understand if the city wants to recoup their court costs it will mean another court case. It also occurred to me that this new court case could rack up thousands of dollars more in attorney fees without any guarantee of Warner and Brenneke being forced to pay the City's Attorney fees for the cases. It appears to me it is way past time to cut bait and move on. The city's Attorney must be laughing all the way to the bank.

BEAVERS DEFEAT HAMILTON

The Dillon Beavers had a big 2nd quarter out scoring Hamilton 21-8 to get another Conference win. Chance Kluesner led the team with 11 points, Troy Scott had 8 and Brady Richardson added 7 and Tanner Haverfield put in 6.

LADY BEAVERS DROP ONE TO HAMILTON

The two top teams squared off with Hamilton taking the victory Saturday 43-38. Hamilton was only ahead by one at the break. The Beavers couldn't stop Hamilton's Taylor Goligoski who scored 22 points, 8 of those were all they got in the fourth quarter. Cierra Lamey had 13 for the Beavers.

I'M NOT TALKING TO YOU!

Are you happy with your Christian walk?

Are you a believer that goes to church regularly, and are happy with where you are at?

Are you being fed spiritually?

Do you feel a sense of community, and loving Christian fellowship with those around you?

Do you feel that you are growing in the Lord spiritually?

If so, I am happy for you (and I am probably not talking to you.)

But I am very aware that that is not the case with many people.

Many people have experienced being exposed to religion, but not relationship.

Jesus Christ is all about relationship with Him and each other.

Relationship is what Restoration Ministries is all about.

We believe that God has shown us, in His Word, in a very simple and precious way, the path to a wonderful relationship with Him and each other.

Restoration Ministries would like to extend an invitation to the people of Beaverhead County and Dillon to join us in a home Bible Study each Tuesday night at 6:30 pm.

Restoration Ministries is an independent, non-denominational ministry, holding license and ordination with World Wide ministries in Laporte, Minnesota, since 1997.

Preston Duvall started out in ministry in the U.S. Army Chaplaincy, as a Chaplains Assistant, in 1973, recently celebrating 40 years in ministry.

Our basic ministry philosophy is "you must love the Lord your God with all your heart, with all your soul, and all your mind. This is the first and greatest commandment. A second is equally important;

Love your neighbor as yourself." (Matthew 22:37).

God loves each one of us so much. God's program is so beautiful. So simple.

Restoration Ministries Offers:

- Counseling
- Discipleship
- Teaching
- Preaching
- Loving fellowship
- Life changing testimonies

We will be announcing other fellowship times in the near future, including day time Bible Studies.

Everything we do is free of charge.

"Freely you have received, freely give."

Please call and let us know if you are coming.
