BEST WISHES

I'd like to wish local Republican Leaders and supporters a successful Lincoln/ Reagan dinner on Saturday night. I won't be in attendance due to being out of State attending business meetings on behalf of Pacific Northwest Shrine Assoc. in support of Shriners Hospitals for Children.

This meeting has been scheduled for over a year and due to my commitment on the leadership team, it requires my time away this weekend. I look forward to being back in Dillon on Monday, and welcome any questions or concerns on legislative issues be sent to email address.

I was in Helena earlier in the week and over the past several months working on FWP license revenue and funding cycles as well as in discussions regarding challenges created by Bison translocating as it relates to local ranchers and other stakeholder groups.

Once again, email is best way to reach me, especially over the next few days. have a great weekend.

Regards

TODAY IN DILLON

The Today in Dillon site has the city council meetings recorded and has played the video of the meeting- if you are not able to make the meetings and are interested you may see them at that site.

Healing City

It seems the community is at loggerheads and on the course of a stalemate. There are rumblings on the street that we need to call in the big guns, demand petitions... Not sure what this is all about.

There is a surplus of bruised feeling at the council meetings and they extend out into the public. Humans have a strong desire to be right, in control and we don't want to take time to listen to others thus causing a lot of the problems for ourselves and others.

Problems are solved by burying the hatchet, apologies, communication and time. Mr. Doan has asked each of the council members to have lunch with him or come to his office so they can get to know each other. Accepting the invite is a beginning

There are no winners here -- only losers and they are the taxpayers.

Thanks from

Letter to the Editor

It's hard to believe we have a panel of councilmen denying our new Mayor his right to appoint his own "cabinet" per se'. 1st graders could do a better job. Grow up and support your New Mayor, he was voted in. Mike is trying to save the city money, when is the last time you hear that.

For 10 years, I parked my car across the alley from the library, one spot at the end of the lot. The library approached me to put some things in storage in our building. I was glad to do it and they had no room for their stuff while they were doing work on the library.

One day Mr. Troedsson came into my store and informed me I couldn't park there any more. I told him fine, they also would have to remove things in storage in my building. He left, came back later and said they had agreed I could park there. Shortly after they removed their storage, Mr. Troedsson came in and informed me that I would have to remove my car or they would have it towed away. He called the last Mayor, the Mayor called the sheriff and my car was towed away. During this time I would come out of the store and Mr. Troedsson would be taking pictures of my car. Well get your camera out Mr. Troedsson, at least 10 cars a day park there and run to the Post Office, or Bank. I sent a bill to the City after this and was informed by Mr. Gilbert that time ran out and they were not obligated to pay it, sound familiar.

Our taxes are higher than they have ever been, people can't afford to water their lawns as water bill went so high.

The streets on Nevada, California and all that East side of town - you can hardly drive on them.

Save the City money, it would be great, use that money for some much needed repairs.

This is just a sample, I could write a whole book.

City Saga #7

By: MJ

Meeting was called to order by Mayor Klakken. Minutes read, approved and following were approved by unanimous vote: 1) Lynn Reynolds was appointed as a new probationary member of the Fire Dept. Mr. McGinley gave an excellent report on the successes of the fire department last year. 2) Mr. Ed Mooney ask the city to declare Sat, April 19th to be "Dillon Cleanup Day"/ referred to Health Welfare Committee. 3) Councilman Shaffer was appointed to the 911 Board. 4) Mr. Richard Turner asks the council to draft an ordinance that would protect LGBT, (lesbian, gay, bisexual, transgender) people/ referred to Judicial Committee. 5) Created AD_HOC Committee to investigate Flood-Zone Reclassification (The Mayor appoints this committee and would like approx. 5 people on committee). Mr. Richard Miller volunteered to serve. 6) Reports of Officers and Boards of the City were approved with unanimous vote as submitted.

A Resolution unanimously passed that calls for an election on the question of conducting a local government review and establishing a Study Commission to do so. The Montana Constitution requires that each unit of local government conduct an election once every ten years to determine whether the local government will undertake a local government review. Council approved 5 people for commission. Taxpayers cost of this review will be 4+/- mills. The council had no discussion on how much a mill was or how much it would cost each taxpayer. FOI a mill is \$4,852.00. If you are interested in what it will cost you as a taxpayer the city has a breakdown available?

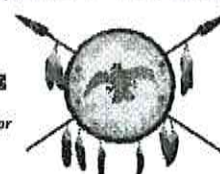

Councilman Troedsson pointed out that the MT Standard reporter raised a question of whether Mayor Klakken had the right to dismiss Mr. Gilbert. It is rumored that Mr. Troedsson was the councilperson that met with the reporter. The Mayor politely presented information from Charter under Mayors Powers and Duties that authorized him to take the action.

It seems to appear that the Mayor is the only one that is interpreting the Charter incorrectly. Why did the council break the open meeting law? Why is our city government splitting hairs that is only lining the pockets of lawyers and continuing to cost the taxpayers more money? How much more can the people afford with increases in health care costs, inflation in food, gasoline... Is your retirement and wages increasing as rapidly as your expenses?

The Ed Jones case came down today in favor of the city.

Saga 7-A : Monday I will submit the Mayor's supporting data that Mr. Troedsson is disputing along with public comments from the council meeting.

CITY HAPPENINGS

By: Lynn Westad

The Council met Wed night with all Council members present. There were two agenda items that were assigned to committees. First was petition for the Council to consider passing a Lesbian-Gay-Bisexual Transgender Ordinance. This was referred to the Judiciary Committee. Next was a request from a citizen Ed Mooney for the City to organize a spring Dillon Clean-Up. Also in attendance was Sara Maslen, President of the Tera Verde group at the college who has organized a clean up scheduled around Earth day in Dillon. This year it will be April 26th. It was referred to the Health Committee to work with Ed and the group. If you have ideas or want to work with the Committee to accomplish Dillon looking it's best contact City Hall.

There was a thank you from the Police Dept. to the BiCentennial Apts for a donation which was used to buy Automatic External Defibrillators a valuable tool for our first responders in an emergency. A new fire Fighter was appointed. Council member Bill Shafer was appointed to the 911 Board.

Next was appointment of Neal Straus as City Treasurer. It was removed from the agenda by the Mayor as he said he had not been able to contact Mr Straus to attend the meeting.

An Ad-Hoc Committee was appointed by the Mayor to investigate Flood-Zone Reclassification and the Mayor appointed citizen Tom Straugh as Chair. When the study is done it will be presented to City Council for decision.

A required resolution calling for an election for a study commission for a local government review was passed.

Fire Chief Mike McGinley presented the yearly statistics and they were remarkable. Response time is excellent and fire damages small. This helps keep our insurance rates down. A huge thank you is deserved to our volunteer dept. from all of us for doing a hard job well.

Monthly financial reports were received and approved. Swede Troedsson asked the Mayor about the conflict between a particular ordinance and the Charter. It was assigned to the Judiciary Committee for review. There were not many committee reports but now that the council has it committee assignments meetings will start to be scheduled. If you are interested in a particular subject call City Hall or watch for posted meeting agenda's.

PS: Just received notice one of the 4 cases retained by attorney Gilbert was ruled in favor of the City.

FOOTBALL RECRUITING

Bulldogs add two more to 2014 football recruiting class University of Montana Western head football coach B.J. Robertson has announced the signing of two student athletes to Frontier Conference/NAIA letters of intent to attend and play football for the Bulldogs. The signees are Helena, Mont., senior Jake Isbell and Coeur d' Alene, Idaho senior Jared Turner.

Isbell is a 5' 7" 185 pound linebacker/running back from Capital High School. He had 75 total tackles his senior season. He had 15 assisted tackles, three tackles for loss, one sack, and three interceptions. Beyond the football field Jake also competed in track all four years and spent two years on competing in power lifting for the Capital High School Bruins.

"Because of Jake's Helena Capital background you know he is bringing a toughness, a passion, and a commitment to the game of football," said Coach Robertson. "We are happy he has made the choice to come to Montana Western."

Jake plans to study business while attending class at Montana Western. He is the son of Jason and Bree Isbell. Turner is a 6' 5" 201 pound wide receiver from Lake City High School in Coeur d' Alene, Idaho. He had 20 receptions for 269 and four touchdowns his senior season. He averaged almost 4.5 yards after contact per reception. He was selected as an honorable mention all-league performer as well as voted most improved by his teammates. He has also been a member of the varsity basketball team for two years.

"Jared comes from a solid program at Lake City and has been coached by a veteran in coaching football, Van Troxel. Saying we are excited to have Jared sign would be an understatement," said Coach Robertson. "His size and ability as a wide receiver can create a lot of match-up problems which means great opportunities for him. He is young for his class so the sky is the limit. We appreciate our alums helping us get in contact with Jared who will be a second generation Bulldog."

He plans to study wildlife biology while attending Montana Western. He is the son of Scott and Cheryl Turner.
