UMW Women's Basketball

The University of Montana Western women's basketball team faced the University of Great Falls in the first round of the Frontier Conference tournament on Monday night. The game was originally schedule for Saturday, however, due to weather the game was rescheduled. The Montana Western women overcame a four point halftime deficit to win by two, 63-61.

The UGF Argos came out in the second half and extended their four point lead to a 12 point advantage with 11:55 remaining in the game. Montana Western went on a 19 to six point run to take the lead on a Roxy Thurman free throw with 3:05 remaining. In the final three minutes there were four lead changes and one tie. With the game tied at 61, UMW's Kaci Matthies was fouled on a defensive rebound with 12 seconds remaining. Matthies converted on both free throw attempts for a two point Bulldog lead. UGF guard Erin Legel missed a three point attempt with two seconds remaining and the UMW women escaped with the win.

Great Falls was led by Erin Legel who scored a game high 24 points (14 first half points), six assists, and was 10-for-11 from the free-throw line. Darah Huertas-Vining scored 14 points in the game, and was a big reason for the half time lead by scoring ten points in the first half. Lindsay Abraham had a double-double with 11 points and 14 rebounds.

Montana Western had four players score in double digits. The Bulldogs were led by Sammi Bignell's 21 points, 12 of which came in the second half. Kaci Matthies had a double-double scoring 14 points, grabbing 14 rebounds, and going 4-for-5 from line including the two for the Bulldog lead in the closing seconds. Senior Roxy Thurman had 12 points and went 5-for-5 from the charity stripe. Jenna Banks was the fourth UMW player in double digits with ten points. Montana Western went 14-for-22 from the line with nine of those made attempts by Thurman and Matthies.

The University of Great Falls finishes the season 17-13. The University of Montana Western (15-12 overall; 9-8 Frontier Conference) will travel to Westminster on Sat. March 8, to take on the No. 1 seed Griffins in the second round of the Frontier Conference tournament.

Saga 1– Water/Sewer Bonds

By: MJ

The city has recently taken a bond out for nine million dollars ($9,000,000). This bond was to pay for the latest update on the lagoon. The engineer estimated that the cost of the project at $9,000,000+/-. However, the project had not gone out for bid so the real cost of the project was not known. Mr. Cobb Treasure and City Council agreed to go ahead and get the bond for $9,000,000 before the project went out to bid and the actual cost was known. The bid cost or the actual cost of project was $4,000.000+/-. It appears the city took a bond out for approximately $5,000,000+/- over the cost of lagoon update. Today the city via taxpayers dollars, are paying for interest only on a $9,000,000 bond and will not start paying on the principle until year 2023.

Existing today are also three old bonds that were taken out in prior years to update the water/sewer system and city is still making payments on them. **Note:** *All of the above was done before Mayor Klakken was elected.*

When you look at your water statement the top two lines are what you use at your residence in water and sewer for the month. The next four (4) lines are paying off bonds. The $23.52+/- listed on your water bill is paying for interest only on the $9 million bond and the other three lines are paying for the outstanding balances and interest on older bonds.

I will follow up with an article explaining ideas the Mayor Klakken has on how to reduce water bills, getting old bonds paid off and reducing interest expenses.

CITY HAPPENINGS
By: Lynn Westad

The Health & Fire Order Committee met Thursday night to discuss two issues. Each year the Terra Verde Club at the college organizes a clean up Dillon day around Earth day activities. This year clean up day is Saturday April 26th. The committee met to discuss and decided to join them in their efforts to make Dillon look its best. The Mayor will be issuing a proclamation officially announcing this date as Dillon Clean up day. Dillon Disposal Service will be contacted to see if they will assist by placing dumpsters in various locations for citizens to use. So start thinking about yard and garage clean up and take advantage of not having to go to the dump.

The Terra Verde club meets at the depot park and hands outs bags and general instructions for clean up. The club focuses it efforts in the downtown area cleaning alleys, boulevards and streets from trash and other debris that collects though the winter. All entrances to town will be a focus also. It would be great if other groups like 4-H or Scouts would join the effort. There will be more information to follow so watch for more details as we get organized.

Also a presentation was given by Leaf Magnusom and Leslee Amos of Dillon Recyling to not have plastic bags in Dillon. They were requested to present a petition to the merchants and have them sign if they want to do without plastic bags.

The meeting was adjourned but will meet again on March 18 7:00 pm at City Hall come and join in the discussion.

ORDER OF EASTERN STAR

The Order of Eastern Star will have their official visit March 6th by the Worthy Grand Matron Diane Lockey and Worthy Grand Patrol Rob Robinson. Roast beef dinner $10 served by the Dillon Masons at the Teample at 5:30 pm and the meeting starts at 7:00 pm.

BANNACK STATE PARK CHANGES TO SPRING HOURS

Bannack State Park changes to spring hours on Sunday, March 9. Spring hours are 8 am until dusk. Spring is a wonderful time to visit the park as the weather has warmed, the snow is gone, the birds are singing and the summer crowds have not arrived. Bannack State Park is one of the best-preserved ghost towns in America, site of the first major gold rush in Montana and the first Territorial Capital. Once home to the infamous sheriff Henry Plummer and his gang of outlaws, the history that occurred at Bannack is incredible. Tour booklets are available at the gate for self guided tours. The park and campgrounds are open all year. Bannack is located 25 miles southwest of Dillon, just 4 miles off Highway 278. For information call the park at 834-3413.

GHOST ADVENTURES

Last October Stan Smith casted several local folks as reenactors and background extras for the Travel Channels' # 1 series, Ghost Adventures. For several days the cast and crew filmed in and around Bannack State Park. Local actors played the parts of historic figures in Bannacks notorious past to set up the show's traditional "lock down" by the stars of the popular parnormal series. Where Zack, Nick and Aaron lock themselves into suspected haunted places for an entire night to prove or disprove paranormal activity. Stan signed up many local folks that brought authenticity to the episode and the production helped to bolster the local economy for the short time they filmed in the well preserved ghost town.

Season Nine, episode four airs Saturday, March 8th on the Travel Channel at 7:00 pm and again at 10:00 pm Mountain Time. Channels 50, 550HD, 196 Dish and 227 DirecTV.

So check it out and see if they proved that Bannack still has some unseen residents or just to see your fellow Dillonites on national television.

GOV. BULLOCK TO BE MONTANA WESTERN COMMENCEMENT SPEAKER

University of Montana Western officials have announced that Montana Gov. Steve Bullock will serve as commencement speaker in ceremonies Saturday, May, 10, 2014.

The governor's education policy advisor Shannon O'Brien informed the university yesterday.

Montana Western Chancellor Richard Storey said, "Our governor has demonstrated a deep and ongoing commitment to education at all levels in Montana. As the state's premiere teacher training institution and with our unique approach to teaching and learning, we are particularly honored that he will join us."

UMW is the only U.S. public four-year institution to employ Experience One where students take a single class at a time and then move on to the next. The university has been distinguished by the Carnegie Foundation with five professors of the year in as many years.

The ceremony is scheduled to begin at 11 a.m. in the Straugh Gymnasium on the UMW campus. This is the 117th commencement for the school, which was founded in 1893.

This year's proceedings will be Storey's last as he has announced his retirement Aug. 2, 2014.
