BANNACK GHOST ADVENTURES

Last October Stan Smith casted several local folks as reenactors and background extras for the Travel Channels' #1 series, Ghost Adventures. For several days the cast and crew filmed in and around Bannack State Park. Local actors played the parts of historic figures in Bannacks notorious past to set up the show's traditional "lock down" by the stars of the popular paranormal series. Where Zack, Nick and Aaron lock themselves into suspected haunted places for an entire night to prove or disprove paranormal activity. Stan signed up many local folks that brought authenticity to the episode and the production helped to bolster the local economy for the short time they filmed in the well preserved ghost town.

Season Nine, episode four airs Saturday, March 8th on the Travel Channel at 7:00 pm and again at 10:00 pm Mountain Time. Channels 50, 550HD, 196 Dish and 227 DirecTV.

So check it out and see if they proved that Bannack still has some unseen residents or just to see your fellow Dillonites on national television.

Saga 8 City Council meeting

By: MJ

The meeting was presided over by Councilman Spehar. The Mayor was out of town attending a continued education. The meeting followed the agenda with council unanimously passing everything except for the following issue.

- A report was given by Councilman Achter on the finance committee that met March 5, 2014. Due to the finance committee meeting the same day the council met the report was passed out to the council. The public was not able to review this report however Achter reported that the committee strongly advised the council not pay the statement received from Erb and Suenram LLC. The report provided an opinion on the Johnston v Babb case that was sighted by the council as the reason that Mayor Klakken could not replace the appointees whose terms had expired.

Problem: "The finance report (minutes) explaining the reason why this statement was not to be paid, was not available to the public before the council meeting & was not on the agenda for the council meeting; however the council, except Councilman Nye, voted not to pay the bill. Following is the law that says why this is a problem. Read for yourself and decide if the council followed the law.

- *Montana Code Annotated 2-3-103 states that the agenda for a meeting must include an item allowing public comment on any public matter that is not on the agenda of the meeting and that is within the jurisdiction of the agency conducting the meeting. However, the agency may not take action on any matter discussed unless specific notice of the matter is included on an agenda and public comment has been allowed on the matter".*

A Pete Seeger Hootenanny

In memory of the late American folk singer and activist Pete Seeger, who died in January, community members are invited to attend a free screening of Pete Seeger: The Power of Song, a feature-length documentary that originally aired in 2008 as part of the PBS American Masters series. The event will also feature local musicians and a sing-along of Seeger's most memorable songs. Any Pete Seeger fans who are musicians are invited to bring along acoustic instruments for playing, and the public is invited to bring along their voices and join in the singing!

Born in 1919, Seeger wrote and recorded music throughout the mid-20th century. Some of his best-known songs include "Where Have All the Flowers Gone?" (written with Joe Hickerson), "If I Had a Hammer" (written with Lee Hays), and "Turn! Turn! Turn!" He also popularized many traditional folk and gospel songs such as "Low Bridge (Erie Canal)," "John Henry," and "We Shall Overcome."

According to the PBS website, Seeger "introduced America to its own folk heritage, got a whole generation passionate about playing the guitar and picking the banjo, and got them singing together and using music as a force for social change. He deeply believed in the power of song, convinced that individuals can make a difference."

The event, sponsored by Humanities Montana as part of its Hometown Humanities program in Dillon, takes place March 20, 7:00pm, at the Depot Theater. For more information please visit www.humanitiesmontana.org/hometown.

CITY HAPPENINGS

By: Lynn Westad

The meeting was called to order by David Spchar Council President in the absence of the Mayor. All council members present.

A response from the state regarding corrections suggested by the auditor being implemented was in the packet. Next was a letter from the Dept of Labor and the MPEA acknowledging the City employees joining MPEA and we will hear further after their review.

There were two requests for street closures. One was the annual trade show on May 30 & 31st. Another was for fundraising event for the Women's Resource Center. All requirements were completed and the approval was given. Next was the regular Water Dept report. There were minutes from the Tree Board for their meeting on 1-14-14. Minutes for Health Committee approved. The Committee is working with the Terra Verde College Group to organize a city clean up for April 26th. More information will follow.

The Finance Committee which meets at 1:00 on the Council day pulled from the warrants for payment approval of a bill for the firm of Erb & Suenram, PLLC. The Mayor had requested a legal opinion without going through the required process of Council approval.

As the budget year proceeds issues may develop that require outside services so a budget line is set for contracted services. Even though there is a budget item it still requires any issue to be brought to the council to determine if outside services are required, the cost involved and the selection of the firm or business. The Mayor as the executive branch has no authority to make these decisions without Council approval. If there is an approval then the Mayor proceeds to carry out the Council's decision. As this process was not followed by the Mayor the committee recommended that the bill not be paid and the Council voted 7 Yes and the one No was Dan Nye. Therefore the bill will not be paid from City funds.

COMMITTEE MEMBERS NEEDED

The City of Dillon is looking for volunteers for an ad hoc committee to check into floodplain map revisions on Blacktail Deer Creek that runs through town.

If you are interested please call committee chairman Tom Straugh 683-2155. They are looking for 5-7 members who will give their recommendations for the map revision to the City Council. Revisions could lead to possible lower insurance rates for many property owners in the creek area.

BANNACK PARK SPRING HOURS

Bannack State Park changes to spring hours on Sunday, March 9. Spring hours are 8 am until dusk. Spring is a wonderful time to visit the park as the weather has warmed, the snow is gone, the birds are singing and the summer crowds have not arrived. Bannack State Park is one of the best-preserved ghost towns in America, site of the first major gold rush in Montana and the first Territorial Capital. Once home to the infamous sheriff Henry Plummer and his gang of outlaws, the history that occurred at Bannack is incredible. Tour booklets are available at the gate for self guided tours. The park and campgrounds are open all year. For information call the park at 834-3413.

DON'T TRY THIS ON THE ROAD

Distracted Driving Incident Everyone reading this will enjoy it - no matter which gender you are..... This morning on the Interstate, I looked over to my left and there was a Woman In a brand new Cadillac Doing 65 mph With her Face up next to her Rear view mirror Putting on her eyeliner. I looked away For a couple seconds... To continue shaving And when I looked back, she was Halfway over in my lane, Still working on that makeup. As a man, I don't scare easily. But she scared me so much; I had to put on my seat belt And I dropped My electric shaver, Which knocked The donut Out of my other hand. In all The confusion of trying To straighten out the car Using my knees against The steering wheel, It knocked My Cell Phone Away from my ear Which fell into my coffee which was Between my legs, Splashed, And burned Big Jim and the Twins. Ruined the damn phone, Soaked my trousers, And disconnected an Important call. Darn women drivers! *?
