In 1966 she went to work for Safeway, retiring in 1985.

She was preceded in death by her parents, husband, brothers Everett of Billings and Ira of Lewistown, sisters Shirley Pallett of Lewistown and Joyce Anderson of Harlowton.

Saga 8-A City Council continued

By: MJ

On the agenda for council meeting dated Mar.5, 2014 was a "Response to FY 2013 Audit Report. There was no discussion or report given on this by the council. It was unanimously approved by the council.

• A letter was received from Montana Local Government Services Bureau approving the "corrective action plan" regarding "the audit deficiencies" from the Nov. 6, 2013 audit report. Often these corrections are minor corrections however; it would have been nice if the council, who are elected to represent the people, would have made the corrections and deficiencies public information. Yes, the public can go to city hall and receive the detail information.

Is the world a safer place now than it was when Barack Hussein Obama took office in 2009?

*Dillon Student section, pep band and cheerleaders support their
Dillon Beavers team in the championship game on Saturday night.*

DILLON BEAVERS GO FOR STATE TITLE

The Dillon Beaver started the tournament on Thursday night in a quarter final game against Miles City up in Great Falls.

The Beavers got off to a slow start it seemed and then they got everyone's attention and put up a 59-47 win over the Cowboys. The Beavers bench came out and helped, giving the team a lot of strength all away around. Parker Love hit a big triple after half time putting Dillon up 40-23 with a couple minutes left in the third. The end of the third quarter saw Dillon on top 44-25. Miles City tried to battle back but only came to within 12 for the rest of the game.

Troy Scott led the Beavers with 17, Brady Richardson put in 10 and they got points from JD Ferris 9, Parker Love 6, Jason Ferris 6, Trae Williams 5, and Nate Simkins and Tanner Haverfield each had two.

DILLON UP AGAINST BELGRADE IN SEMIS

Dillon Beavers didn't make the state finals last season and they are battling hard to make it known they want it this year. Dillon has had great rotation from their bench all season and it has helped get them this far in tournament play as well. The Beavers went up against the Belgrade Panthers on Friday night and shot past them to get the win 51-35 to head to the championship game against Columbia Falls.

Dillon played 1-3-1 zone to make things hard for the panthers of-

fense to get a good shot from the outside and some poor attacks underneath.

The Beavers had 11 players get points in the game to spread out their offense with passing the ball around. Troy Scott led the Beavers with 15 points and Chance Kluesner hung out at the outside three point line and put up 11 points in the game. He started the second half with back to back threes to put the Beavers up 24-12. Scott wouldn't be out done and came back with two straight threes himself to move the Beavers up to 30-16 with 2 and a half minutes left in the third quarter.

At the buzzer to end the third quarter, Nate Simkins hit a 15 foot shot to move the Beavers to 34-19 with a quarter left.

The Panthers came out in the fourth quarter determined to get back in the game. They clawed their way back to within 9 with six minutes left but the defense of Dillon held strong and the Beavers came up with some important free throws to shut down the Belgrade momentum.

DILLON FALLS TO COLUMBIA FALLS

The Dillon Beavers and Columbia Falls Wildcats have battled for the same state title 4 times in 6 years with each coming out with two trophies. This year the title of state champ goes to Columbia Falls who was the bigger of the two teams with a score of 47-56 over the Beavers.

The Beavers struggled from the floor with only hitting 26% and had trouble from the charity strip also. They had 14 more attempts from the line but hit 4 less then the Wildcats on the night. The team took the shots but it seemed as though they just couldn't get that outside shot to go through the nets to get the rhythm to swing their way.

Dillon was down by five at half time and would fall behind more and dig back to with a handful to get pushed back again. Dillon was behind 43-37 at the end of the third quarter and seemed to get going but not for long. The Beavers defense worked real hard to keep them in the game but the offense was cold most of the night.

The last game for the two seniors, Troy Scott and Chance Kluesner saw them come out with only two points for Kluesner and 19 for Scott. The Beavers have a young team and much hope for the future from their bench. Other players to score were Parker Love with 6 points, Jason Ferris 6, Brady Richardson 6 and Nate Simkins 3.

Great season players and coaches, and good job by the pep band, cheerleaders and stunt squad along with the staff and bus drivers.

Letter to the Editor

Charles L Kissling

The natives are getting very very restless. After having lostening and hearing people on the street, in restaurants, on the phone and in print. The word recall and conspiracy have been used frequently, some are not sure as to what it is they mean. For the purpose of information only, as to what they mean under the laws of Montana and Federal laws. I will add this web address for the laws of recall from Montana Code Annotated 2013.

CITY HAPPENINGS

By: Lynn Westad

The Street & Alley Committee met Thurs. night at 6:30. Dick Achter, Chair, David Spehar, Bob Cottom and Lynn Westad, Director of Operations J.S. Turner City Attorney Jim Dolan Public Attending: Ray Ann Sutton and Duke Gilbert.

It was a large agenda that was moved through quickly. First recommendation to the Council will be for a study of the storm drain system on Atlantic as it is in severe need of upgrading. There will be several entities involved so the first step will be getting everyone together to discuss and plan. There were requests regarding minor pieces of the ground adjacent to citizen's property that they wished to purchase which have no useful purpose and of no benefit to the city and it will be recommended that approve these boundary changes. An easement agreement was presented by the YMCA regarding an extension of the current trail and the city attorney was requested to review and make appropriate changes as needed and bring back to the committee. The final stage of the Bannack St sidewalk improvements will be taken to the council for final decision.

The committee voted to recommend to the Council to approve the use of remainder of CTEP funds to a group working on the Mainstreet Project. This will enable the group to place period lighting on Montana St with hanging baskets of flowers. Fortunately in anticipation of this type of project when the Montana St. project was done wiring was placed so it was ready for this kind of improvement. With the plans for a new decorative metal fence along the parking lot from Helena to Bannack which will be done this spring these two improvements will bring new life to the downtown area and hopefully encourage visitors to linger longer in our downtown. The meeting was adjourned at 8:00 pm.
