Letter to the Editor ARE YOU TIRED??

Well they have done it to us again! You know what I'm talking about?? A device to fool us, control us, confuse us. To make our lives down right miserable. Yes!! Daylight Saving Time! But I don't understand, we loose an hour so we will be tired for the next six months. What did "they" do with the hour they took away? Will we get paid less or will you have to pay less taxes on the hour lost? Daylight Saving Time is an oxymoron. We will have no more light than before so are we really saving daylight? Daylight Saving Time was invented by a person who does not know how to tell time. This person was and still is in a zone but not in a time zone.

Did you know Daylight Saving Time causes much harm? It causes "time confusion". There is no know cure for this disease. Victims loose an hour and go crazy not knowing how to find the hour lost. It is lost souls in a "time warp"!

Other harms that have been related to Daylight Saving Time are: restless elbow syndrome, whimpering, crying mood swings, bleeding of the toenails and an eating disorder for the craving of chocolate covered sauerkraut.

The day after Daylight Saving Time and the changing of clocks, 75 million people came to work on the wrong time with the results of the loss of \$55 billion dollars. The others who were on time for work took an hour coffee break to make up for the lost time. This resulted in the loss of \$23 billion dollars and twenty three cents.

There are now major studies at a cost of \$37 billion dollars linking Daylight Saving Time to Global Warming and causing politicians to prevaricate profusely. So are you tired?

Profiting From Safety

Presented by Fred Miller, Safety Specialist
with Safety & Health Bureau, Montana Department of Labor & Industry

Lunch and Learn: Bring your lunch if you like.

Making safety a priority in your business or organization will help reduce work-related injuries, improve productivity and produce greater quality in your service or products. Learn why a written safety program is the first step at creating a strong safety culture. Requirements for joining Montana workers' compensation group rated plans will be reviewed, as well as tips for negotiating your workers' comp policy renewal.

The last 30 minutes of the class will be used to download the Safety Writer program. This provides a working template that is the first step toward implementing an effective safety culture, and will satisfy insurance requirements for a written safety plan.

BANNACK ASSOCIATION PRESIDENT IS THE FEATURED SPEAKER AT DILLON KIWANIS

Otis Anderson, president of the Bannack Association, will be the featured speaker at the Wednesday, Mar. 12 meeting of the Dillon Kiwanis.

Anderson, a member of the Bannack Association since 2011, will talk about how the grass-roots organization works hand-in hand with the State Parks department to promote and preserve this precious slice of Montana heritage. This is done through private fund-raising, promotional efforts and individual participation.

Anderson will also discuss the Association's plans to develop and preserve historical artifacts and records from Bannack along with the preparation and distribution of the Association's newsletter.

The Kiwanis meet every Wednesday at 12 p.m. at the Dillon Elks Lodge in downtown Dillon.

The Kiwanis Club of Dillon has been serving our community since 1940.

MOTIVATION

By: MJ

Elected officials that follow the laws will represent the citizens without favoritism, disrespect or indifference. Why do we have the hostility in the local government when on the world map Dillon is a community of no consequence (microscopic dot on the map)? This is just a small consortium of people living paycheck to paycheck or you might say day to day.

What does this area have to offer? How can the area move into the future productively? Are the leaders in place that are strong leaders, have a positive can do attitude, and are motivated? **Motivation** is the driving force that causes the flux from desire to will in life. Motivation is an inner drive to behave or act in a certain manner. "It's the difference between waking up before dawn to pound the pavement and lazing around the house all day". Motivation has been shown to have roots in physiological, behavioral, cognitive, and social areas.

Remember your council (not the mayor) is the decision makers for city government. If the council chooses to disregard the laws as they are wrote, indicate unwillingness to cooperate or compromise by following the laws the community and taxpayers will suffer.

Life is challenging enough and the people do not need the local government adding to these challenges.

"MUSIC IN OUR SCHOOLS MONTH"

Beaverhead County High School will celebrate "Music in our Schools Month" with a combined Band and Choir Concert on Tuesday, March 18, at 7:30 p.m. in the B.W. Lodge Gymnasium. Special guests will be the Dillon Middle School 8th grade music students and choir students from Lima. Following the concert a reception for performers and audience members will be provided by the Dillon Friends of Music.

All musical groups of Beaverhead County High School will be performing. The Dillon Middle School 8th grade Band and Choir students, the 7th and 8th grade "Youth Sing" participants, and the Lima Choir will perform individual pieces and also join the BCHS students for concert selections. A traditional Iroquois melody, "Yanaway", will be sung by the combined choirs, and the combined women will perform a Macedonian melody "Tatkovina". "We Sail the Ocean Blue" from Gilbert and Sullivan's H.M.S. Pinafore will be performed by the combined men. Band members of both schools will perform "Elsa's Procession to the Cathedral" from Richard Wagner's opera Lohengrin and "Foundry" by John Mackey.

Presentations by the Lima Choir will be "Cold Wind Blows on the Valley" and "Every Night When the Sun Goes In". DMS choral students will perform "I Want to be Ready" and "Windy Nights", and band students will present "Sierra Passage".

The BCHS Symphonic band will open the program with Frank Ticheli's "Joy Revisited" followed by the Jazz band's rendition of "Car Wash" by Norman Whitfield. The second appearance of the Percussion Ensemble will perform "Fresh Trash". On a more serious note "Sound the Trumpet" by Henry Purcell will be sung by The Treble Chorus and Teen Tones, and the Treble Chorus will present "Memory" from Cats. Performances by the Teen Tones are an arrangement of the American Folk Hymn "Poor Wayfaring Stranger" and "Psalm 100" by Rene Clausen. The Men's Chorus will present "I'm Bound Away", and the Mixed Ensemble will complete the choral selections singing a Renaissance madrigal, "All Ye Who Music Love".

Mr. Neil Lemieux is director of music at the Dillon Middle School., and the newly revived Lima program is under the direction of Mrs. Carolyn Van Slyke. Mr. Christopher Kloker and Mrs. Laurie Hagenbarth direct the Band and Choir respectively at Beaverhead County High School. The public is cordially invited to attend at no charge. The Dillon Friends of Music will be selling raffle tickets for a Patagonia Gift Card to be drawn the night of the concert. Proceeds will benefit music activities.

Time Change

By: MJ

Did you know that the "Department of Transportation" is in charge of time zones in the United States and ensuring that jurisdictions observing Daylight Saving Time begin and end on the same date?

Arizona, Puerto Rico, Hawaii, U.S. Virgin Islands and American Samoa do not observe Daylight Saving Time.

An assistant professor of management, Christopher Barnes only sees a downside to the Daylight Savings time shift. Professor Barnes in his research documented increases in the workplace injuries and the severity of those injuries. Other research shows that heart attack rates and car accidents are significantly higher on Sleepy Monday (first day after time change).

Barnes also explains that "Smart Phones" cramming more work into a given evening results in less work done the next day while affecting the natural sleep pattern. New technology proposes new challenges, like finding creative ways to balance the downside with the significant upside.

Question: Does the time change really make a difference in our world or is it something that should become history?

DILLON CUBS

Yes - it is getting to be that time again.

Baseball will be starting in Dillon and the American Legion Cubs are gearing up. If you would like to sponsor a field sign call Marsha Cleverley 683-2550 days or Jim Wilson 539-4050 evenings or if you need a ticket, get in touch with a Cub parent, coach or Lori Richardson and they will get someone in touch with you to get you taken care of.

RESTORATION MINISTRIES

"Restoring True Fellowship to the Body of Christ"

Restoration Ministries has a Big Vision. And why not! We have a Big God, and we can dare to dream big about the things that we want to do for God, and about the things that we want to see him do in our lives. Jesus wants to touch your life in every area, bringing you peace, love, joy and victory.

We believe, with all our hearts, that it is time for a Spiritual Revolution. Jesus Christ, especially as he is revealed in the Gospels, is our pattern for life and ministry. As Believers, we should have a desire to follow in His footsteps, even closer than we ever have before. It's not about impersonal religion. It's about personal relationship.

It is our prayer that you would join with us on Tuesday nights at 6:30 for the Book of John Discipleship Bible Study.

Also, look for the ad in this paper for Restoration Christian Counseling. We feel that it is in Gods timing that we offer christian, pastoral, counseling in Dillon and the surrounding area.

There has been interest expressed in having a day time fellowship meeting. We would like to begin offering the Book of John Discipleship Bible Study on Tuesday afternoons at 1:00 pm. The first afternoon study will be on March 11th, at the same address. Please call if the daytime Bible Study is of interest to you. Everyone is welcome.
