LARRY LLOYD

Larry was born to William (Bill) M. Lloyd and Alice Grass Lloyd at the Barrett Hospital in Dillon, Montana on October 10th, 1934. Growing up in Dillon, Larry enjoyed fishing and hunting with his dad, friends and his dog Mickey. Mickey held a special place in Larry's heart and was one of the first of many well-loved canine companions.

Larry attended grade school and high school in Dillon and graduated from Beaverhead High School in 1952. He enrolled at Western Montana College and graduated in 1958 with a Bachelor's Degree in Education, majoring in mathematics and science. Between high school and college, Larry worked on ranches, drove truck, worked in the fishing industry in Ket-chikan, Alaska and then trucked and ran heavy equipment on road and airbase construction in Alaska during the summers.

In 1958, Larry was hired to teach science and mathematics at Three Forks High School. Larry stayed a second year and taught mathematics. In 1960 he accepted an offer from the Department of Army Overseas Schools to teach advanced mathematics and physics at the Kubasaki Senior High School in Okinawa. While living in Okinawa he enjoyed traveling to cities throughout Asia. After two years he transferred to the Paris American High School in Paris, France where he taught mathematics for a year.

In 1963 Larry returned to Dillon where he worked on the construction of the Clark Canyon Dam and on Interstate Highway projects south of Dillon. In late November he accepted a job as a Health Physicist at the then National Reactor Testing Station (NRTS) near Idaho Falls, Idaho where he was employed until June 1967. Larry was then offered a Public Health Fellowship at the University of Minnesota to work toward a Masters Degree in Radiological Health. It was there that he met his wife to be, Darlene Ahlers, a Minnesota farm girl. Larry and Darlene were married in November 1968. Larry received his Masters Degree a month later.

In January 1969 Larry and Darlene moved to Idaho Falls where Larry again went to work at the NRTS as a Health Physicist. In June 1969 Larry and Darlene moved to Helena where he began working for the Montana State Department of Health where he remained employed until he retired in 1990.

Larry was a long time member of the Dillon Elks Lodge, and in recent years took great pleasure in returning to Dillon for stag nights to visit with friends.

Larry is survived by his wife Darlene, son Bill (Miki) and grandchildren Brent and Kaci of Helena, and daughter Suzy (fiancé Matt) of Seattle, Washington.

A memorial service celebrating Larry's life will be held at 11:00 a.m. Tuesday, March 11, 2014 at Anderson Stevenson Wilke Funeral Home, 3750 N. Montana Ave, with a reception to follow immediately in the social hall of the funeral home. Burial will take place at a later date at the Dillon Cemetery, Dillon, Montana. In lieu of flowers, the family suggests donations to the Dillon Elks Lodge, P.O. Box 505, Dillon, MT 59725-0505.

ACADEMIC OLYMPIC

Dillon Middle School took three teams to the state Academic Olympic meet in Bozeman on Tuesday, March 11. Forty-eight teams from across the state competed and two of Dillon's teams ended up competing for first and second against each other in the final round. The final score was very close with the team of Gabe Kirkley, Rhiannon Murdoch-Kalsta, Heidi Martin, Lindsay Huber, Abbey Trang, and Trent Wahl narrowly beating the team of Ray Shipman, Sam Telling, Austin Bocking, Monika de los Rios, and Turner Sawyer. Other team members were Kyndall Peterson, Kia Coon, Sarah Griffin, Rachel Towery, Lucy Wright, and Mariah Mosher.

Students also compete on a written exam for highest score among the over 250 contestants. Several students placed in the top ten of the exam. The eighth graders were Austin Bocking 3rd, Ray Shipman 4th, Heidi Martin 5th, Sam Telling 6th, and Gabe 6th, and Sarah Griffin 7th. Of the seventh graders, Monika de los Rios placed 4th. Dillon should be very proud of how it was represented by these students. They competed with integrity and sportsmanship and deserved every honor they received!

Letter to the Editor

Charles L Kissling

I would like to submit a different form of city government to the citizens of Dillon. A Strong Mayor form of city government I truly believe that this change will serve the city far better than the current form.

I also believe that it will force to city council to be more in line as it should be. I am sure you will read rants saying the Mayor will be a tyrant or a dictator, even IF that were to be true, it would be easier to deal with one dictator rather than seven.

Montana Code Annotated 2013

Previous Section MCA Contents Part Contents Search Help Next Section

7-3-4101. Strong mayor form of municipal government. (1) The qualified electors of any city or town in this state may, in the manner provided in chapter 5, part 42, adopt an ordinance vesting any or all of the following powers with the office of mayor of the city or town:

- (a) to appoint and remove, without consent of the council, all non elective officers of the city or town;
- (b) to exercise absolute control over all departments and divisions of the city or town created in this title or that may be created by the council;
- (c) to appoint one or more administrative assistants to assist in the direction of the operations of the various city departments and agencies;
- (d) to be solely responsible for the preparation of the annual budget in compliance with the procedures set forth in chapter 6, part 42;
- (e) to appoint a budget and finance director whose functions include the preparation of the annual municipal budget under the direction of the mayor.

(2) If any ordinance duly adopted in accordance with this section is in conflict with ~~7-3-4113, 7-3-4303, 7-4-4303, 7-5-4102(1), 7-5-4122, 7-5-4205, and 7-5-4206~~, the provisions of this section prevail.

NARCISSIST - DO YOU KNOW ONE?

By: MJ

The US National Library of Medicine describes a person with narcissistic personality disorder as having an excessive sense of self-importance, an intense preoccupation with themselves, and no empathy for others.

Narcissistic personality disorder is a mental disorder in which people have an inflated sense of their own importance and a deep need for admiration. Those with narcissistic personality disorder believe that they're superior to others and have little regard for other people's feelings. But behind this mask of ultra-confidence lies a fragile self-esteem, vulnerable to the slightest criticism. Mayo Clinic Staff

People are charmed by the charisma of the narcissist; they cheerfully do his bidding and delight to be at his service. A narcissist shapes the world around them and reduces others. Narcissist's admirers become their codependents.

A narcissist has no interest in things that do not help them to reach their personal objectives. They are focused on one thing alone and that is power. All other issues are meaningless to them and they do not want to waste their precious time on trivialities. Anything that does not help them is beneath them and does not deserve their attention.

The term narcissist comes from a character in Greek mythology, called Narcissus. He saw his reflection in a pool of water and fell in love with it.

Letter to the Dillon City Council...

Making the City of Dillon the laughing stock of Montana.

By Chuck Dishno

Do you council members have any idea to what you are doing?

I have heard from many of my friends in Butte and even Helena asking, "What the heck is going on in Dillon."

Hey, council members, give it up and let Mayor Mike do the job he was elected to accomplish. That is to make Dillon a better place. One that we can all be proud of without creating a smirk from other cities around Montana.

Mike should be afforded the right that every elected official is given and that is the right to choose his own cabinet.

The question I get is, "What are they trying to hide"? Or "Do they still feel a loyalty to the past mayor"? My answer is, "I really don't know but whatever it is its hurting he residents of Dillon".

Mike ran a clean campaign and defeated the past mayor by a large margin, no easy task considering the previous mayor held the office for 12 years. I know many if you feel the same way I do, even some of you who voted against Mike and it is time to make things right and let Mayor Klakken do his job. If you have an axe to grind or are hiding something, get over it! Quit having your secret meetings to decide how you are going to vote.

The Dillon City Council meetings are open to the public and I encourage you to attend in great numbers to voice your opinion. Let's pack the Council chambers next week. It is the least we can do to save the great name of Dillon without someone from Butte asking, "What kind of morons do you have on the city board"?

Mike Klakken. It is the right thing to do.

My name is Chuck Dishno and I approve this message.
