Jesse James Eighorn

Jesse James Eighorn passed away peacefully on March 13th, 2014 in Dillon, Montana.

Jess was born November 15, 1955 in Sheridan, Montana to Gloria and Jim Eighorn and was raised on the family ranch in Melrose. After graduating from Butte High, Jess went to work as a crane operator, as a rancher in the Deer Lodge Valley, and later running his own auctioneer service across the state.

Friends and family will remember Jess for his sincere friendship and his robust, joyful, and proud personality. He was funny, stern, and direct...all when he needed to be. Jess enjoyed a cold Budweiser with salt, watching John Wayne movies, playing jokes on his buddies, and being with good company. Many will remember him telling rambunctious stories that ended with a laugh, squinted eyes and a slap of his knee. Jess could rattle off equipment numbers, figures, and important dates at any time. He took pride in telling how most bridges in the state were built, in what year, and who built them. Farmers and ranchers relied on Jess to locate, buy, and sell equipment for them. He was said to be as strong as a bull moose and loved being outside riding four wheelers, fishing, and shooting guns. Most of all, Jess enjoyed being a friend. Everyone always knew where they stood with Jess, and friends & family knew they could always count on his helpful nature, his genuine gift of caring, and his generosity.

Jess leaves behind his daughter Lace, son-in-law Josh Shrum, father Jim Eighorn, sisters Julie (Larry) Boksich, Toni (Dixon) Robison, and Marta Nicholls and brother Luke (Joel) Eighorn; as well as numerous aunts and uncles, nieces and nephews, cousins, and many dear friends.

He is preceded in death by his mother, Gloria.

Special thanks goes to Dr. Sandra McIntyre, the staff of Parkview Care and Rehabilitation Center, and the Barrett Hospital Hospice nurses.

Services will be held Wednesday, March 19 at 11:00 at the Church of the Big Hole in Melrose. Donations in Jess' name can be made to the Anaconda VFW Post 1976, the Powell County 4-H Council, or Shriners. A guestbook is available online at www.brundagefuneralhome.com.

Philip Dean Johnson, 39

Philip Dean Johnson, 39, of Idaho Falls, passed away on Friday, March 14, 2014, at his home. He was born on June 9, 1974, in Butte, Montana, to Paul and Cherilee Johnson. He was raised on the family cattle ranch in Jackson, Montana. He rode and trained horses and loved competing in horsemanship competitions. He attended grade school in Jackson and graduated from Beaverhead County High School in Dillon, Montana, where he was a member of the wrestling team. After high school he continued to raise cattle alongside his father and grandfather. He was married to Kim Donnelly in 1997. They were later divorced. He was blessed with three children; Devan, Derik, and Emma. He later moved to Idaho Falls to be close to his children. He was an expert snowmobile rider and mechanic and raced quads competitively throughout Montana. He enjoyed watching his boys play sports and spending time with his daughter Emma, who was the apple of his eye. He was a kind and caring man who was friends with everyone he met.

He is survived by his sons, Devan Johnson and Derik Johnson; daughter, Emma Johnson; parents, Paul and Cherilee Johnson; and sister Susan Johnson, all of Idaho Falls; uncles and aunts, Joe (Sue) Johnson, of Jackson, and David (Sharon) Crase of Butte, Montana. He was preceded in death by his grandparents, Benny and Betty Johnson and Phillip and Irene Crase.

A memorial service will be held at 2:00 p.m. on Saturday, March 22, 2014, at Brundage Funeral Home, 300 S. Atlantic Street, in Dillon, Montana. Burial will be in the Mountain View Cemetery in Dillon, Montana. Local arrangements are under the direction of Buck-Miller-Hann Funeral Home in Idaho Falls. Online condolences may be left at www.buckmillerhann.com.

Saga #9 Council Agenda

By: MJ

On the agenda for city council meeting, Wed. March 19, 2014, is a letter from Mayor Klakken, explaining his veto of the Non-Payment of Erb & Suenram statement. Go to the web site for Dillon City Government and click on the agenda for March 19th meeting. It takes a moment to load. Then scroll down until you find the letter from the Mayor and read for yourself.

Councilwoman Westad gave the Butte-Babb lawsuit as the reason why the council voted to prevent the newly elected Mayor from making **position appointments**. Westad was vague with her explanation on why that lawsuit had any bearing or pertained to the Mayor's appointees.

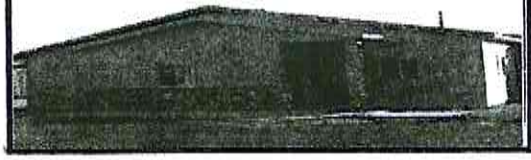

At the upcoming meeting Mayor Klakken will explain why he felt it necessary to address Westad's concerns and give the council extended information that would help them to better understand the Butte-Babb lawsuit and why it did not pertain to the Mayor making appointments upon taking office.

Mayor Klakken will explain in detail and provide laws that explain his position on why this statement should be paid. Laws the Mayor will be referencing are: Charter #'s: 3.08 (7) -- 3.08 (10) -- 3.09 (2), and Dillon Municipal Codes: 2.04.045 (7) -- 2.04.045 (10) -- 2.04.050 (2). You can find these on the internet by entering Dillon, Montana City Government in your search engine, click on the document box, click on City Ordinance and Dillon Municipal Codes.

This is not about disagreements; this is about knowing the facts and following the laws Don't take anyone's word. *Take the time to look these up and educate yourself, making decisions with facts and not hearsay.* Better yet, come to the meeting and listen to the discussion.

For those of you who took the time to find the facts, were you satisfied with the answer you received on why the council voted to acquire a 9+/- million dollar bond approximately two years before the city had to start paying for expenses on the latest update to lagoon?

The Real World

By: MJ

The real world rarely conforms to our expectations. The gifts and achievements of many people go unnoticed, unrewarded, rejected...

Why is it that people reject people that work hard, play by the rules/regulations and are successful? In our world there are certain groups and people who get a weird joy out of the failure of others and are bothered by other' success.

These people have an envious heart however, they would never admit it. These types of people have a toxic attitude or are sometimes called dream destroyers. Example: "So you think going to grad school will make you better than everybody else?" Oh, you're losing weight; I didn't know you were that desperate for a man." "I see your up for a promotion; bet you have to kiss up a lot." The toxic nature of these type remarks are often hidden under the guise of kidding around, but the attack is there. There are people that are negative about everything and nothing you say or do changes that.

It's hard to maintain a positive hope in working for your vision. Monty Roberts, the man that gained fame for his way of breaking horses was rejected by the society he worked within. He stayed true to himself and continued to show people his gift. People don't like to be questioned (pride gets in the way). "Change" often means that people must make changes within themselves; like recognizing their deficient performance.

When talking or defending your beliefs always respect the person you are speaking to. We all have gifts. Remember that life is not just about us.

Letter to the Editor

I would like to suggest that or city administration consider a more positive approach to their dealings: a day-long retreat together, the morning devoted to a refresher class in high school civics, to reemphasize the functions and goals of good government, and the afternoon spent with a qualified leader in conflict management, which is standard operating policy with corporate entities to establish workable relationships.

Respectfully,
Val Neeley

DILLON ROTARY
Ice Melt Contest

Dillon Rotary is pleased to announce the winners of the 2014 Ice Melt Contest. The first place prize of $500 will be awarded to John Luke Koslosky, the second place prize of $250 will be presented to Kent Ord, and the third place award of $100 will be given to Beth Story. The Ice Melt clock stopped on the 11th hour, 33rd minute, and 34th second during the morning of March 9, 2014.

The annual Ice Melt Contest assists the Dillon Rotary with funding for various philanthropic projects locally, nationally, and throughout the world. The mission of Rotary International is to enable Rotary members to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

While polio eradication is a top international priority, the Dillon Rotary assists local efforts including disease prevention and treatment, basic education and literacy, community development, the provision of scholarships for higher education, and youth leadership activities.

Dillon Rotary appreciates that support of all those supporting the Ice Melt Contest.

TRENT GIBSON IS DILLON ROTARY'S SPEAKER WEDNESDAY
