## "Great Community Softball Marathon"

On Saturday, April 12, the Beaverhead County High School Softball team will play the 1st Annual 100 Inning Softball Marathon Game. The BCHS Softball team is playing its first Varsity schedule, and is celebrating with introducing the "Great Community Softball Marathon" to Dillon.

As you may know, BCHS Softball is a great success story, (started from scratch three years ago to build a successful program which includes playing a varsity schedule this year, and a chance to represent Dillon by taking a team to state).

Because the BCHS softball team is almost entirely financed by the student athletes' fundraising efforts, one major fund raising event is held during the spring season.

Our event for the Spring 2014 season is the "100 Inning Community Marathon."

Our BCHS softball athletes are seeking your support. Their participation in this all day endurance test will require tremendous effort, but they are conditioned and eager to meet the challenge.

### We are looking for the following:

- Local teams to volunteer to play against the Lady Beav's for an hour's worth of innings.
- Volunteers to umpire (at least 2 per inning)
- Sponsorships for food donations to feed the athletes and volunteers
- Donations to student athletes (BCHS Softball) for participation in marathon

What better way to say, "Go get 'em Lady Beavers, keep up the good work!"

### RULES:

- Game will be a one-pitch with a pitching machine
- BCHS Coaches will feed the machine, with pitcher standing in the circle
- No stealing
- Team will play by the hour, not by the number of innings
- Bats, Balls, Helmets and anything else needed to play will be provided (we've got extra gloves)
- Refreshments and lunch will be provided!
- ALL skill levels are encouraged to come play!!
- DON'T have enough players? No worried! We've got plenty of talent (student athletes) to loan to any teams needing players!

### Tentative schedule for the Marathon:

- |       |                                         |
|-------|-----------------------------------------|
| 11-12 | Lady Beavers vs Great Harvest Bread Co. |
| 12-1  | Lady Beavers vs BCHS Staff              |
| 1-2   | Lady Beavers vs Parkview/DMS Staff      |
| 2-3   | Lady Beavers vs TBD                     |
| 4-5   | Lady Beavers vs TBD                     |
| 5-6   | Lady Beavers vs BCHS Parents            |

*So, please get your team together and come join the fun!*

## Rumor on the street # 4

By: MJ

Where there is smoke there is usually fire and there have been several comments on the street that there is a recall petition being filed for council member or members. If this is so know then there is a procedure that must be followed. The petition must be drafted, filed with the election officer then approved by the county attorney. There are statutes that define the wording and format a petition must follow before it is circulated.

## Saga 9-B City

*City Council Continued By: MJ*

The disregard for the law just keeps going on and on at city council meetings. A council member stated that as long as they are trying and getting the job is it ok.

**Question:** If you robbed a bank, using a fake gun and then gave the money back; should you be held accountable for the act?

**CTEP Funds:**

A. \$83,000+/- funds went to the "Safe Route to School" fund. No matching funds were required - this was 100 percent funded. Approved with unanimous vote.

B. \$69,000+/- awarded to the "Main Street Project" for 20 street lights in downtown area that will be replaced by an older historical style light. Approved by majority -- Westad voted "NO"

C. \$69,000+/- Bi Centennial proposal. To be used for; sidewalk, curb and gutter on west side of Railroad Ave. between Bannack St. and Center Streets. NOT APPROVED -- sent back to committee. See article Saga 9-A for further information. **NOTE:** The committee meeting will have available to them the minutes of the Sept 2007 council meeting where approval of this project was passed. These minutes were not available at the council meeting. Councilman Troedsson was a member of the original council that approved the project. Project has not changed however it appears Councilman Troedsson has changed his mind.

Council approved with unanimously vote to proceed with the Atlantic Street corridor storm water drainage proposed study for cost of \$6,163.

Council approved the equal land trade on North Calif. St at Well #4 with the landowner paying all the cost involved with the trade. Approved with unanimous vote.

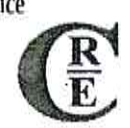

Other reports, like committee meeting minutes and financial reports were read and approved.

## Letter to the Editor

### Tree Pruning Clinic

I attended the tree pruning clinic this last Saturday that was hosted by the local Tree Board. We gathered at the walking path behind the YMCA. Members of the tree board gave lessons on proper pruning procedures for small trees. After a brief lesson and instruction everyone set off to start pruning the dozens of small trees along the path. While we were pruning trees I had helpful instruction from Anne and Tim Egen, and Mike Atwood. J.S. Turner was also there and gave helpful instructions and observations.

From this experience I learned many skillful techniques for proper pruning and care for small trees. Also from this experience I learned how to identify disease and bug infestations and remedies. There was good participation and everyone was eager to learn, also most of the people in attendance won a nice pruning tool including myself.

MANY THANKS to the tree board to their service and commitment to the community, and I look forward to attend a future event.

The University of Montana hosts author John T. Price on March 27 as part of the "Dances with Words" visiting author series.

Price will give a reading Thursday, March 27. Price has published the memoirs: "Daddy Long Legs: The Natural Education of a Father" in 2013, "Man Killed by Pheasant and Other Kinships" in 2008 and "Not Just Any Land: A Personal and Literary Journey into the American Grasslands" in 2004. His humorous writing about nature, family and spirit has appeared in many journals, magazines and newspapers. Price is a professor of English at the University of Nebraska at Omaha and is the director of the nonfiction writing program.

The readings will be at 7:30 on their respective dates in The Cup, which is located on the lower level of the Swysgood Technology Center on the Montana Western Campus.

The visiting author series is free and open to the public.
