APRIL FOOLS DAY

It was a very late night working to get the paper out for today. The power was out downtown Dillon for about three hours yesterday and that causes much trouble with computers and machines. Some of them are still not working correctly. It did cross my mind last night to have a blank paper for today for April Fools - but here it is! Have a great day.

BCHS FCCLA Students "Discover a Universe of Possibilities"

Montana's 67th annual FCCLA State Leadership Conference was held March 23-25 with over 725 students, advisors and chaperones attending, including 8 from BCHS. Pictured left to right: Patricia Obenauer, Jaydyn Child, Jennifer Womack, Advisor Cindy Barnes, Josey Creger, Katie Holmes, Le'a Gillet (exchange student from Belgium). Not pictured: chapter parent Brenda Womack.

BCHS students have worked hard over the year to make their school and community a better place with various community service and leadership events, fundraisers, and individual or team projects that required them to complete a substantial project from beginning to end. We can be proud that these students are learning to be active leaders in their communities. AND, they represented BCHS with class and success as follows:

Le'a Gillet: 1st place in TOYS THAT TEACH, an event to create a toy from household materials and to explain how that toy will work to provide developmental and learning activities for a child.

Josey Creger: Silver Medal in INTERPERSONAL COMMUNICATION - Josey did a workshop "It's OK to Fight" with Middle School Girls group, teaching them about communication and conflict resolution skills.

Katie Holmes: Silver Medal in NUTRITION AND WELLNESS - working with her Zumba group to track eating and exercise patterns, then create a wellness plan including a month of menus & activities.

Jennifer Womack: Silver Medal in RECYCLE & RE-DESIGN – Jennifer created a Memory Lamp with a shade from recycled negatives and photo frames and a base of disposable cameras, using a variety of creative planning and design skills.

Jaydyn Child and Patricia Obenauer: Bronze Medal in ILLUSTRATED TALK “Your Life is Worth Living” – a presentation to groups of students to inform about depression and suicide issues, as well as to offer resources for help.

During the opening session, Montana FCCLA announced a donation of over \$10,000 to the non-profit organization Share Our Strength and Montana No Kid Hungry as part of the State Outreach Project in which all of our chapters participated to raise funds.

Members also had the opportunity to choose from a wide variety of educational workshops throughout the day teaching them about using technology for a healthy lifestyle, cultural exploration about Cambodia, social media professionalism, life as a teenager with physical limitations, tourism in Montana, leadership, student wellness, and financing college educations.

Family, Career and Community Leaders of America (FCCLA), is a dynamic and effective national student organization that helps young men and women become leaders and address important personal, family, work, and societal issues through Family and Consumer Sciences education. FCCLA has over 200,000 members and over 6,500 chapters from 50 state associations, Puerto Rico, and the Virgin Islands. The organization has involved more than ten million youth since its founding in 1945.

FCCLA: The Ultimate Leadership Experience is unique among youth organizations because its programs are planned and run by members. It is the only career and technical in-school student organization with the family as its central focus. Participation in national programs and chapter activities helps members become strong leaders in their families, careers, and communities.

20 E. Bannack 683-3548**Great Harvest Bread**

Dillon's Great Harvest Bread Company will hold its popular Bake Day fundraiser April 2-4 to raise money for the Dillon Cubs American Legion Baseball organization. All sales from the three-day event will go toward funding the nonprofit youth baseball program.

The program has a strong 34-year history of providing Dillon, Twin Bridges, Lima, and Sheridan junior high and high school students with a quality baseball program.

"We truly believe in the core values that this baseball program provides for the youth in Beaverhead and Madison counties," says Janet Tatarka, Great Harvest's director of bakery logistics and training. "We are proud to support an organization that teaches these young people to be role models for the youth in our community by sharing their love of the game and upholding the American Legion values of sportsmanship, good health and active citizenship."

The proceeds from the Bake Day event will go toward securing a new team bus that will allow the students to travel to away games. Currently, the bus used by the team was deemed unsafe for future use. The team typically travels as many as 7,000 miles in an average season.

"We hope the fundraiser will help the team secure safe transportation," says Tatarka.

Great Harvest's Bake Day events donate 100 percent of the proceeds to various charities throughout the year.

The Dillon bakery serves as a model for Great Harvest stores nationwide, and new owners come to Dillon to understand the intricacies of what it takes to own and operate a successful store. Bake Day events are held in conjunction with these new-owner visits to provide them with a real-world retail experience before returning to their own community to open a store.

On sale will be a variety of delicious breads and treats including Great Harvest's signature Honey Whole Wheat, White, Anadama, Dakota, Bacon Cheddar Beer, Cranberry Orange, Irish Baked Potato, Cinnamon Chip, and Whole Grain Goodness. The sweets menu will include muffins, scones, cookies, and Savannah bars. Made-to-order sandwiches will be available from 11 a.m. to 2 p.m. including the new Baja Chipotle Turkey, Chimichurri Roast Beef, and Veggie Three Seed Hummus sandwiches. Also on offer will be an expanded line of sweets, granola, jams, peanut butters, and dipping oils, which make a great gift.

Great Harvest invites southwestern Montana residents to stock up on fresh out-of-the-oven breads and treats. The bakery, located at 25 E. Glendale St. next to the Dilmart, will be open April 2-4 from 7 a.m. to 2 p.m.

State of Montana and National Park Service to jointly develop new Bison Management Plan

The National Park Service (NPS) and the State of Montana (State) have agreed to prepare a joint Environmental Impact Statement (EIS) to consider possible changes for managing wild Yellowstone bison and the non-native disease brucellosis.

The process will allow the NPS and the State to account for substantial new information and changed circumstances since the implementation of the Interagency Bison Management Plan (IBMP) began in 2001, and could result in the creation of a plan to replace the IBMP.

The NPS and the State will be working within the guidelines of both the National Environmental Policy Act (NEPA) and the Montana Environmental Policy Act (MEPA) in preparing the EIS.

A notice will be published in the Federal Register later this year announcing the start of public scoping, which is an opportunity early in the planning and EIS process for the public, organizations, and other agencies to suggest issues and alternatives that should be considered by the NPS and the State.

The purpose of management is to conserve a viable wild population of Yellowstone bison while continuing to reduce the risk of brucellosis transmission to cattle, damage to property, and threats to human safety.

The NPS and the State will continue to implement the current IBMP with agreed upon adaptive management changes until new Federal and State Records of Decision are signed at the conclusion of this environmental planning and review process.

People-Pleaser

By: MJ

Is it a problem when we say we are people pleasers, that we want everyone's acceptance and approval and to be universally liked. No matter how hard we work to be pleasant and likeable, some people may still detest us for reasons we cannot understand because we have not been told. Should we blame ourselves when that happens; should we step up our efforts to win them over? The best course we might take is just keep on being cordial. Remember it is not all about you; the other person also has a world with emotions, thoughts, feelings... Your interaction with a person at a specific time might be in conflict with what is going on in their life and you are uninformed.

Maintaining a mature and reasonable behavior pattern will get us a long way and in some situations might be the best we can hope for. Today is a great day to be pleasant and cordial to everyone we meet. If some of the people do not respond in the same way, accept their response without feeling hurt or betrayed. In the end people-pleasers don't please anybody and "get no respect."
