Saga: Water under the Bridge

By: MJ

3/31/14 the Judiciary Committee held a meeting at City Hall. Present: Councilpersons Westad, Nye and Shafer and Mr. Duke Gilbert.

Much discussion was centered around what the city would be paying Mr. Gilbert who is continuing to represent the city on Johnson, Warner, Brennekke and Jones cases. Mr. Gilbert was asked by the public and media how much his expenses had been so far on the Brennekke and Warner cases. Gilbert stated he did not have those figures, that it was a substantial case. **Note:** At the last council meeting Councilman Spehar said he would ask Mr. Gilbert if he could get the dollar amount. **Note:** At the judiciary committee meeting Mr. Gilbert was asked by the media if Councilman Spehar had asked him for those figures. Mr. Gilbert said he had mentioned it to him but did not ask him for the figures. The cases started in 2008.

Mr. Gilbert informed the council that they were waiting for the environmental testing to be done on the Johnson case, and he was drafting a judgment for the interest payment on Warner case that will be sent over to the judge. Councilman Nye asked what the judgment was for. Mr. Gilbert responded that he was no good at numbers but \$2,000+/-.

Chair Westad addressed a contract that she e-mailed to the other committee members for outlining the fees Mr. Gilbert would get paid for the four cases. *Councilman Nye asked for a copy of the contract and stated he did not receive a copy.* **Question:** Does the members have a confirmation program on their e-mails system to verify what they send is received? A member of the public asked if a copy of the e-mail was sent to the city as per requirement of law. Westad responded "no". It appeared she was unaware of the requirement and the law.

Yes, the public has a right to know what the dollar amount is that the Brennekke/Warner cases have cost the city in attorney fees however; is it like water under the bridge now? A Mute Point!

Perhaps the city governing body has a learning curve that needs to be addressed. Several times at city meetings, the public asked about different issues supported by statutes that the council is either unaware of or chooses not to follow. **Example;** the proper way to conduct meetings following to Roberts Rules of Order (city's rule) -- §2-6-102 addresses a citizens entitlement to inspect and copy public writings -- Open Meeting Laws -- MT Constitution Section 8 & 9, Right of Participation and Right to Know -- §2-3-103 Public Participation, 7-1-4141, 7-1-4143, 7-1-4144...

Question: Does the city have any "continued education" classes that the council members and other elected officials are required to attend that would update and refresh their memories or are all "continued ed" type meetings on a volunteer bases?

SERVICE AWARD RECIPIENTS

The University of Montana Western Alumni Association cordially invites you to honor this year's Dr. Jane Helm Maddock Service Award recipients.

We are pleased to announce the recipients of the 2014 Dr. Jane Helm Maddock Service Award are Chance Bernall and Paul Craft. The dinner honoring these two dedicated individuals will be held on Tuesday, April 15, 2014 at 5:30 p.m. in the Lewis & Clark Room of Mathews Hall on the Montana Western campus. The cost to attend is \$10 for UMW faculty, staff and community members and \$5 for students. Please RSVP to Roxanne Engellant at (406) 683-7305 by Friday, April 11 if you wish to attend.

Former Prisoner of War Recognition Day

To All, please note that if we go to the Andersonville National Historic Site, we would find that in 1942 April 9th was designated as Former Prisoner of War Recognition day. And later it was due to economics that only the September 19th date would be recognized as POW/MIA Recognition Day. This date was to remember those who may have been a Prisoner of War, but yet not returned, would all be counted. As a member of the National Prisoners of War organization, I would like all of us to check out the Andersonville Site to see how we may be able to remember those who may be forgotten otherwise, are never forgotten.

Thank you so much for all to take the time to remember those who have served, present and past.

George Fryett, Vietnam 4 July 1961 to 9 July 1962 and a Prisoner of War from 24 December 1961 to 24 June 1962

TREE REMOVED
WITHOUT PERMISSION

The tree that was in front of Brundage Funeral Chapel and that is very much part of the business advertising as part of their logo was cut down without any discussion with owners Ron or Julie Briggs. The tree was removed by the tree board and their hired crew without the owners ever being consulted. The issue was brought up at the City Council meeting last night and JS Turner, director of operations and Tree Board member said he takes full responsibility for the tree being removed without consulting them. However, it is gone and no one really knows why this can be done on your property without your permission. The tree board has a plan to plant a different kind of tree then what was there and that doesn't require so much maintenance.

The Briggs family have been taking care of the tree for years with fertilizer and truly feel like they were violated by someone coming on their property and taking what was their's without permission.

"Can I come to your house and do that?" asked Ron Briggs to JS.

This was not a big tree that can cause a lot of damage. Last year, when the state cut trees, they said the tree was healthy but did recommend cutting down another tree, and the Briggs' agreed to do that. Ron stated he feels very unsafe in a town where someone can come on your property, take whatever they want and the city officials seem to chuckle and act as if it is a joke.

BCHS TENNIS

The Lady Beavers tennis team have two returning seniors that play as a doubles team Taryn Judge and Holly Hansen in the number one doubles spot. The teams next two doubles sports are all filled with sophomores. The four single spots are filled with a freshmen, a junior in number two, sophomore in third position and two freshmen starting in the fourth slot. The lineup will likely change throughout the year as the season gets started and the challenge matches change the players around in various position.

The boys team is headed up by Sophomore Mark Waldrup in the Number one singles spot followed by seniors John Bodnar and Michael Thompson who are both pretty new to the game of tennis. The other boys on the team are new to the team and most are new to the game of tennis.

Traveling through fog on roads with ice the teams headed to Corvallis on Tuesday to start on the courts - warming up before their 10 am matches started.

The boys were iced over by the Corvallis team coming off the courts without a win. Scores were 6-0, 6-1 for Mark Waldrup, 6-0, 6-0 for John Bodnar, 6-1, 6-3 for Michael Thompson, 6-0, 6-1 for Justin Anderson. In the doubles matches Levi Vick and Logan Hall lost 6-0, 6-0, Kyson Wilson and Jonathan Leonardson went down 7-5, 6-2 Caleb Jones and Mark Waldrup played an exhibition match and lost 6-4, 2-0 and did not finish because of time restriction. Michael Thompson started an exhibition match that went 2-1 before time was up.

The girls came out of the Corvallis matches with singles losses and the doubles teams winning. The singles played were Andrianne Southam with 6-0, 6-2, Tea Gibson 6-1, 6-1, Alison Anderson 6-0, 6-0, and Tessa Sawyer 6-3, 6-3. The girls came up short on the scores but all got some great experience on the courts. The doubles teams all recorded a win for the Beavers with the scores of 6-1, 6-0 for Taryn Judge / Holly Hansen, 6-0, 6-2 for Kodi Ferris / Rachael Nye and 6-3, 6-4 for Nichole Thompson / Jennifer Womack.

Moving over to Stevensville with a little sunshine after lunch the boys got a win with the number one single spot of Mark Waldrup 6-3, 6-3. John Bodnar went down 6-3, 6-3, Michael Thompson lost 6-3, 6-2 and Caleb Jones finished down 6-3, 6-2. Levi Vick / Logan Hall and Kyson Wilson / Jonathan Leonardson played hard but were not

victorious in their matches. Justin Anderson and Mark Waldrup played an exhibition match they gave up to their opponents. They did get a lot of valuable playing time in, which is great experience for new players.

The girls singles saw the Beavers losing the first three with Andrienne Southam going down in three 6-2, 3-6 and 6-1, Tea Gibson 6-1, 6-2 and Alison Anderson 7-6, (7-2), 6-1 and the only single win was Seray Micken who was on the courts for her first time and came out on top 6-0, 6-0.

The girls doubles started with an exhibition match for the number one spot (because of the lack of girls playing for Stevensville). The team of Taryn Judge and Holly Hansen lost to their male competitors 6-1, 6-0 and the teams of Kodi Ferris / Rachael Nye came out on top 6-1, 6-1 and Nicole Thompson / Jennifer Womack won their matches 6-0, 6-0.

SCAM NOTICE: UPDATED MARCH 31

The Montana Secretary of State has sent out a second notice regarding an email scam circulating the Internet, in which the email sender falsely affiliates himself with the Montana Secretary of State's Office. After further investigation, it appears the target of the email scam is Registered Agents.

In order to be proactive in helping their customers prevent theft of information stored on their personal or work computers, they previously reported that all Business Services Customers may be at risk.

It appears at this time that only the Registered Agents whose emails are voluntarily listed in the public directory on the Secretary of State's website have received the email scam. Therefore, we advise Registered Agents to be mindful of all email communication and to take the necessary precautions to protect their personal or business data.

Protecting your confidential information remains a top priority in the Secretary of State's Office. As always, we will continue to work diligently to protect the security of all information shared with this office.

The scammer uses the Secretary of State Office's name in order to send emails to Registered Agents, and asks the recipient of the email to click on a malicious link that may compromise the information stored on his/her personal or work computer. The intent of the scam is theft of data or other personal identifiers stored on the email recipient's computer. The scam does not appear to target Secretary of State Office data.

The email scam appears to customers as being sent from the Montana Secretary of State's Office, but in reality, the message is sent from "keithbrian2014@gmail.com".

The person/people behind this email are actively pursuing the fraud, and go as far as replying to customer inquiries regarding the security certificate on the email. When asked, the email sender "keithbrian2014@gmail.com" confirms that he is a Secretary of State employee and that the email link is safe to open. He is not one of our employees.

Secretary of State Office notices are never sent from the email domain "gmail.com". The following domains may indicate an official Secretary of State Office email:

mt.gov

montanasos.com

egovmt.com

montanasecretaryofstate.net

It was previously reported that all Business Services employees use the email domain "mt.gov". While this is true for individual employee email addresses, the additional domains listed above may also be used by the Business Services Division.

District IV Music Festival

Over 600 musicians will take part in the District IV Music Festival April 10-12 in Dillon. The Montana High School Association event will feature nearly 300 entries.

Students from Anaconda, Boulder, Butte Central, Butte High, Deer Lodge, Lima, Philipsburg, Sheridan, Twin Bridges, Whitehall and Dillon will compete for the distinction of going on to the State Music Festival May 2-3 in Helena.

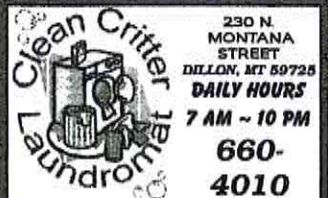

The strings adjudication will begin the festival Thursday at 8:00 a.m. in the BCHS auditorium. The University of Montana Western piano lab will be the site for the piano performances beginning at 10 a.m. Friday will present bands, choirs, most large instrumental and vocal ensembles as well as solos and duets. Saturday is reserved for small ensembles and solos.

Friday and Saturday's adjudication will be from 8:00 a.m. until 5 or 6 p.m. Bands will perform in the B.W. Lodge gymnasium and choirs in the high school auditorium. Vocal solos and ensembles will take place all day Friday and Saturday in the First Presbyterian church. Other vocal sites will include the Vineyard church and Room 108 in the high school. Room 105 will host both instrumental and vocal adjudications. Instrumental solos and small ensembles will perform in the music room and the wrestling room in the B.W. Lodge complex.

Montana District Music Festivals are designed to be more of an educational experience than a competition. The large performing groups (full bands, choirs and orchestras) are required by MHSA to participate and receive a rating, but these groups do not go on to the state level. The Dillon Friends of Music is organizing committees to assist in the festival. Anyone wishing to help in any way may call Josie Lochridge at 683-2705 to volunteer.

The performance times for Beaverhead County's major performing groups and large ensembles on Friday are as follows: 8:00 a.m. Symphonic Band (B. W. Lodge Gymnasium); Women's Ensemble and Freshmen Ensemble (Presbyterian Church); 10:15 Men's Chorus (BCHS Auditorium); 12:45 Treble Chorus (BCHS Auditorium); 2:15 Jazz Band (B. W. Lodge Gymnasium); 3:12 Flute Choir (Music Room); 3:24 Woodwind Ensemble (Music Room); 4:24 Teen Tones (Room 108); 4:48 Men's Ensemble (Vineyard Church); 5:12 Mixed Ensemble (BCHS Auditorium).

The public is encouraged to attend the events. A complete schedule of events can be seen at the BCHS website: (NO www) bchsmnt.schoolwires.com Go to Staff and then either Hagenbarth or Kloker and 2014 Festival Schedule.
