Saga #10 City Council Meeting

By: MJ

Ty Cobb submitted a letter of resignation at the City council meeting April 2, 2014.

Council and committee minutes were read and approved. Ordinances amending the Dillon Municipal Code to conform with recent additions and amendments to the Montana Code annotated were passed unanimously.

Ms. Julie Briggs asked the council, with many emotions, why the tree board cut the tree down in front of the mortuary and had not said a word to them. Julie felt they had been violated and stated they worked with the state last year on trimming, fertilizing and watering the tree. *They were out of town and came home to find a tree stump.* J.S. Turner spoke up and said he took full responsibility for not talking to Brigg's before the tree was cut. Turner stated there would be appropriate trees planted on Atlantic Street that will be easy to maintain and possibly some pavers.

Craig Cornell was on the agenda and rose to speak about the money that has been spent on legal fees by the city on Warner/Brennekke cases. Mr. Cornell asks Mr. Spehar if he had received the cost figures from Mr. Gilbert that were requested at the last council meeting. Councilman Spehar stated that he had ask Mr. Gilbert and Gilbert wanted to know who was going to pay. Mayor Klakken made available figures from the city records on the legal fees that was posted in the Tribune. Cornell spoke to the council asking them how they explained spending $52,000 to $62,000+/- on legal fees for something that cost only $4,500+/-. *Councilman Cottom spoke up and said he knew how it happened. He stated that it was a power struggle between then Mayor Marty Malesich, Warner and Brennekke. Cottom stated that Warner and Brennekke meters could have been read by hand.* The original resolution passed by the sitting council at the time, was to install 100 meters on a trial run. Question: When was the original agreement changed to install 1,600+/- meters? Thank you Councilman Cottom for bring forth the truth.

Mr. Cornell ended by saying that it was hard to pay tax dollars when the council is spending money like this and using no common sense.

Mr. Troedsson had a stop watch and was helping Cornell stay within the allotted seven minute time line.

Letter to the Editor

A ____POT FULL OF ARROGANCE

Where in (the devil) did we find the Dillon city Council? I have never seen a more concentrated group of idiots in my life.

They don't appear to have any knowledge of their duties, obligations, limitations, proper procedures or whatever. About the only thing they seem to own is a ____pot full of arrogance.

The bylaws of the council states that the mayor is allowed to do certain things, "with the blessing of the city council". This means that he is ordained by the city's voters to run the city's business on a daily basis, without constantly going to the council for approval. It does not mean that the council has unlimited power to approve or disapprove everything the mayor does.

No where in the world, under no form of government, does a city council have the power to veto a decision of a mayor made in the performance of the city's daily business. The only power they have is to go for impeachment of the mayor, if they feel they have legal grounds to do so, as they tried with Mayor Malesich, to no avail.

Cherie Lowe

Medical Benefit Fund

Cherie Lowe, who is currently undergoing treatment for cancer, has always been a willing helper for many people and causes. She is a former Volunteer of the Year for Bannack State Park. Cherie is also known around Dillon as the "Survey Lady" for performing surveys which collected information used to improve business and tourism opportunities in the state of Montana.

For the last year she and Tom have had to travel almost weekly to Missoula for medical care.

Treating cancer is very difficult and expensive.

Please join friends and family in supporting Cherie & Tom Lowe.
