ALUMNI AND STUDENTS

The University of Montana hosts its annual Night of Stars education hall of fame awards ceremony on Saturday, April 26.

At this year's ceremony, Montana Superintendent of Public Instruction Denise Juneau will be a guest speaker.

The Night of Stars ceremony honors educators who are alumni of Montana Western and have made lasting impacts on their field. This year, six of these educators will be recognized by UMW for their dedication and passion for teaching.

Dennis Gibson is a middle school principal at Clovis Point Intermediate School in Wenatchee, Wash. He attended Montana Western from 1973-75. He was inducted into the university's athletic hall of fame for men's basketball in 1990. Since graduating from UMW, Gibson earned his master's degree at Gonzaga, taught in Roy, Mont. and has been a middle school principal for the last 35 years. He was named Middle School Principal of the year by the North Eastern Washington Golden Apple and the Washington Library Association.

Lydia Mild is a teacher and volleyball coach at Simms School in Simms, Mont. Before teaching in Simms, Mild taught in Polaris and Dupuyer, Mont. In 2011, she received the Dufrense Award for Outstanding Educator. She attended Montana Western from 1999-2004.

Lynn Stonelake is a retired teacher and coach. After teaching middle school in Dillon for 34 years, he taught at a school for at-risk youth for six years. In addition, Stonelake worked as a trail supervisor for the Beaverhead National Forest and served as a lead admissions counselor for Montana Youth Challenge Academy. While at UMW, he was a member of the 1967 and 1969 Frontier Conference Championship football teams. He earned his bachelor's degree from UMW in 1971 and his master's degree in 1979.

Barbara "BJ" Gneiting is a teacher at Wise River Elementary in Wise River, Mont., where she has taught kindergarten through eighth grade for the last 34 years. She was named the Montana Rural Teacher of the Year in 2011. She has also been an active leader in her community serving as a 4-H leader and a speech and drama judge. She graduated from UMW in 1978.

Tedd Stanisich attended graduate classes at Montana Western from 1972-75 while teaching and coaching at Beaverhead County High School in Dillon. He earned his master's degree in education.

Stanisich taught high school government and history in Dillon from 1971-2013. He also coached basketball, football, golf and track. He was named Montana High School Golf Coach of the Year. Stanisich has also been an adjunct professor at UMW.

This year's Legacy Award Winner is Rose Conwell Sullivan. She earned her two-year teaching degree in 1940 and her bachelor's degree in education in 1967. Sullivan started teaching at a one-room schoolhouse in 1940 in Carbon County, Mont. She went on to teach in Victor, Mont.; Kellogg, Idaho; Valier, Mont.; and Butte, Mont. While still in college and in her early teaching years, Sullivan worked summers as a Girl Scout counselor in Colorado and Oregon.

In 1978, Sullivan became a library assistant at the National Center for Appropriate Technology, which is a non-profit dedicated to helping disadvantaged people get access to information and technology. She was named director of library services in 1981 and continues to work part-time managing the library. She is 93.

Each year, the Montana Western also recognizes its top teaching candidates. This year's Outstanding Teacher Candidates are: Amber Blodgett, Micaul Bosch, Darbie Elmore, Erik Schwab, Katherine Vaughn, Cory Gunderson, Jordan Bronec, Heidi Burgess and Megan Burns.

The ceremony will be held at 6:30 p.m. in the Beier auditorium followed with a reception and silent auction in the Lewis and Clark Room in Mathews Hall on the UMW campus.

Tickets are available for \$20 for an individual, \$30 for a couple or \$5 for current UMW students. Call the University of Montana Western Foundation at 406-683-7305 to purchase tickets.

ARBOR DAY

ARBOR DAY in Dillon.....a great opportunity to get your hands dirty, meet neighbors, and join in with the planting and caring for trees in our community.

Dillon Tree Board volunteers are planning lots of activities to celebrate Arbor Day (Friday, April 25th) with the time-honored tradition of planting and caring for trees in our city. Arbor Day was created 142 years ago in 1872 about 15 years after Dillon was established as an early railroad town. Trees have always held a significant place in our rich history by providing lumber to build our town and our homes, the railroad and mills that provided resources and jobs, heat for our homes, and beauty to the streets of Dillon. Our cemetery and parks are graced with trees that identify the resting place of our ancestors, and provide a special meeting place for all of us. Trees were significant to the early pioneers of our city and they are just as important today.

Arbor Day Activities - April 25, 2014:

- Tree Board volunteers are involved in presentations and judging Arbor Day posters at the elementary and middle school with winners receiving cash prizes.
- 9:00 AM - Parkview Elementary School (staff parking lot) to spread bark mulch around existing trees planted by tree board, students, UMW students and volunteers.
- Special engraved tree plaques on stones will be placed at "class trees"
- 10:00 AM - 4th grade presentation in cafeteria - "Tree of Life" poster winners (cash and "Tree of Life" book prizes)
- 11:00 AM - 12:00 - Depot Park:
 - o Install two permanent signs to recognize Great Harvest Company for their financial support toward the care and maintenance of trees around Depot Park.
 - o 7-8 New Trees will be planted in Depot Park (Flowering Crabs, Oaks, and Elms) to replace and add new trees to the park enjoyed by so many.
 - o At noon Mayor Mike Klakken will read the Arbor Day Proclamation.

Please come and participate with us at any of these locations to learn and celebrate trees and Arbor Day in Dillon. Tree board members, horticulturists, and foresters will be present to visit with residents about what trees to plant, care and maintenance of their trees, and to provide information and assistance.

BARRETT HOSPITAL ENCOURAGES COMMUNITY TO PARTICIPATE IN RECYCLING DAY

Barrett Hospital & HealthCare is committed to advancing the health of our community, and your participation in the Free E-Waste Recycling Day on April 26th will help us in our mission for health. It is especially important to recycle TVs and monitors (both fat and flat screen), as these contain lead and mercury, which are elements that can be harmful to people and the environment when not disposed of properly. Donations will be accepted from 9:00 AM - 3:00 PM at the Beaverhead County Fairgrounds on Railroad Avenue. Other items accepted include: hard drives, computers, laptops, rechargeable batteries, phones, printers, faxes, scanners, surge protectors, power cords, and much more! Recycle heavy metals by taking advantage of this free service.

If you have questions, please contact Pacific Recycling at (406) 782-0402 or Beaverhead Recycling at (406) 683-1249. To schedule an early drop-off, call Beaverhead Recycling.

This event is being held in cooperation with Beaverhead County Waste Management, UMW Campus Recycling, and the Dillon FS Green Team, and is supported by Barrett Hospital & HealthCare.
