KLUESNER ANNOUNCES INDEPENDENT CANDIDACY FOR BEAVERHEAD COUNTY SHERIFF

FRANKLIN KLUESNER, 2014
CANDIDATE FOR BEAVERHEAD
COUNTY SHERIFF, ANNOUNCES
PLATFORM FOR INDEPENDENT
CANDIDACY. PLATFORM:
STEWARDSHIP, LEADERSHIP
AND VISION.

Franklin Kluesner, II officially
joins the race for Beaverhead County's
Sheriff position having collected 288
for 159 needed signatures to qualify

an independent candidate to appear on the November ballot.
Kluesner, a Dillon born Lima native, announced his platform
of Stewardship, Leadership and Vision.

"I want to use the experience I've gained over the past
23-years of service to build a better, more service oriented
Sheriff's Department for Beaverhead County," said Kluesner.
"This is my commitment to the voters, my friends, family
and myself. Our county faces many challenges and obstacles,
but as a steward over what we have and with leadership and
vision, these challenges will become our opportunities."

Running as an independent, Kluesner cites that he will make it
a priority to build partnerships with the community at every level:
citizens, local government, civic groups, schools and others.

"Anyone who wants to build a safer and stronger community
for our future will find an ally with me," said Kluesner.

Kluesner, current President of the Dillon Police Officers'
Association, has spent the past 23-years serving as a sworn
Law Enforcement Officer beginning his career as Deputy
Sheriff, working in Lima and as a resident Deputy in Wisdom.
In 1999, Frank joined the Dillon Police Department where he
currently serves as a Police Officer.

Among many qualifications, Kluesner holds a Primary
Police Instructor's certificate along with an Advance Peace
Officer Standards and Training certificate. Frank is also
licensed as an Emergency Medical Technician. Along with
these certifications, Kluesner has had specialized training
and experience in criminal investigations, drug enforcement,
tactical situations, use of force, firearms, advanced DUI
enforcement, mental illness intervention, domestic violence,
civil process, Search and Rescue and wildland firefighting.

"Fresh ideas are needed to provide better services, connectivity,
and a more visible presence," said Kluesner. "Especially
in the rural communities across Beaverhead County. We
can improve the efficiency of criminal investigations, crisis
intervention and public safety. This means investing more
heavily in Deputies and training while keeping our eyes and
ears open to the needs of the county."

Kluesner lives in Dillon with his two daughters.

**WHERE DID THE
FLOWERS GO???**

As you may have noticed, the Medians on Helena Street are bare. Please help us bring them back to life. The Dillon Garden Club's membership needs HELP to revive the Medians. We all enjoy the flowers as we drive by. Let's work together to restore them to their best.

We are asking for individuals, groups, organizations, etc. to help. You may choose a median to claim as your own (we can put a sign up to identify you as the caretaker) or volunteer to help when we are working.

We can NOT do it by ourselves any more.

They all have an automatic watering system (which will be upgraded soon). The Garden Club will support you both with information and financially and any other way we can.

If you cannot donate your time, any financial donations would be greatly appreciated and are needed to help with purchasing plants and hiring a caretaker to help.

Please help us keep Dillon a Beautiful town!

Contact Diane Peppin at 865-0372 for more information.

National Child Abuse Prevention Month

April is National Child Abuse Prevention Month. Child maltreatment includes all types of abuse and neglect of a child under the age of 18 by a parent, caregiver, or another person in a custodial role. There are four common types of abuse: physical abuse, sexual abuse, emotional abuse, and neglect. Child maltreatment has a negative effect on the health of children. Abused children frequently suffer from physical injuries such as bruises, burns, and broken bones. Child maltreatment can also disrupt and harm the development of a child's brain, nervous system, and immune system. As adults, children who are abused or neglected are at higher risk for health problems such as depression, alcoholism, eating disorders, high-risk sexual behaviors, and suicide.

According to the United States Government Accountability Office, more than five children die each day as a result of child maltreatment. More than 1,825 children die each year in the United States due to child abuse and/or neglect. This is horrifying. Each and every young life could be saved. The maltreatment of children can be prevented. In an effort to raise awareness surrounding the devastation of child maltreatment, Girls' Group (a mentoring group facilitated by the Resource Center) has placed pinwheels in front of Beaverhead County Courthouse, the YMCA, and Subway. These pinwheels remind us of childlike notions and stand for the chance at the healthy, happy and full lives all children deserve.

We, as parents, grandparents, and children, ask that our fellow community members take a moment to notice the visual representation and pause for the young lives lost. We hope that each individual, as well as the community as a whole, does their part to prevent the maltreatment of children.

Saga: City Council Meeting

By: MJ

Regular meeting of city council was held April 16, 2014 with all members present.

Request to waive \$250 Park Reservation Fees for Earth Day Festival was approved with unanimous vote. With unanimous vote Mike McGinley was appointed Fire Chief and Jay Hoggat was appointed to Fire Fighter.

Appointment of Mr. Neil Straus for City Treasurer was approved with majority vote. Councilman Gore voted (no) and Troedsson (abstained).

Resolution of the City Council designating the Beaverhead Chamber of Commerce eligible to receive funds from the 4% accommodations tax. Approx. \$19,000 will be received.

Mayor Klakken asked if the council wanted to change the date of the next council meeting beings he and the city attorney would be in Billings. With only (2) council members attending informational meetings in Billings the council voted not to change the meeting. Councilman Spehar stated that he had been to the meetings and they are repetitive.

Cemetery damage do to vandalism: A head stone was knocked over and a perimeter fence around the plot was damaged. The Council members voted to award \$500.00 out of city budget for damages.

A contract for attorney services (Mr. Gilberts) was included in the packets however every other page of the contract was missing. No vote was taken. It will be presented at the next council meeting. **NOTE:** At the next council meeting Mayor Klakken and City Attorney will be out of town. The three pages that were submitted of this contract dealt with who retains custody of files (Gilbert), hourly pay rate, Mr. Gilbert's obligations and City Council's Powers... Yes, the council is the decision making body however; the people expect all elected and appointed officials to work together. Mr. Dolan stated that he could not comment on the contract at the council meeting because it was not presented in its completed form. (Why???) **Question:** Beings this is a legal binding contract that involves tax dollars, would it be in the best interest of the people to have the city attorney's input on it?

Mayor Klakken handed out information on laws regarding the Public's Right to Participate, how e-mails are to be handled according

to Mt. State law and City of Dillon rules and regulations, information on the requirements of the retention process of documents like; audio and visual tapes.

Public comment: 1) A lady stood and thanked the Mayor for passing out information reiterating the State and Local laws, ruled and regulations on the right of public to know and the right of the public to have access to information and that includes all e-mails between officers. 2) A gentleman in the audience stated that there was so much talking going on by people seated around him that he could not hear the council members speaking. 3) A lady said that she was not comfortable with the council holding a meeting without Mayor Klakken or City Attorney present. Her reason was: at the last meeting held without mayor present, the council took a vote (might say an under the table vote) that did not allow public participation.

Children ride bus #9 to the "Y", have a snack, and then take part in the activities offered for that week. Camp ends at 5:30 each day and is offered the entire school year. Register for an entire month and save. Call the "Y" for more details!

Next in the After School Series, (Apr. 28th- May 2nd), "Spring into Action". The weather is becoming more tolerable so lets get outside and play some games.

Little Kickers

This soccer league is designed for 4 and 5 year olds. Children will learn the basics of soccer in a less competitive environment that emphasizes having fun. Be sure you stop by the "Y" on Saturdays and check out the fun.

Youth Soccer

Youth soccer is designed to teach participants the spirit of competition in a positive and nurturing environment. Development of skills and sportsmanship are the major priorities in this league.

Strong Family Campaign

The purpose of this campaign is to generate funds to support programs, activities, scholarships and services for all members of our community regardless of age or ability to pay. We will be kicking off our 2014 Campaign in May. Thanks for your continued support of the YMCA! The Southwestern Montana Family YMCA is a non-profit, tax-exempt organization; therefore your donation may qualify as a tax-deductible donation.
