John (Jack) Earl Maki

John (Jack) Earl Maki passed away Friday, April 25, 2014 from an aggressive form of prostate cancer surrounded by his family at home. He was born April 4, 1939 in Hamilton, Montana, the first son of Earl and Helen Maki. From an early age he developed a strong work ethic and loved working with the animals on the family farm. He attended schools in Corvallis, Montana, and graduated in 1957. He then attended Montana State College and earned a

Bachelor's Degree in Animal Science. After attaining a Master's Degree in Animal Physiology Reproduction he began working for the Montana Cooperative Extension Service in Lake County, Montana, in 1965. Driven by his love of science, animals, and all things agriculture he became the Extension Agent for Beaverhead County in 1967. A few weeks after moving to Dillon, he met Regina Rieber and eight months later they were married on September 23rd of that same year. He built a home just outside of Dillon where he and Regina raised five children.

He continued his strong work ethic throughout his entire life. He served the citizens of Beaverhead County as extension agent for 37 years. Many people remember him as a man with the answer for just about anything. From heifers to house plants, weeds to bats, if someone had a question, John could find the answer. He was instrumental at improving the cattle herds of southwestern Montana when, in the early 1970s, he began teaching ranchers the science and fundamentals of improving reproduction and performance through heifer selection. He was recognized both locally and nationally for his work as an extension agent receiving numerous awards including the Distinguished Service Award by the National Association of County Agriculture Agents and Montana State University Extension Service Agricultural Agent of the Year. Of his many professional accomplishments, he was most proud of his work with the 4-H program of Beaverhead County. He worked with two generations of 4-H students and, as he often lamented, was one year short of working with three generations. He spearheaded construction of the 4-H building and oversaw 37 Beaverhead County Fairs. In 2007, he was inducted into the Montana 4-H Hall of Fame.

His family was his greatest source of pride and pleasure. He taught his children the values of hard work, com-

munity stewardship, and fun, supporting their 4-H projects and many extracurricular endeavors. He and Regina spent 15 years traveling all over the state watching their four sons wrestle in high school. The tradition continued when they traveled to Kansas last year to watch their oldest grandson win the state wrestling title. He adored his grandchildren and had a wonderful knack for making each of his grandkids feel special in their own unique way.

He retired in 2003, but never stopped working. He took his hobby of woodworking into a second career, building cabinets for many households in southwestern Montana. He loved the outdoors and landscape of Beaverhead County and enjoyed spraying weeds with his son, Todd, for many years including the last summer of his life. Many remember John for his hard work and service but everyone remembers him for his gentle nature and kindness.

He was preceded in death by his parents, Earl and Helen, and brother, Ralph. He is survived by his wife Regina Maki and children Craig (Janel) Maki of Twin Falls, ID, Marilyn (Chuck) Buus of Ennis, Jeffrey (Janey) Maki of Wichita, KS, Brett (Anna Loge) Maki of Dillon, and Todd (Christy Gunn) Maki of Dillon. Brothers Kevin Maki and Neil (Fran) Maki of Corvallis, MT. Grandchildren: Alexis, Chet and Kaden Maki; Chas, Lane and Sage Buus; Mackenzie, Lukas, Jack, Gabe and Adam Maki; Zach and Amelia Maki. One Great-Grandson: Robert (Bo) Bowman IV.

Rosary (6:30 p.m.) and Vigil Services (7:00 p.m.) will be Friday, May 2, 2014 at Saint Rose Catholic Church in Dillon and Funeral Mass (10:30 a.m.) on Saturday, May 3rd with a luncheon at the Parish Center following the burial at Mountain View Cemetery.

Memorials can be made to Beaverhead County 4-H Foundation or Barrett Hospital Home Health and Hospice. A guestbook is available online at www.brundagefuneral-home.com.

NO SCHOOL UNTIL 10:30 TODAY

There was a note found on a boys bathroom wall at the high school yesterday that said the school would blow at 10 am tomorrow. The police and dogs have been called in and school will not start until after 10:30 today. There was not a date on the note, but on the side of caution it is assumed to be from Monday. This is not at all a joke and the school is taking it very serious.

BCHS SOFTBALL

The BCHS softball girls won a couple games this weekend at the Frenchtown tourney! Freshman pitcher Bailey Berrichoa had a stellar weekend on the mound, throwing our first ever shutout against Whitefish with 5 strikeouts, and allowing only 2 hits and 0 walks. Freshman Adrianna Pittman also saw some time on the mound and, along with Bailey, is going to be a nice asset in years to come. Along with the pitching changes we had the opportunity to move some players into new positions and I feel like our infield is pretty solid now. Kimee Hritsco-Murray is playing a tough 3rd, Audrey Schurg is playing a tough shortstop, Rachael Bowe and Berriochoa share time at 2nd, and Shaylee Ericksen has been doing well at 1st. Brandie Lovaas is really becoming a smart catcher. She pitches too, but I really like her ability and leadership behind the plate. Addie Hansen is the anchor and leader in the outfield and continues to make some amazing catches in center field. And with Kenzie Stanchfield, Rachael Bowe, and Savannah (Sue) Hansen, I believe we have the quickest outfield in the conference with a lot of potential.

Offensively, most of the players improved their batting average over the weekend. Hritsco-Murray and Schurg each hit very well with 4 doubles a piece. Ericksen, and Addie Hansen also hit well.

The scores of the games were as follows:

Beavers 6 - Florence 15 Beavers 8 - Great Falls 9
 Beavers 17 - Thompson Falls 4 Beavers 17 - Whitefish 0

Easy Does It
By: MJ

"Easy Does It" is a slogan that was common and you don't hear as much anymore.

I have found that those of us who have afflictions, strong beliefs, or just live a life of insanity tend to indulge our emotions. We worry excessively, we have resentment, tend to be addictive, tend to hurt ourselves physically, mentally, and spiritually.

We don't know if tomorrow will be a day that is there for us or not. "Easy Does It" might be a motto we could adopt that would afford us a little less stress and allow us a longer life.

THANK YOU

To all my family, friends, neighbors, the community of Dillon and the surrounding area.

I know this thank you is late but it was a very trying year and I want to let each and everyone of you know how much your thoughtfulness means to me.

To all who sent cards and flowers wishing me well, to those that said prayers for my healing, for the calls and food sent to us, for the medical people that helped me along, there are not words to express my appreciation.

I am on the mend and again I want to say thanks. It is humbling to know how many care.

**ROCKY MOUNTAIN COLLEGE
WINS 2013-14 BANDY AWARD**

Rocky Mountain College is the winner of the 2013 - 2014 Bandy Memorial All-Sports trophy according to Frontier Conference Commissioner Kent Paulson.

For the 2013-14 season, Rocky finished with 114.5 points followed by second place Lewis-Clark State with 88 points. Carroll College, winner of the past four Bandy awards finished third with 85.5 points. Westminster was fourth with 74 points and then the University of Great Falls with 60, Montana State Northern with 52.5, Montana Tech with 43, Montana Western with 28.5, Dickinson State with 24.5, Southern Oregon with 11 and Eastern Oregon with nine points.

It is Rocky's sixth Bandy Award and now ties Montana Western for the second most Bandy Awards won. Carroll College leads with 10 Bandy Awards. Montana Tech has four, Lewis-Clark State has three and MSU-Northern has two.

Rocky claimed regular season conference titles in women's soccer, men's basketball, and men and women's golf. Lewis-Clark won titles in men and women's cross country. Westminster College was the conference champion in women's basketball. MSU-Northern claimed the volleyball title and Carroll captured the football championship.

The Bandy Award is presented each year to the conference school that has accumulated the most points based on its league finish in football, men's and women's basketball, men's and women's cross country, soccer, women's volleyball and men's and women's golf.

The conference champion receives 17 points and the points decrease for each place after first with 12 points for second, 10 points for third, nine points for fourth, eight points for fifth, seven points for sixth, six points for seventh and three points for eighth.

If there is a tie in the regular season standings, the points for the place finishing are added together and divided by the number of teams that tied. An example would be if two teams tied for first they would each receive 14.5 points (17 + 12 divided by 2 = 14.5) while the next place finisher would be awarded the third place points.

The conference features six members in all sports: Carroll College, Dickinson State, Montana State-Northern, Montana Tech, Montana Western and Rocky Mountain. Three schools in all sports except football: Lewis-Clark State, University of Great Falls and Westminster College. Eastern Oregon University and Southern Oregon University are conference members in football only.

The Bandy Award was first presented after the 1982-83 season with Western Montana College (now Montana Western) winning the award.

The all-sports trophy is named in honor of the first commissioner of the Frontier Conference, George Bandy, his wife Cheryl Ann and their 8-year-old son Michael, whom they had adopted two weeks earlier. The family died tragically in a boating accident in the summer of 1982 when their 14-foot sailboat overturned in high winds on Canyon Ferry Reservoir near Helena, Mont.

SOROPTIMIST SPONSORING DONKEY BASKETBALL

The Dillon Soroptimist will be sponsoring Donkey basketball on May 6th at 7:00 pm in the BW Lodge Gym. Some of your favorite players will be there again. Teams from around town are Dillon Dental, Murdochs, Jaycees, BCHS Rodeo team, RE Miller and Dillon Volunteer Fire Department.

To save a dollar and help the Soroptimist out, get your tickets in advance from Murdochs, The Mini, 3-D, and Womack's Printing. The cost of the advance tickets are adults \$8, Students (7-12 years) \$6 and Children (K-6) is \$4. The ticket prices go up if you wait and get them at the door.

WHERE DID THE FLOWERS GO???

As you may have noticed, the Medians on Helena Street are bare. Please help us bring them back to life. The Dillon Garden Club's membership needs HELP to revive the Medians. We all enjoy the flowers as we drive by. Let's work together to restore them to their best.

We are asking for individuals, groups, organizations, etc. to help. You may choose a median to claim as your own (we can put a sign up to identify you as the caretaker) or volunteer to help when we are working.

We can NOT do it by ourselves any more.

They all have an automatic watering system (which will be upgraded soon). The Garden Club will support you both with information and financially and any other way we can.

If you cannot donate your time, any financial donations would be greatly appreciated and are needed to help with purchasing plants and hiring a caretaker to help.

Please help us keep Dillon a Beautiful town!

My Computer

LaVon D. Brillhart

A computer is an interesting little machine
with

a screen--

to keep out the bugs

some keys-

but no locks

knobs--

that won't tune

a disc-

that isn't round

many times it's function isn't-

fun

the programmer has to be a-

pro

the computer gives information..

stores information...

solves problems

and

creates confusion

Maybe, just maybe a computer isn't interesting

maybe it isn't so little

maybe it's not a machine

I know it is mindless but

smarter than me

it is brainless but that doesn't matter

for tomorrow I will learn how to turn

on this

"thing"!!!!

I Count each moment.

Jane Wise is one strong woman, despite her small stature and soft voice. Jane lives her life to the fullest and believes that strength means finding balance and peace within—no matter what life throws in your path. During her diagnosis of ovarian cancer, Jane found a compassionate group of people who shared their encouragement, time and services to help navigate her diagnosis.

Cancer Survivor Support Group is offered the 3rd Thursday of each month, 12:00-1:00pm at Barrett Hospital & HealthCare. Available free of charge for people diagnosed with cancer.

To participate and find out more, give us a call at 582-1600 or visit online www.cancersupportmontana.org
