Dirty Politics

I, as many of you, received a flyer, mailed to Beaverhead County residents, attacking Representative Jeff Welborn. The flyer is from the Conservative Majority Pac, James Pennington Treasurer, 1302 24th Street, #307, Billings MT 59102.

I Googled "Conservative Majority Pac". I did not find anything for a Conservative Majority PAC in Billings Montana. I found a Conservative Majority Pac, based in Huston, Texas. This was mainly a web page for donations.

I find it very strange that a super Pac would spend Dark Money on a Beaverhead County political race. What are they trying to accomplish? Jeff is a conservative, maybe not an extreme right winger, but a respected legislator, that tries to find solutions to issues. Part of the extreme right wing agenda in Montana is to sell or tradeoff our federal lands to private ownership, transfer federal lands to the states, lock up access to public lands so a few wealthy, nonresident land owners can have exclusive access to our lands, and privatize and commercialize our wildlife.

Jeff and I have not agreed on all issues, but Jeff has always had an open door and we have openly discussed what we didn't agree on, trying to reach a workable solution, but always parting as friends and neighbors, as we all should in a small community. Jeff is a good representative and strives to serve his constituents. He does not have his own agenda to implement, like some other elected officials. I believe that if I had an urgent or serious need, Jeff would do all he could to help me.

This flyer from a non transparent political PAC, attacking Jeff, is "DIRTY POLITICS" and a stain on the election process. I urge you to not let this influence you when making a decision on who to vote for. Check out Jeff's voting record and you will see that he has represented us, even when it meant going against the extreme right wing establishment.

Thanks Jeff, you will have my vote.

Letter to the Editor

TO WHOEVER MIGHT CARE

I write this with some frustration, and hopefully, not as a scold. I'm a walker, so the park and streets surrounding the downtown are familiar territory. I have two concerns: (1) dog droppings from dogs being walked by their owners and not cleaned up, and (2) the park right in the middle of Dillon where the trash can on the northwest corner has been removed, and the mistaken idea that this is a dog park for locals and visitors. I have spoken to several people in Dillon who are in a position to provide posts with bags for dog walkers in the park; to date their assurance that they would look into this (the YMCA grounds, as well as most any city in Montana address this hygienic issue) has garnered no response. When I called the school district that is responsible for this park I was told that to take on a project like this would take away from programs for children; I would like to offer that a clean and healthy park is certainly in the best interest of children, as well as the many of us who enjoy this area for leisure and events.

I am hoping, that if my concern is shared, it will energize a service group or any other entity that thinks Dillon is worth this effort.

Most sincerely,
Val Neeley

THUNDERSTRUCK IN ANACONDA

The 9-10 year old girls softball team, Thunderstruck, traveled to Anaconda, Thursday, May 8th. They only had 8 girls but they played to have fun and win, and they did both. The highlight of the game came with Anaconda at bat, one on 2nd, one out, and the Dillon girls made a double play off the hit at the bottom of the 5th.

Congrats to Nadia, Christina, Harley, Abby, Jody, Ainsley, Lexy and Tawni.

Both team played with all their hearts and should be proud of themselves.

DILLON TENNIS TEAMS MAKE IT TO THE 2ND ROUND IN LEWISTOWN

BCHS Varsity boys and girls played full 2 out of 3 set matches against Fergus and Hardin on Friday afternoon until rain set in about 5 pm. Since Havre and Anaconda had to cancel out of the invite, our teams were able to play full 2 out of 3 set matches on Saturday, as well, against Hardin and Butte Central and complete the unfinished matches against Fergus. All the players faced bitter cold winds during their matches on Saturday. We coaches are noticing marked improvement in the technical skills of many of the new varsity players on the boy's and girl's teams.

Last Thursday, all the sub varsity girls traveled to Livingston to play 8 game pro sets against the Park H.S. girls for their last event of the tennis season. We may have those scores for you on Tue or Wed.

The Beavers tennis teams both made it to the second round at the Fergus Invitational after Fridays play.

Team scores were:

Boys -

Dillon 4 - Butte Central 3

Dillon 2 - Lewistown 5

Dillon 2 - Hardin 5

2nd round Dillon 1 - Hardin 6

Girls -

Dillon 6 - Butte Central 1

Dillon 6 - Lewistown 1

Dillon 0 - Hardin 7

2nd round Dillon 1 - Hardin 6

Individual matches and set scores were as follows:

Against Butte Central: Boys singles: Mark Waldrup won 7-5, 7-6, 7-5; John Bodnar won 6-3, 3-6, 10-5; Michael Thompson won 6-3, 6-4. Boys doubles: John Bodnar / Michael Thompson won 6-0, 6-1. Against Lewistown: Boys singles: Michael Thompson won 6-7, 6-3 and in doubles Mark Waldrup / Logan Hall won 6-2, 3-6, 10-5. Against Hardin: Singles Michael won 6-4, 6-4 and in doubles Logan Hall / John Bodnar won a tough battle 7-6, 7-6.

FWP WELCOMES NEW FACES TO TOWNSEND

The Townsend area will now be home base to FWP Area Wildlife Biologist Adam Grove and new Field Warden Justin Feddes. Both are eager to hit the ground running and get to know the local landowners, sportsmen and residents.

Adam Grove spent the past 11 years as the FWP Area Wildlife Biologist in the White Sulphur Springs area. He graduated with a bachelor's degree in Wildlife Management from the University of Wyoming, and a master's degree in Range Management from Montana State University. Grove's new area of responsibility includes the Elkhorn Mountains, Canyon Ferry Wildlife Management Area, and the western side of the Big Belts.

Region 3 Wildlife Manager Howard Burt is happy to have Grove aboard saying, "The biologist position in Townsend has been vacant for over a year. It's great to have someone like Adam who brings such extensive experience to the table and is ready to get to work." Enforcement's newest hire, Warden Justin Feddes, grew up on the family ranch in Gallatin County and served in the Navy as a Master in Arms (Military Police). He recently graduated from Montana State University with a degree in Biology.

"We are very excited to have Justin Feddes as the new warden in the Townsend district. Justin brings a Montana ranch background and a tremendous amount of energy and dedication to his role in the protection of Montana's resources" said Warden Captain Sam Sheppard. Warden Feddes will primarily be responsible for the Elkhorns and Canyon Ferry Wildlife Management area.

The Market Report

By Chance Bernall

"What is going on in the real estate market?"

** All data contained in this report was derived from the Southwestern Montana MLS.*

I am often asked in passing, how is the real estate market?

This frequently asked question has led me to prepare a quarterly report that I will publish on our website www.dillonhomes.com as well as on our Facebook page and in the Dillonite Daily.

The first quarter of 2014 produced **30** sales in Beaverhead County with the following classification breakdown.

Residential- 26

Commercial- 0

Land/Farm & Ranch- 4

The current residential inventory in Beaverhead County is steady at **83** listings with **23** pending contracts.

BROKER'S COMMENTS:

Activity is steady thus far and consistent with what we saw in 2013. Interest rates remain low making move up buyers an active part of the current market. *(A move up buyer is a repeat buyer typically looking to upsize.)*

Renters may want to check with a lender to see about qualifying for a home purchase. Particularly in the Dillon area a tight rental market means renters may be able to purchase a home for what they are paying for rent.

Recreational land sales are still slow with occasional sales mostly neighbor to neighbor occurring. We have noticed an immense amount of interest in land that is suitable for summer grass. Inquires to lease properties with absentee ownership as well as purchases have increased dramatically this quarter. With cattle prices strong and the summer grazing season around the corner this trend is sure to continue.

Thank you and until next time!

"The best investment on earth is earth." - Louis Glickman
