S.W. Montana Veterans Memorial Update

The S. W. Montana Veterans Memorial located at Kiwanis Veterans Park on N. Montana Street is planning some improvements.

There will be a fundraiser at 6:00 pm on Friday the 6th of June at the Dillon Elks Lodge to help raise funds to accomplish these improvements The activities planned will include a Variety Show by Boots Lake, and a performance by Russ King and his bluegrass band "Fully Cooked". "Steve Ingram and Friends" will perform later in the evening. Also planned will be a silent auction, a 50-50 drawing, a raffle, and door prizes. Hors d' oeuvres will be served. There will be a "No Host" bar. We hope to have a representative from The Montana Wounded Warriors organization as a speaker.

The improvements include but are not limited to building a rock wall on the south side of the memorial that will enhance the appearance when approaching the memorial from the south as well as provide more space for memorial bricks to be installed. Installation of new LED lights to better illuminate the American flag after dark. Also planned is illumination of the Iwo Jima mural. A portion of the proceeds will go to Montana Wounded Warriors.

Thanks to all the individuals, businesses and the Dillon Elks Lodge that helped make this event possible. Also thanks to the Dillon Garden Club for their work and flowers on the "Blue Star Memorial"

Tickets are available from Connie Carroll at Mac's Last Cast, Boots & Harvey Lake, Russ King, The Dillon Elks Lodge and at the Safeway Store on Friday May 30th. Tickets will also be available at the door the night of the show. The tickets will be $15.00 each or $25.00 for a couple.

If anyone would like to sponsor a flag for their branch of the military or for a special loved one that is possible. Flags are available at the "3-D Store" or contact Harvey Lake at 683-4514. They are roughly $50.00 per flag. This would be a big help as a complete change out of all flags is about $600.00.

UMW basketball signs state's top scorer

The University of Montana Western's head basketball coach, Steve Keller, has announced the addition of the state's No. 1 scorer. The Bulldogs have added Billings senior Kooper Kidgell.

Kidgell is a 6' 4" 160 pound senior power forward from Billings Senior High School. During his senior season he averaged 23 points a game. In addition to his scoring prowess he grabbed an average of seven rebounds a game while dishing out three assists. He was voted a Montana Wyoming All-Star. Kooper was selected as a second team all-conference performer following his senior season as well. In addition to basketball he competed on the cross country team. He has

earned honors in the classroom as an academic all-star selection.

"We are very excited that Kooper Kidgell has decided to join our basketball program at Montana Western. Kooper's strength is scoring the basketball. He was the leading scorer in Class AA this past year averaging 22 per game," said Coach Keller. "Kooper can shoot the three, pull up for the mid-range jumper, or get to the basket and draw the foul. He shot 206 free-throws for the season, which ranked him at the top of the AA. Kooper can also pass the ball and has a very high basketball IQ. We look forward to his progress at [Montana] Western."

Kooper plans to study special education while attending classes at Montana Western. He is the son of Karson and Pam Kidgell.

Letter to the Editor

It's too bad that Duke Gilbert chose to extend the Warren and Brenneke lawsuits out over more than 5 years, especially since they weren't really necessary in the first place. When the fact that these lawsuits were actually a grudge match on the part of our former mayor against Mr. Warner and Mr. Brenneke, a lot of people felt outrage. This "grudge match" cost Dillon taxpayers over $60,000 in legal fees --all to collect less than $3000 from the 2 Defendants.

It's also unfortunate that our current City Council chose to re-hire Mr. Gilbert after he was no longer City Attorney to continue with these cases and see that they weren't brought to a close,.In the process, 7 members of the Council broke Open Meeting laws to in secret have Mr.

Gilbert draft a letter to the Judges involved, which all 7 signed. This letter requested that the Judge not allow Mayor Klakken to attempt to end these cases -- it was THEY who had the power over this, not him they said. I see a Conflict of Interest in Mr. Gilbert drafting this document, which would allow him to continue with these cases indefinitely and thus continue to be paid by the City (the taxpayers). The proposed Contract calls for $185 per hour for Mr. Gilberts's services and gives him basically complete power over the lawsuits. It also calls for him to work with Councilman David Spehar rather than Mayor Klakken.

This is all just one of the many issues that the council has taken up in their fight against Mayor Klakken. They pounced upon him immediately after he took office by refusing to approve his nominees for City Attorney and City Treasurer. At almost every council meeting they have tried to "pull something" against him, including defying Open Meeting laws.

They've also gone crying to the Montana Standard twice to defile Mayor Klakken with false claims to embarrass our City.

Is it any wonder that petitions for a Recall Election for some of our City Council members are being carried?

It will be interesting to see the Contract that our Council approves for the continued employment of Mr. Gilbert.

Dillon Hometown Humanities to present Suffrage Centennial Program

Diane Sands, scholar and state representative, will present a survey of women and their political influence in Montana as part of the Dillon Hometown Humanities Program. The talk is scheduled for Tuesday, May 27 at 7:00 pm in the Old Depot Theater. The program is being presented as part of the centennial celebration of Montana's passage of Women's Suffrage in November, 1914. Diane's talk will begin with the suffrage campaigns during territorial days and continue through the impact of the League of Women Voters during the 1972 Constitutional convention, where nineteen women served as delegates and leaders.

To accompany this program, an exhibition, "Leading the Way – Montana Women Suffrage and the Struggle for Equal Citizenship," is currently on display in the Train Depot waiting room. The five panel exhibit chronicles the civic history of women in Montana. The exhibition will remain on display through Friday, May 30th. Display hours are Monday through Friday 9 am to 5 pm. It will also be open for viewing the evening of Diane Sand's presentation.

Both the exhibition and the program are free of charge and open to the public.

Pioneer Mountains Scenic Byway Road Condition Update

Dillon, Mont., May 22, 2014 – The Pioneer Mountains Scenic Byway continues to remain impassable to through traffic due to significant snow remaining at higher elevations. Beaverhead County officials are monitoring the snow depth and predict that they should be able to plow open the Pioneer Scenic Byway near mid-June.

Until the Byway is opened, travelers in the area are advised to be cautious of changing road conditions and respect the road closures. To become stuck in a snowbank puts you and someone that might be willing to help you at risk for personal injuries as well as damage to your vehicle.

Upon opening the Byway, County crews will resume reconstruction of the roadway in the Moose Park Area. Motorists can expect to encounter delays during the reconstruction, including some possible short term road closures to expedite the work.

For additional information contact the Wise River Ranger District at (406) 832-3178, Dillon Ranger District (406) 683-3900 or Beaverhead County at (406) 683-3724.
