CITIZENS FOR BALANCED USE SUBMITS OBJECTION TO DRAFT RECORD OF DECISIONS FOR BLACKFOOT TRAVEL PLAN AND WILDLIFE SECURITY PLANS

Cites violation of public input, National Environmental Policy Act and inadequate and outdated grizzly bear science.

Citizens for Balanced Use's Executive Board Member, Kerry White, submitted a seven-page objection to the USDA Forest Service Northern Region. White cites violation of the National Environmental Policy Act (NEPA) by not properly assessing Recommended Wilderness Areas (RWAs) and outdated grizzly data that is being used in the decision process.

The NEPA violation comes after a "white paper" drafted by a Region One employee was used to deem RWAs as non-mechanized/motorized areas without the proper assessment prescribed and required by NEPA. This violation circumvents public input and local government involvement in the planning process for the Blackfoot Travel Plan.

"Because 'wilderness' areas are so unpopular with local recreationalists and business-owners, the Forest Service is inappropriately using Recommended Wilderness Areas to condition local public land users for the ultimate goal of full 'wilderness' designation," said White. "When 'wilderness' is designated, it shuts out motorized and mechanized users. That means bicycles, four-wheelers and the like can no longer be used in these areas. It is not appropriate to close these uses in RWAs."

White also gave solutions with the objections. The solutions include suspending the management policies for Recommended Wilderness Management Areas and Wilderness Study Areas that are based on the management policy recommendations stated in the "white paper" until proper assessment has been conducted and local involvement has been allowed.

In addition to the objection, CBU has requested a copy of the "white paper" being used for RWA's .

The entire objection letter can be found online at BalancedUse.org and attached with this release.

American Legion Plans Third Annual Legislative Information Session

Thomas Straugh
Commander American Legion Post 20

June 4, 2014 ALL Veterans, Federal Congressional Delegation Veteran affairs staff, Montana serving and legislative candidates, and Veteran Service Providers are invited to the Dillon National Guard Armory at 1800 (6PM) for social interaction, a picnic meal, and a formal information sharing session.

Veterans from Beaverhead County, Madison County, and any other location are invited. VFW, Legion, not affiliated, or disgusted with groups, come and enjoy finding out what your legislative representatives for Montana and the US Congress are doing to address Veterans' issues.

Denny Lenoir, Johnathon Kenneway, and Bruce Knutson will be there to tell us about their bosses' actions on behalf of veterans and what they see coming out of Washington. We hope to see Senator Barrett, and the Representative candidates for our area as they also need to hear the Veterans' concerns on the State level.

We will also hear their answers to questions from the veterans as well including:

Why does the VA measure easily faked data like the appointment rate when having an appointment isn't worth anything? What we need is data on actual appointments kept and veterans served.

How can the VA justify having a veteran in his 80's go 2 and a half hours to the Fort for surgery only to be told that the surgery could not be done because they reviewed his record that morning and found a procedural problem? Can't there be a review of the records before

UM Western has established a Veterans and Military Exchange this year to help veterans and those supported by transferred GI benefits take advantage of services they earned. There is a concern from Congress about the 'cost' of GI benefits. If our Congressional delegation would look at the VMX and the annual statistics from UM Western, perhaps they would help make funds available for VMX type operations at more colleges and universities?

What is happening to help make the Butte Veterans' home a reality? We have lobbied successfully for Montana funding. What is holding up the Federal funds? What can we do to help move the funding up?

The Post 20 business meeting will be held from 1730-1800 followed by the social hour, picnic dinner and information sharing. There will be a $7.00 charge for the picnic supper.

Remember, this is your opportunity to share your concerns with the folks who represent us on the local and national level. Come out and be polite but insistent on straight answers. No one asked me when it would be a good time for me to go to war. I don't think they asked you either. It is time for the country and Montana to take care of the promises they made when each and every Veteran promised to support and defend the Constitution of the United States of America.

UMW basketball signs state's top scorer

The University of Montana Western's head basketball coach, Steve Keller, has announced the addition of the state's No. 1 scorer. The Bulldogs have added Billings senior Kooper Kidgell.

Kidgell is a 6' 4" 160 pound senior power forward from Billings Senior High School. During his senior season he averaged 23 points a game. In addition to his scoring prowess he grabbed an average of seven rebounds a game while dishing out three assists. He was voted a Montana Wyoming All-Star. Kooper was selected as a second team all-conference performer following his senior season as well. In addition to basketball he competed on the cross country team. He has earned honors in the classroom as an academic all-star selection.

"We are very excited that Kooper Kidgell has decided to join our basketball program at Montana Western. Kooper's strength is scoring the basketball. He was the leading scorer in Class AA this past year averaging 22 per game," said Coach Keller. "Kooper can shoot the three, pull up for the mid-range jumper, or get to the basket and draw the foul. He shot 206 free-throws for the season, which ranked him at the top of the AA. Kooper can also pass the ball and has a very high basketball IQ. We look forward to his progress at [Montana] Western."

Kooper plans to study special education while attending classes at Montana Western. He is the son of Karson and Pam Kidgell.

THANK YOU

The family of Benny Reichle would like to thank everyone from the bottom of our hearts for all of the love and support we have received in this difficult time.

Your kind words and prayers are greatly appreciated. As we continue on with the memory of our Benny and await the arrival of his son.

Thank you again
