ROTARY TO SUPPORT EXPO 2014

Dillon Rotary Club will support EXPO 2014 on May 30-31 by manning the high school concession stand, reports Kelly McIntosh, Rotary President.

"We encourage everyone to attend the community trade show to learn about various businesses serving our area and to enjoy the treats we have to offer," McIntosh suggests.

Brats with all the trimmings plus drinks will be available Friday and Saturday afternoon according to Gary Lorenzen, Rotary committee chairman. Donuts and coffee will be added to the menu Saturday morning. Proceeds will be used to support local youth scholarships and other youth and community service programs sponsored by Dillon Rotary.

Club member dues and special contributions also support projects sponsored by Rotary International around the nation and world. For example, Rotary's Polio Plus Immunization Program has eradicated Polio worldwide, except for a few African and Middle Eastern countries where extremists maintain the program is a "western" effort to sterilize children rather than prevent polio.

Dillon rotary meets each Wednesday at St. James Episcopal Church, 203 E. Glendale, with lunch starting at noon followed by programs of interest to the community at 12:30. Visitors are welcome.

BEAVERS SOFTBALL

The Dillon Beavers ended its first season with a 6-12 record. They lost to Stevi 5-4 on Friday, then dropped their last game to Anaconda on Saturday 12-1.

The Dillon girls have come a long way for their first season and are a better team even with ending the season before they would have liked to. They have had many ups and downs this season and are losing the whole outfield to graduation this year. We look forward to them regrouping and coming back strong for their second season.

When the Music Stopped... (For those who are unaware: At all military base theaters, the National Anthem is played before the movie begins.)

I recently attended a showing of 'Superman 3' here at LSA Anaconda. We have a large auditorium we use for movies, as well as memorial services and other large gatherings. As is the custom at all military bases, we stood to attention when the National Anthem began before the main feature. All was going well until three-quarters of the way through The National Anthem, the music stopped.

Now, what would happen if this occurred with 1,000 18-22 year-olds back in the States? I imagine there would be hoots,catcalls, laughter, a few rude comments, and everyone would sit down and yell for the movie to begin. Of course, that is, if they had stood for the National Anthem in the first place.

Here in Iraq, 1,000 Soldiers continued to stand at attention, eyes fixed forward. The music started again and the Soldiers continued to quietly stand at attention. But again, at the same point, the music stopped. What would you expect 1000 Soldiers standing at attention to do?? Frankly, I expected some laughter, and everyone would eventually sit down and wait for the movie to start.

But No!!... You could have heard a pin drop, while every Soldier continued to stand at attention.

Suddenly, there was a lone voice from the front of the auditorium, then a dozen voices, and soon the room was filled with the voices of a thousand soldiers, finishing where the recording left off: "And the rockets' red glare, the bombs bursting in air, gave proof through the night that our flag was still there. Oh, say does that Star Spangled Banner yet wave, o'er the land of the free, and the home of the brave."

It was the most inspiring moment I have had in Iraq and I wanted you to know what kind of Soldiers are serving you. Remember them as they fight for us!

Be ever in prayer for all our soldiers serving us here at home and abroad. Many have already paid the ultimate price.

Letter to the Editor

WELBORN'S DARK MONEY DILEMMA

We in Beaverhead County have been witness to Representative Welborn's vehement denouncing of outside dark money being interjected into our local Republican Primary Race for HD 72.

Had his response not been one of such arrogance and indignation regarding this legal use of Political Action Committee's (PAC) contributions there would be no need for this letter.

I believe his response was the wrong one; especially, when his contribution to a PAC was actually being used to send negative campaign material into other "local" Republican legislative primaries throughout the state during that same time.

Representative Welborn has failed to mention this fact to the county's voters. His contribution and membership in the Montana BASE PAC is registered with the Commissioner of Political Practices. Contributions include:

Jeff Welborn	$500	Taylor Brown	$5,000
Dillon, Montana		Huntley, Montana	
Self-employed insurance		Broadcaster	

Others also contributing are lobbyists, individuals, and other PACs. Many of these members have also made campaign contributions to Representative Welborn's re-election campaign.

All of this is legal in Montana. It is registered, and can be found at: www.politicalpractices.mt.gov

Montana BASE Political Action Committee
Montanans for Responsible Leadership, FORM C-6 (political committee finance report) FORM C-2 (statement of organization)

Let me reiterate, this use of PAC funding & negative participation in local campaigns throughout the state is legal. However, Representative Welborn's blatant public display of hypocrisy in this matter is exactly what the public so dislikes about politicians; and it is the type of spin that is intended to mislead the voters.
