SHERIFF'S OFFICE

Press Release
June 1, 2014

Centennial Valley: On June 1, 2014, the Beaverhead County Sheriff's Dispatch received a telephone call from Clark County Sheriff's Office reporting that they had received a 911 call for an injured hunter in the Centennial Valley. A member of the hunting party was able to transport the injured party to meet with the Lima ambulance and then on to Barrett Hospital and Healthcare in Dillon. The patient arrived at approximately 2:00 o'clock, p.m.

The limited information received so far indicated that a 47 year old man from Stevensville was hunting bear with his father in the Fish Creek Lake area on the north side of the Centennial Valley. The patient sustained serious injuries from an unknown species of bear. Once stabilized, the patient was transported to Helena where fixed wing aircraft flew the man to Seattle.

The Sheriff's Office contacted local Game Wardens in Dillon. An investigation of the incident is underway.

Study Commission Vote Yes or No

By MJ

On your ballot you will be asked if you want a "Study Commission" which will be an elected group of people that will do a two year study working with the public collecting facts about the functionality of the local government. This group will then make recommendations based on the information they collect. Each member of the "study commission" will be elected by being placed on the November ballot.

A study commission will be your avenue to decide if you like how your government functions or if there needs to be changes do to changing times. Does the city need something different to move into the future?

1) A yes vote in the primary election (in June) will allow people to be on the November ballot to be representatives on the study commission."

- Some suggestions & ideas that might come from the study commission might be: Dillon needs to keep the mayor council form of government; Dillon would have only a mayor or a council; Dillon would have a town meeting type government where there would be a manager and people would meet and make the decisions; city would have a manager only; people could chose to join the city and county governments....

Pioneer Mountains Scenic Byway Update

Beaverhead County crews have been able to plow open the Pioneer Mountains Scenic Byway and it is now open to through traffic. Now that the Byway is open, Beaverhead County crews will resume reconstruction of the roadway in the Moose Park Area. Motorists can expect to encounter delays during the reconstruction, including some possible short term road closures to expedite the work.

Officials are advising travelers who wish to travel roads leading from the Byway to be cautious of changing road conditions and to avoid getting stuck as there is still a significant amount of snow in the back country.

Additionally, Willow Campground located along the Byway and next to the Wise River has been closed due to rising high water. When the river recedes the campground will be re-opened. All other campgrounds and Crystal Park are now open.

For more information contact the Wise River Ranger District at (406) 832-3178, Dillon Ranger District (406) 683-3900 or Beaverhead County at (406) 683-3724.

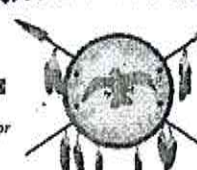

Letter to the Editor

"WHY" continues to jump into my mind upon seeing the negative smear attempts being released by outside sources here in district 72. I am bewildered why the Family Foundation, whom I have supported in the past, would elect to mislead voters. Perhaps they are being misinformed about the truth and should really review the documented voting record of Representative Jeff Welborn. Not only has he voted for Parental notification prior to abortion, he still does. A child is a very precious gift to be cherished and protected. Jeff's endorsement by the Right to Life Montana supports this. Can we see through the smoke screen, white wash and distorting of the truth? One has to wonder what is behind it all. I live downwind of a feed lot and, frankly, that smell is much easier to swallow than what those outside folks have been laying on us. This is one time I can honestly say I'm looking forward to our winds here in the Beaverhead to clear the air!

Don't let someone else determine your right to freedom....VOTE Tuesday, June 3. Your single vote could be the difference from being looked down upon, or looking level.

Personally, I kinda like the latter. Jeff's the best.

Tery A. Hursh, PA-C.

Language is a Convenience:

By: MJ

Language is a convenience of the heart, not something to bludgeon people with.

Why is it humans have a difficult time using language in this format? Is it because we want to be a drama queen, want to project our own shortcomings onto others, or are we only trying to support friend/friends?

In the last couple weeks articles in local area papers have printed "opinions" that do a fine job of condemning the first-class citizens that have taken personal time to take an active role in local government by attending city council meetings and bringing forth information about those meetings to the public. They are being personally judged and called "trouble makers" for asking the questions that go unanswered by the council.

The City's own rules and regulations along with state and federal laws are not being followed. It is on record and admitted by council members. **FACT:** Marg Jappe is the only one mentioned in articles that does not live or own property in the city. The rest of the people mentioned do own property, pay city taxes and/or have a resident in the city.

Take the personal attacks off the table and replace with facts. If you don't have the facts get them and then present your opinion.

AMERICAN LEGION POST 20 MEETING

American Legion meeting will be held on Wednesday, June 4th at the National Guard Armory, 1040 Hwy 41 with the meeting from 5:30-6:00 pm with a social hour from 6:00 - 7:00 pm followed by a Legislative meeting 7:45 - 9:00. Chef Jim Keef and Crew will be having a cook out barbecue, hot dogs and hamburgers, Veterans and Members are invited.

Political thoughts

Politics is the gentle art of getting votes from the poor and campaign funds from the rich, by promising to protect each from the other.

Abandoned Podium

Over the Memorial Day weekend someone left a podium with a brass plate honoring a "Tiny Longfellow" on the porch outside the Beaverhead County Museum. There was no other information except that on the brass plate. The mission of the Museum is to preserve and display only items dealing with Beaverhead County. Unless someone can come in and identify this podium or tell us the history of it, the Museum will dispose of it soon as our storage space is very limited.

Wildflower Tour of Rochester Basin Set for June 8

Come explore Rochester Basin, a nearby but little-known, wildflower area that lies between Melrose and Twin Bridges. On June 8, representatives from the Bureau of Land Management, Forest Service, Montana Native Plant Society, and Natural Resource Conservation Service will be conducting a wildflower tour of this unique area.

Rochester Basin is a culturally important mining area with an interesting flora typical of dry high steppe created by the rain shadow of the Pioneer Mountains to the west. Along the tour, participants will see mostly sagebrush steppe with some riparian areas and mountain mahogany communities. As for geology, participants will also enjoy learning about tertiary sediments, pediments on metamorphic rocks, and limestones. It will be an adventure!

Meet at 9 a.m. at the parking area across from the Melrose Bar. To get to this parking area, take the Melrose exit off of I-15 and turn west toward Melrose. Turn north on Frontage Road and the parking area is located across from the Melrose Bar. There will be an opportunity to carpool.

This all day field event requires high-clearance vehicles and is weather dependent. If it rains, the clay conditions and streams which appear with rainfall may cause the event to be rescheduled or cancelled. Participants are asked to call or email the night before to ensure the tour will happen. There are no restroom facilities en route, so bring a shovel or trowel for deposit if needed. Also bring layered clothing, rain gear, lunch, water, snacks, sunscreen, cameras and a field guide if you have one. No prior plant knowledge is necessary; leaders are very helpful. For more information and to sign up contact Catherine Cain at (406) 498-6198, or e-mail nativeplants@montana.com.

RUBY MONTIE, OWNER OF ROCKIN' R MERCANTILE, ANNOUNCES RETIREMENT SALE

Beginning June 10th, all items at Rockin 'R' Mercantile will be 20%, 30% and 50% off until all items gone.

Dillon's Ruby Montie announced Friday that she will be retiring and to celebrate, she will be liquidating her bead and jewelry store, Rockin' R Mercantile. Montie's retirement sale will begin on June 10th and go until all items are gone.

"Running my business in Dillon has been an incredible experience and one that I won't soon forget, but it's time for me to move on to the next phase of what life has for me," said Montie. "I have met hundreds of locals and hundreds of people from all over the country and world. Dillon is an undiscovered gem, and I had a first-hand view of the potential this community has to set an example for unique commerce and services that build a national and even international reputation."

Montie has been in business for eight years and looks forward to retirement with her husband Skip and dog Rusty. Ruby looks forward to seeing her cherished customers and friends during her retirement sale.

OLDYNSKI for SHERIFF

I am the best candidate for the position of Beaverhead County Sheriff because I believe it is time for a change. Things have become stagnant in the Sheriff's Office. New ideas are met with indifference. The Sheriff needs to be in touch with the people of the County to know what their needs and concerns are. As Sheriff I intend to spend time with the Deputies and out on my own listening and talking to the people. I will encourage an open door policy not only to staff but the community as well.

In my 11 years of service with the Beaverhead County Sheriff's Office, the staff was never offered support or debriefing after a traumatic incident. i.e.: unattended deaths, suicides, fatal motor vehicle crashes, etc. I plan on using the chaplain program and other resources from the community to build a support system for all staff members. I believe we need to take care of our own. I would like to create a safe environment for all members of the Sheriff's Office.

If elected I plan to utilize the K-9 drug dog to a greater extent. I want to look into the benefit the County receives for the money paid out to the Southwest Montana Drug Task Force and make sure all of the schools in Beaverhead County have access to the DARE program. Having been a Deputy and Reserve Coordinator, I appreciate the value of a strong Reserve program and I intend to vigorously recruit and maintain Reserve Deputies.

I will work hard to create and maintain a good working relationship with the Dillon Police Department, the Dillon Volunteer Fire Department, Beaverhead EMS and Beaverhead Search and Rescue. A good leader draws upon and utilizes the talents, experience and ideas of their staff and I intend to be that type of a leader.

I will appreciate your support.
