"THE LEGEND OF "POKER JOE" SATURDAY, JUNE 7

Bannack State Park will host the Humanities Montana Speakers Bureau program "The Legend of "Poker Joe" Lean Elk" with Philip J. Burgess on June 7th at 2pm in the old church. The presentation is free and open to the public. This program will replace the previously scheduled program "Firearms of the American Frontier."

Philip Burgess, poet, writer, and storyteller tells the story of an often over-looked figure in the Nez Perce flight for freedom in 1877. Poker Joe was a mixed French and Nez Perce man named for his love of, and luck at, the white man's game of poker. After the disastrous Big Hole Battle, the tribe turned to Poker Joe to act as their trail chief, and many sources describe him as the chief architect of the legendary retreat that ended in that final battle in the Bear Paw Mountains in which Poker Joe was accidentally killed by one of his own people. Burgess describes how the spirit of Poker Joe led him to his own confrontation with the flesh and blood consequences of the Nez Perce tragedy, and his own mother's death, on a holy mountaintop on the Yakima reservation.

Philip J. Burgess of Missoula, Mont., is a veteran, poet, storyteller, ex-gypsy, ex-therapist, ex-cabdriver, et cetera, who still nourishes and honors his eastern Montana roots. He is the author of the collection of poetry Badlands Child.

Park hours are from 8:00am until dusk every day. The Visitor Center is open 9:00 am until 7:00 pm daily. Bannack State Park is located 25 miles southwest of Dillon, just 4 miles off Highway 278. If you would like more information please call the park at 834-3413 or email us at bannack@smtel.com.

agement and makes sense of the duplicative management efforts from multiple levels of government," said Kerry White, Executive Board Member. "CBU has found multiple errors in the Fish and Wildlife sage grouse data, but the responsiveness to our requests for correction from these federal agencies has been that of no response. We wholeheartedly feel that Montana stakeholders will be better represented and that the success of the sage grouse species will be better if state management plans are allowed a chance to succeed."

CBU participated heavily in last November's public comment period of the DRAFT Greater Sage Grouse Management Plan for Montana, which has now gone from 60 pages in draft form to over 200 pages in final and approved form from Governor Bullock. This management plan was initiated to preclude sage grouse from being listed under the Endangered Species Act.

"While the state plan is not perfect, CBU and our members had more opportunity to participate in the planning process of the Montana management plan than they have ever or will ever have in a federal management plan," said White. "Our membership is made up of hard-working Montanans. These are the real stakeholders in the discussion of managing sage grouse. Many Montanans have spent hours of their time and thousands of their dollars to create healthier sage grouse habitat and these efforts need time to succeed. Duplicative management efforts confound the solutions and we find ourselves at a loss with each one."

A companion bill was introduced in the U.S. Senate and CBU encourages members of the public to contact Senators Walsh and Tester and urge their endorsement of the Senate version of this bill

Beaverhead-Deerlodge and Bitterroot National Forests to Implement Food Storage Order

Forest Supervisors Melany Glossa of the Beaverhead-Deerlodge National Forest and Julie King of the Bitterroot National Forest will be expanding existing food storage requirements beginning June 1 of this year. The signing of a new special order for food storage will supersede existing orders for the Madison Ranger District and expand the areas requiring food storage to the entirety of the Beaverhead-Deerlodge National Forest and the Anaconda-Pintler Wilderness Area managed by both the Bitterroot and Beaverhead-Deerlodge National Forests.

When implemented, all of the Beaverhead-Deerlodge National Forest and the Anaconda Pintler Wilderness will be covered by food storage requirements. To allow people time to adjust to the new requirement, Glossa has asked Forest Service law enforcement officials to focus on education over enforcement.

In reference to the increased education over enforcement, Forest Supervisor Glossa stated, "Our primary goal is to protect humans and bears. Second to that objective is to ensure people understand the new special order, where it applies, and what facilities have been made available to them." "The Forest has taken measurable efforts to increase awareness, education and infrastructure, such as food storage boxes and equipment to check out for free at Beaverhead-Deerlodge NF Offices, all of which serve to minimize the conflicts between humans and bears, which should increase public safety on the forest."

General Content of New Food Storage and Sanitation Order: From March 1 to December 1 of each year, all food and other items that might attract bears must be stored where bears can't access them at night and during the daytime when food and attractants are not attended. 'Attended' means that a person is physically present within 100 feet and in direct sight of the food or carcass. While attended, food and attractants do not have to be stored.

The following items must be properly stored: Human food, (including canned food, soft drinks and alcoholic beverages), harvested game animals and parts, pet food, processed livestock feed and grains and personal hygiene items such as soap, toothpaste and deodorants. This also includes garbage and empty food and beverage containers.

Proper storage methods include: Proper storage methods include placing food and other items in bear resistant containers or securing them in a hard-sided vehicle or suspending them at least 10 feet above the ground and four feet from any vertical support.

Bear resistant containers include: Bear resistant containers include the heavy metal boxes placed in campgrounds and other approved containers such as bear resistant horse panniers and backpackers' containers that are certified through the Interagency Grizzly Bear Committee Courtesy Inspection Program. Approved panniers and backpackers' containers can be loaned out from any Beaverhead-Deerlodge NF office. NOTE: Plastic or metal food coolers, backpacks and leather or canvas horse panniers are NOT bear resistant.

Storing game meat and parts can be accomplished as follows: Harvested big game animals and game animal parts must be at least 100 yards from a sleeping area, recreation site or National Forest System trail. Small game (birds and mammals) and fish should be stored in a similar manner to other food products. Game meat may be left unattended on the ground, but must be at least one-half mile away from any sleeping area or recreation site and at least 200 yards from a Forest Service System Trail.

When burning refuse: Anything that has not been consumed by campfire must be packed out.

Use of electric fencing: Electric fencing approved by the Interagency Grizzly Bear Committee is allowed. IGBC approved products can be found on the internet at www.igbconline.org/images/pdf/140326_BRC_products_list.pdf.

Death of livestock: Should be reported within 24 hours of discovery to the nearest Forest Service office.

When camping: Camping and sleeping areas must be established at least one-half mile from a known big game animal carcass on the ground or at least 100 yards from a properly stored big game animal carcass.

For more information on the content of the new special order, go online to www.fs.usda.gov/bdnf and click on "Bear Country Safety Information," or call the Beaverhead-Deerlodge National Forest at (406) 683-3900.

Douglas Creek Road Temporarily Closed Due to Wash Out

The Pintler Ranger District of the Beaverhead-Deerlodge National Forest will be temporarily closing the Douglas Creek road (Forest Road 707) due to the road being washed out. The road was repaired in 2013; however, hydrologic issues related to water running underground and undercutting the road and culvert have made the road impassable to vehicle travel.

Road crews are working to temporarily repair the road, and engineers are examining the area to determine the cause of the damage and ways to repair it.

For additional information contact the Pintler Ranger District in Philipsburg at (406) 859-3211, or the Deerlodge Information Center at (406) 846-1770.

Dale Olson Selected as New Madison District Ranger

The Beaverhead-Deerlodge National Forest has selected Dale Olson to head up the Madison Ranger District as its new District Ranger beginning June 16. Olson is currently the District Ranger for the Tonasket Ranger District on the Okanogan-Wenatchee National Forest in north central Washington.

"By all accounts he is going to be a wonderful addition to the District and the Forest," said Forest Supervisor Melany Glossa. "He has a lot of great experience as a Ranger and as a natural resource manager; I'm looking forward to working with him."

Olson has varied experiences from surveying logging roads, to working on wildland fires, ranching, and working as a fisheries biologist. He has worked for the Apache-Sitgreaves, Boise, and Payette National Forests. "The family and I are very excited to be coming to the Madison Ranger District and are looking forward to getting acquainted with the community and the beautiful surroundings", said Olson

Olson, along with his wife Karen, son Tait, (10), and daughter Elizabeth (8) like to spend time camping, hiking, biking, watching movies, and going fishing.

CITIZENS FOR BALANCED USE SUPPORTS DAINES' CO-SPONSORSHIP OF NEW SAGE GROUSE ACT

On Friday, Citizens for Balanced Use (CBU) sent a letter of support to Congressman Steve Daines for co-sponsoring a newly introduced house bill titled "The Sage Grouse Protection and Conservation Act." This act would prohibit the Department of Interior from listing sage grouse under the Endangered Species Act as long as a state has prepared a conservation and management plan. The U.S. Fish and Wildlife Service has set September of 2015 as a deadline to determine the status of sage grouse; either listing for protection or not.

"This is a bill that returns common-sense to sage grouse man-

Letter to the Editor

It is so hard to believe what all that has happened in June. D-Day is Friday, June 6, 2014. Fathers day is Sunday the 15th of June. I am also reminded that on 24 June 1962, I was released from 6 months of captivity by the Viet Cong. I feel so lucky that it was not as long as others, to include the new release from Afghanistan.

Sincerely I hope some of the following can be published to remind that for those of us that were born before 1940, do have a lot to share with others.

George Fryett an early bird captured in a War from over 50 years ago.

RED HAT SOCIETY NEWS

On Friday, May 30th the Red Hat Belles were seen at the Lion's Den. "Mak" Kailey and Elaine King co-hosted and decorated the tables with a Memorial Day / Flag Day theme.

Door prizes were awarded to Maggie Benson and Darlene Rose.

It was suggested that the Red Hat Belles participate in Dillon's Labor Day parade. Since it was 2003 when we last did this, we agreed that this should be taken into consideration.

Also, the announcement was made that after several months of collecting articles for the Veteran's Hygiene Kits, they are now ready to be assembled. This will be held in the Day Room at the Bicentennial Apts. on June 9th at 1:00 pm. We encourage the Red Hat Belles to help in this worthwhile project. The kits go to the VA in Helena and are very much appreciated.

Thank you to the Lion's Den for their very fine food and service and a big thank you to "Mak" and Elaine.

Dillon City Council Meeting
June 4, 2014
7:00 p.m
City Council Chambers

Abandoned Podium

Over the Memorial Day weekend someone left a podium with a brass plate honoring a "Tiny Longfellow" on the porch outside the Beaverhead County Museum. There was no other information except that on the brass plate. The mission of the Museum is to preserve and display only items dealing with Beaverhead County. Unless someone can come in and identify this podium or tell us the history of it, the Museum will dispose of it soon as our storage space is very limited.

Congregate Meals

Calling all Senior Citizens!! Every Wednesday at the Senior Center on Montana St. from 11:45 am until 1 pm Congregate Meals are offered. If you need a ride to the Senior Center please call the Dillon City Bus. They will accommodate your transportation needs. You may reach our city bus driver @ 660-4247.

This week's meal is going to be delicious, you can count on it. See you there. If you have any questions please don't hesitate to call the Resource Center @ 683-6106. Together, we are "People Helping People".

PIZZA HUT DONATES TO WOMEN'S RESOURCE CENTER

This Thursday June 5th from 5 to 9 Pizza Hut in Dillon will donate 10% of all dine in proceeds to the Women's Resource Center. Stop by the Women's Resource Center to pick up a flyer. Flyer is needed to ensure 10% of your meal goes to the Women's Resource Center. Join us for pizza and make sure you bring your appetite.

Eat generously.
