**CALLING ALL VETERANS NOW HEAR THIS!!!
ALL HANDS ON DECK!!!**

Thomas Straugh

Commander American Legion Post 20

June 4, 2014 ALL VETERANS are invited to the Dillon National Guard Armory at 1800 (6PM) for social interaction, a picnic meal, and a formal information sharing session.

The Veterans Administration is all over the news these days. Come out to find out the straight dope from our Congressional Delegation. Talk with them about your VA experiences. Let them know what works and what does not for you!

Denny Lenoir, Johnathon Kenneway, and Bruce Knutson will be there to tell us about their bosses' actions on behalf of veterans and what they see coming out of Washington.

We will also hear their answers to questions from the veterans as well including:

Why does the VA measure easily faked data?

Why does the VA give bonuses for performance?

Isn't performance expected of all employees?

Is it true that there is a concern from Congress about the 'cost' of GI benefits? ?

What is happening to help make the Butte Veterans' home a reality?

Montana has been 61 of 62 and 71 of 74 on the priority list for veterans' construction for the last years. How can we help move the priority up? Doesn't distance from facilities count?

The Post 20 business meeting will be held from 1730-1800 followed by the social hour, picnic dinner and information sharing. There will be a \$7.00 charge for the picnic supper.

This is your opportunity to share your concerns with the folks who represent us. Come out and be polite but insistent on straight answers. It is time to honor the promises made when we joined the service!

REWARD FOR INFORMATION ON GRIZZLY BEAR SHOOTING

The U.S. Fish and Wildlife Service (USFWS) is investigating the shooting of a grizzly bear (*Ursus arctos horribilis*) on the Gallatin National Forest. The grizzly bear was discovered by hikers over Memorial Day weekend in the vicinity of Cache Creek Road/Taylor Fork Road, which is just north of the Yellowstone National Park boundary on highway 191, and south of Big Sky, Montana.

Grizzly bears are listed as threatened in the lower 48 states pursuant to the Endangered Species Act. The shooting and/or possession of any unlawfully harvested grizzly bears, including parts thereof, are considered a violation of said act.

The area where the grizzly bear was discovered is frequented by outdoor recreationists and hunters alike, and according to reports, experienced heavy traffic over this popular weekend. As a result, someone recreating in the area may have relevant information that could aid investigators with the investigation. Anyone with information regarding the shooting is asked to contact the USFWS, Office of Law Enforcement in Billings, Montana at (406)247-7355. The Service will pay up to \$1,000 for information leading to the arrest and conviction of the person or persons responsible. Anyone providing that information to authorities may remain anonymous. Information can also be reported to the Montana Fish Wildlife and Parks TIP- MONT line at 1-800-TIP-MONT (800-847-6668).

The mission of the U.S. Fish and Wildlife Service is working with others to conserve, protect, and enhance fish, wildlife, plants, and their habitats for the continuing benefit of the American people. We are both a leader and trusted partner in fish and wildlife conservation, known for our scientific excellence, stewardship of lands and natural resources, dedicated professionals, and commitment to public service. For more information on our work and the people who make it happen, visit <http://www.fws.gov/mountain-prairie/>. Letter to the Editor

It has always made me wonder about how the people who were not with us at the time of our captivity, are usually the biggest critics. What I am reading reminds me of what I went through back in 1961 and 1962. Healing is foremost and it does not come with people who want to make accusations of who or what it was when they were not even there.

Please let us all help the Sgt and his family find healing without judgement.

The healing will not come over night.

Sincerely, and keep good thoughts for those of us that were there and were lucky enough to make it home and are still going through the healing process.
