VOLUNTEERS WANTED FOR DOME MOUNTAIN CLEAN-UP DAY SATURDAY

Montana Fish, Wildlife and Parks is looking for volunteers for its annual Dome Mountain Clean-Up Day co-sponsored by the Park County Rod and Gun Club on June 7. Volunteers will be cleaning up and removing remnants of old fencing that are dangerous to wildlife on this important elk winter range.

WHERE: Meet at north parking area at Dailey Lake
DATE: June 7, 2014
TIME: 9:00 a.m.

Volunteers should contact FWP Area Biologist Karen Loveless prior to June 7 at kloveless@mt.gov or (406) 333-4211 if interested. Fencing pliers and t-post pullers would be very helpful, as well as possibly additional ATV's. Volunteers who might have any of the items mentioned, and are willing to bring them along on June 7, should let Karen Loveless know. Free food and beverages will be provided to volunteers.

The Dome Mountain Wildlife Management Area is over 4,500 acres of public land, owned by Montana Fish, Wildlife and Parks. It was purchased in the late 1980's in order to preserve elk winter range and provide hunting and recreational opportunity for the public. Old fencing remains in some areas since prior to public acquisition, and each year causes injuries or death to elk and other wildlife that become entangled.

BEAVERS SOFTBALL ALL-CONFERENCE

Just wanted to let you know that the Lady Beavers had 3 players named to the All-Conference teams this season. Brandi Lovaas earned 1st Team honors, Audrey Schurg earned 2nd Team, and Kimee Hritsco-Murray was Honorable Mention.

Wildflower Tour of Rochester Basin Set for June 8

Come explore Rochester Basin, a nearby but little-known, wildflower area that lies between Melrose and Twin Bridges. On Sunday, June 8, Mike Garverich from the Natural Resource Conservation Service will lead a wildflower tour of this unique area along with representatives from the Bureau of Land Management, Forest Service, and Calypso Chapter of the Montana Native Plant Society.

Rochester Basin is a culturally important mining area with an interesting flora typical of dry high steppe created by the rain shadow of the Pioneer Mountains to the west. Along the tour, participants will see mostly sagebrush steppe with some riparian areas and mountain mahogany communities, and will also enjoy learning about Tertiary sediments, pediments on metamorphic rocks, and limestones.

Meet at 9 a.m. at the parking area across from the Melrose Bar. Take the Melrose exit off of I-15, turn west toward Melrose, then north on Frontage Road to the parking area. There will be opportunity to carpool.

This all day field event requires high-clearance vehicles and is weather dependent. If it rains, the event may have to be rescheduled or cancelled. Participants are asked to call or email the night before to ensure the tour will happen. There are no restroom facilities en route, so bring a shovel or trowel. Also bring layered clothing, rain gear, lunch, water, snacks, sunscreen, cameras and a field guide if you have one. All are welcome but must sign up. For more information and to sign up contact Catherine Cain at (406) 498-6198, or email nativeplants@montana.com.

Pintler Ranger District Celebrates National Trails Day June 7

The Pintler Ranger District, Echo Lake Trails Association and other volunteers will be celebrating National Trails Day on Sat. June 7 by hosting a volunteer trail maintenance work party near Georgetown and Echo Lakes. National Trails Day was created in hopes of inspiring the public and trail enthusiasts nationwide to seek out and celebrate their favorite trails.

If you are interested in participating in this fun work day, meet at the Discovery Basin ski area parking lot on Sat., June 7 at 9 a.m. The planned work for the day will include clearing downed trees, removing tree limbs, and cutting back areas of brush growing inside the trail corridor. Tools will be provided to accomplish the work. At 9 a.m. work leaders will discuss the plan for the day, review safety protocol, and then break into groups and head down the trail. Work will conclude around 3:30 p.m.

Participants are asked to come prepared for this all day event by wearing long sleeve shirts, long pants, boots and gloves; and to bring food, water and rain gear.

For more information or to sign up, contact Jenni Blake or David Rouse at the Pintler Ranger District at (406) 859-3211.

We just celebrated our 25th wedding anniversary, a milestone I wasn't sure we would make after Glenn was diagnosed with prostate cancer. I was scared, depressed and completely alone. Thankfully, we discovered the wonderful services provided by Cancer Support Community. Their support and encouragement allowed us to once again enjoy each day—and each other.

Caregiver Support Group is offered the 1st Thursday of each month, 12:00-1:00pm at Barrett Hospital & Health-Care. Available free of charge to caregivers of people diagnosed with cancer.
