Essie Lillian Whatley Later

Essie Lillian Whatley Later died on Wednesday, June 4th surrounded by her family. Essie was born on March 20th 1926 to Enoch L. and Hettie C. (Hughes) Whatley in Glenmora, LA. She graduated from Beaver Creek High School in Oakdale, LA. From there she went to San Antonio, TX and worked and met her soul mate Dick Later. From there they moved to Dillon, MT and bought D & L jewelry which became Later's Jewelry. Essie was an active member of Soroptimist and Lady Elk's. She loved to play bridge and other cards and lived for Friday night bowling. When the Later's retired they headed south to Yuma, AZ for some fun in the sun, and it's 5 o'clock somewhere!

She was preceded in death by her parents, brothers; Louis and Charley, sisters; Bessie and Tessie numerous other relatives.

She is survived by her children Rick (Cooky) Later, Pam (Ron) Nielsen of Dillon, five grandchildren; 13 great grandchildren, brother-in-law, Jack (Leona) Later and sisters-in-law Elaine Later and Rose Whatley, numerous nieces and nephews. A visitation was held on June 8th and funeral services are today, Monday, June 9th at 11 AM at Brundage followed by interment at Mountain View Cemetery. Memorial contributions may be made to the Beaverhead Ambulance. A guestbook is available on line at www.brundagefuneralhome.com.

IT'S ALL GOING VERY WELL

By: MJ

There have been runners on the street that the recall petitions were rejected. NOT SO -- APPROVED AND DOING WELL. The petitions were approved by the election official, Ms. Debbie Scott despite the misinformation printed in the paper about the recall petitions being rejected. These petitions could not be circulated if they had been rejected by the election official. The election official is the only person that says yea or nay to recall petitions (not the county attorney).

Petitions continue to be circulated in the wards of Councilpersons Westad, Troedsson, Spehar, and Gore, thus giving every person the opportunity to have a say in how the city government functions.

If you would like to sign one and no one has knocked on your door you may go to Parisian Cleaners, (Paul Pilgrims's establishment) and sign.

Deer Lodge, Philipsburg and Whitehall FS Offices to Close for Training

The following offices of the Beaverhead-Deerlodge National Forest will be closed on the following dates so all employees may attend annual mandatory training:

Jefferson Ranger District in Whitehall-closed June 9, and June 16 from noon to 4:30 p.m.

Pintler Ranger District in Philipsburg-closed June 9

Pintler Ranger District office in Deer Lodge located at the Grant Kohrs National Historic Ranch-closed June 9 and 11; and from 8 a.m. to 12 p.m. on June 12. This office will also be closed June 16 through 20.

"We recognize closing these offices may cause some inconvenience. Balancing public service with employee training is of equal importance," said District Ranger Charlene Bucha.

For those who are seeking firewood cutting permits, Fic's Conoco in Drummond, Hardware Hank in Anaconda, the I-90 Truck Plaza in Deer Lodge and the Ace Hardware Store in Whitehall sell Beaverhead-Deerlodge NF firewood permits. Maps may be purchased online at: www.nationalforeststore.com.

For more information contact the Jefferson Ranger District in Whitehall at (406) 287-3223; the Deer Lodge Information Center at the Grant Kohrs National Historic Ranch Visitor Center, at (406) 846-1770, or the Pintler Ranger District in Philipsburg at (406) 859-3211.

FIZZ, BOOM, READ!
Summer Reading 2014

Dillon's preschoolers and school age readers will explore all things scientific which lead to fizzing and booming as the Library begins the 2014 Summer Reading program. The "Fizz, Boom, Read!" theme will run throughout the eight weeks of programmed activities. Sign-up has already commenced and is ongoing. The program is designed to allow readers to participate in many different ways. Weekly programs will occur on Thursdays and include sessions on drumming, volcanoes and geysers, violent weather, and popup books to name a few. Pajamas in the Parks – evening family programs – will occur in July. A series of four afternoon theme-related films are scheduled. Attendance at programs is not mandatory for participation. All program details are available at the Library when your child signs-up to participate in the program.

Encouraging reading and continued learning throughout the summer months of school vacation is the primary focus of the program. Participants will earn "Boom Bucks" by spending time reading or being read to and attending programs. The Grand Finale program on July 31st, will offer all participants an opportunity to spend their boom bucks at a toy store and on carnival games and food all provided at the Dillon Public Library.

Denise Juneau, Montana's Superintendent of Public Instruction, identifies libraries and summer reading programs as crucial in preventing what is known by educators as "summer slide," a learning loss evident in the fall when a child fails to read during the summer months. Students who read over the summer maintain their reading comprehension skills and start school in the fall ready to learn. An established reader can maintain their reading level by reading only six books during the summer months. Beginning readers need even more practice time to maintain what they learned during the school year.

Encourage your child to be an active learner this summer by signing up to participate in the "Fizz, Boom, Read!" program provided by Dillon Public Library. All programs are free and open to the public.

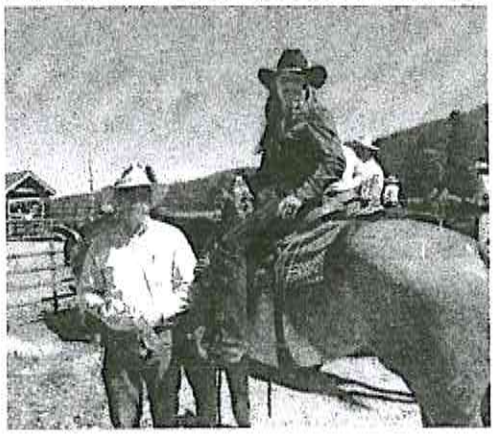
ELLEN HOLLIFIELD GRADUATES FROM FRC

2012 BCHS graduate, Ellen Hollifield graduated from Feather River College on May 23rd. FRC is a community college in Quincy, CA. Ellen finished up her two years of study there with an AS Degree in Equine Science-Ranch Skills and an AS Degree in Ag. Science.

Ellen also participated in the Production Horse Sale for the second time, on May 17th, where she sold two horses. This auction is the much anticipated event of the year for the students who trained horses as part of their Equine Studies requirements.

The horses that Ellen trained, FRC Hazy Memory and FRC BB Gun sold for $8,600.00 and $5,600.00 respectively. Students who participate in the horse sale receive a percentage of the sale money and the remainder goes back into the FRC equine programs.



On June 1st Ellen started an internship with Reined Cow Horse trainer Ricky Nicolazzi in Grass Valley, CA.

Many thanks to the local businesses who awarded Ellen, and other students, scholarships to attend college. Success stories such as these are possible, in part, due to the generosity of the people in Dillon.

Forest Service Closes Hazardous Mine Openings

The Beaverhead-Deerlodge National Forest (BDNF) possesses a mining heritage with one of the most extensive and best-preserved compliments of historic mining in the Northern Rockies. Commonly encountered historic mining features such as open adits and/or shafts with unstable structures or debris have been abandoned and inactive for many years and present a public safety hazard. Inventory of the abandoned mine hazards is an ongoing program on the Forest.

The purpose of the inventory is to identify hazardous mine openings to close and reclaim. As part of this ongoing program to close hazardous openings, the BDNF proposes to close eighteen mine openings this summer. The closure work this year will be located on the Pintler, Jefferson, Wise River and Dillon Ranger Districts.

Adequate access routes necessary to perform the closure work exist and the Forest plans to close the openings by installing bat-friendly structures, or, polyurethane foam, or backfilling with nearby materials. The Forest will keep disturbance of the surrounding area to a minimum and preserve the mining setting.

For additional information about the closure of these hazardous mine openings contact Forest Physical Scientist Licette Hammer at (406) 683-3911 or, e-mail lhammer@fs.fed.us.

BELIEVE IN YOURSELF BECAUSE:

Submitted By: MJ *Author unknown*

Did you know that in this world: there are two people that are willing to die for you; at least fifteen people that love you in some way; that a smile from you beings someone happiness; every night someone thinks about you before they go to sleep; you mean the world to someone; you are a special unique person; someone you don't even know exists loves you and when you make the biggest mistake you have ever made something good comes from it. So when you think the world has turned its back on you, take another look and remember the compliments you have received letting the rude remarks go.

Trials keep you strong - Sorrows keep you human - Failures keep you Humble - Success keeps you Glowing and when one door closes there is always another door that opens. ***EVERYTHING YOU EVER WANTED IS ON THE OTHER SIDE OF FEAR.***
