DEMO DERBY RESULTS

The Dillon Jaycees held their demo derby last Saturday and the photos along with the results show just part of the action for the evening. The heat, dust, and wrecks are all part of such events. Boe Fogel hit Justin Clark and rolled Justin's car over..The emergency crews had to work to cut another driver out of his car and he was transported to Barrett Hospital after getting hit. The excitement is great, but we never want to see anyone hurt.

"Boots Country" Karaoke at Mac's Last Cast

"Boots Country" Karaoke will be at Mac's Last Cast this Saturday, July 26th, from 9:00 P.M. until 1:00 A.M.

Boots has had a special request from Darrell Cowen, who is a professor of Geology from Washington State University in Seattle, to have karaoke for his Geology students that are here at Western for a Summer Class.

Darrell has been bringing his students to Western for many years and has even returned from Seattle to enter in Boots' Labor Day Karaoke Contest.

Everyone is welcome and this is a good time to pick a song and practice for the Labor Day Contest.

MARK TWAIN TO SPEAK AT BANNACK

Saturday, July 26 at 2:00 pm in the Old Church at Bannack the legendary humorist and lecturer Mark Twain, as portrayed by Michael Delaney, will appear. This first person presentation is sure to please you. In Mark Twain's day, the public lecture was the most popular form of entertainment and Mark Twain was arguably the most popular practitioner of the art. In this living history presentation, Michael Delaney presents Mark Twain and his recollections of the five city "lecture raid" Twain made on the state in 1895. As Twain he also recounts the chance encounter, some thirty years before the Montana lecture tour, with the notorious Virginia City desperado "Bad" Jack Slade. While largely biographical, the discourse reflects Twain's conviction that the facts should never trespass unnecessarily on a good story.

Park hours are from 8:00am until dusk every day. The Visitor Center is open 9:00 am until 7:00 pm daily. Bannack State Park is located 25 miles southwest of Dillon, just 4 miles off Highway 278. If you would like more information please call the park at 834-3413.

Wall of HOPE - The "Wall of HOPE" stands tall, surrounded in purple light, a color that represents ALL cancers. Take a moment and write a message of hope, a message of grief or just sign your name. Anything you would like to share, any HOPE you can give, any heartache you feel, the "Wall of HOPE" is there for everyone. **Made by Jim Harvey**.

Did you ever wonder why Relay for Life is an overnight event? There is strong symbolism in this. Cancer does not sleep, so neither do we. Relay for Life starts at dusk and ends at the next day's morning. The light and darkness of the day and night parallel the physical effects, emotions, and mental state of a cancer patient while undergoing treatment. At the darkest part of night, cancer patients can become exhausted, sometimes sick, possibly wanting to give up. Just as the cancer patient cannot give up on his or her treatment, Relay participants push through this phase, showing unity with cancer patients around the world. The sun rising represents the end of treatment for the cancer patient. They see the light at the end of the tunnel and know that life will go on. As a participant, you will feel the brightness of the morning and know that the end of the RELAY is close at hand. You will feel triumphant in the knowledge that you have made an impact in the fight against cancer.
